Introduction: Secret Societies and the Illuminati

"Not everything is a conspiracy, but let's face it: those who strive for power are also those most likely to abuse it. The correct use of power requires integrity and wisdom, virtues human nature doesn't come with by default; they are acquired virtues and thus quite rare.

It follows that due to this rarity, of those who gain power the majority will lack the integrity and wisdom to use it correctly. And so conspiracies arise, for conspiracies are nothing more than underhanded schemes of self-serving individuals bent on gaining and maintaining power." - [Montalk.net](#)

The question of how and why the United Nations is the crux of the great conspiracy to destroy the sovereignty of every country and the enslavement of the entire global population within a U.N. one-world dictatorship is a complete and unknown mystery to the vast majority of people in all parts of the world.

"The very word secrecy is repugnant, in a free and open society. For we are, as a people, inherently and historically opposed to secret societies, to secret proceedings and to secret oaths..."

For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence - on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day.

It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed, not published. Its mistakes are buried not headlined.

Its dissenters are silenced, not praised. No expenditure is questioned, no rumor is printed, no secret is revealed."

Although he was from one of the main Illuminati family bloodlines, JFK was in fact trying to undo some of the mess - and to bring an end to the Reserve Banking System. For his efforts he was assassinated on November 22, 1963.

Secret Societies and Occultism

Skull and Bones, Freemasons, Rosicrucians, Ordo Templis Orientis, Hermetic Order of The Golden Dawn, The Knights Templar, The Illuminati, The Bilderberg Group, The Priory of Sion, Opus Dei...

Who are the people in these organisations? Who are the Masons? Is it really a secret organisation? Are they involved in a conspiracy?

Is there a connection between Freemasonry and the Illuminati?

The Order of the Illuminati is often at the center of debates about the impact of secret societies on human history.

Is the Illuminati a myth or does it truly secretly rule the world?

As the number of people asking that question about the Illuminati has grown, facts about the Order have become diluted with misconceptions and disinformation, making objective research on the subject difficult.

Forget the Dan Brown propaganda delivered by way of the Da Vinci Code et al.

"There is... an inner core of intimate associates who unquestionably knew that they were members of a group devoted to a common purpose and an outer circle of a larger number on whom the inner circle acted by personal persuasion, patronage distribution, and social pressure. It is probable that most members of the outer circle were not conscious that they were being used by a secret society."

Here you can listen to an outstanding interview with G. Edward Griffin [www.gedwardgriffin.com] when he spoke at the University of Texas on April 29th 2008. Here he describes in very simple terms and with evidence, key aspects of how the globalist agenda has been played out.

G. Edward Griffin is also one of the key contributors to the DVD set, **The Fall of America and the Western World** which I have purchased and can thoroughly recommend. It provides a comprehensive yet easy to understand overview of what is happening in our world - especially from the monetary / finance perspective which affects us all. It also provides solutions that we can all implement to protect ourselves from financial disaster.

Freemasonry: Truth & History

Who are the Masons? Is it a secret organization? Are they in a conspiracy?

Are they a religious organization? Are they controlled by Lucifer?

Why do they keep secrets? Is it a cult? Freemasonry has been accused of being associated with conspiracies, paganism, false religion, and murder.

The Masonic Organization has been persecuted by various groups for hundreds of years. What is the connection between Masonry and the Knights Templars?

Is there a connection between Freemasonry and the Illuminati?

What do Freemasons really teach? What do Masons do in the Lodge?

From around 1400 the "Operative" stone-working masons worked all over Europe building cathedrals, palaces, bridges and public works. Neither noble nor serf, they were itinerant - truly "free" [stone] masons in literal terms. (Around 1600 the 'Accepted' masonry title emerged; a designation for those men who were not necessarily of the traditional stone-cutting ilk).

Wherever they gathered to work the "free" masons established 'lodges' which could be located as required; either temporarily at an inn, a private home - or in a purpose-built lodge that was built on land bought specifically for the purpose of a establishing a permanent lodge.

These lodges served as both accommodation and meeting places; a headquarters for Master Masons (post - apprenticeship), who were recognised as architects rather than stone cutters. These lodges also served as a sort of trade union base or 'Better Business Bureau'.

In an age that was both lawless and illiterate, the easiest way to distinguish between a Master Mason and an imposter was by way of secret grips (handshakes) and passwords.

There are many well known and influential historical figures who have been Freemasons. While the lower levels of Freemasonry may seem to be fairly benign, it is not until initiates reach the upper levels (which relatively few do) are the real aims of the masonic order revealed.

There are numerous sources of information on Freemasonry online, ranging from pro-masonic disinformation all the way to the truth, covering some fairly whacky ground on the way.

FormerMasons.org is a resource by ex-masons which contains some interesting information.

Morals and Dogma By Albert Pike is a masonic text which you can read for yourself online.

The basic degrees of Freemasonry are shown below, followed by the degrees of Scottish Rite (left) and York Rite (right). The degrees of the third prominent branch of French Rite are not shown here. There are many other extraneous degrees that may also be pursued, which are off-shoots rather than a path in their own right.

Although several groups called themselves “Illuminati” in the past, the most influential and memorable of them was the Bavarian Illuminati. Founded on May 1, 1776, the organization created by Adam Weishaupt blurred the line between “spiritual” and “political” Secret Societies. By mixing the occult sciences of Freemasonry and Rosicrucianism while conspiring to achieve precise political goals, the Illuminati became an actor on the world stage. While most Secret Societies of the time catered to rich people and their fascination with occultism, the Bavarian Illuminati actively sought to profoundly change the world.

"Did Zanonì belong to this mystical Fraternity, who, in an earlier age, boasted of secrets of which the Philosopher's Stone was but the least; who considered themselves the heirs of all that the Chaldeans, the Magi, the Gymnosophists, and the Platonists had taught; and who differed from all the darker Sons of Magic in the virtue of their lives, the purity of their doctrines, and their insisting, as the foundation of all wisdom, on the subjugation of the sense, and the intensity of Religious Faith?"
- Sir Edward Bulwer Lytton, 1884 1

These quotes describe different realms of influence of Secret Societies. The first one refers to the spiritual side while the second describes the political side. Not all Secret Societies dwell in the spiritual and not all of them get involved in political machinations. The Bavarian Illuminati operated in both realms.

All secret societies share certain fundamental themes. Membership is restricted to those who have an abiding interest in the subject. Thus, a spiritual group will attract people seeking more knowledge of a particular teacher or type of practice. The student is aware of the subject matter in advance and will approach the group for further instruction. More rarely, an individual may be "tapped" by the group because of a perceived affinity to its purpose.

The Illuminati are perceived by many as spanning the chasm between the spiritual and the political secret society. Often credited (or blamed) for influencing the French Revolution in 1787, the Illuminati taught a doctrine of social and political liberation that hinged on the equality of man, the embrace of rationalism, and the denial of crown and church as the legitimate institutions for the regulation of social and moral values. (...) While the views of the Illuminati may

sound quite advanced for the time, the European revolutions they are believed to have encouraged degenerated into brutal bloodbaths whose singular lack of moral compass was appalling.” 2

While some believe that Adam Weishaupt was the sole mastermind of the Illuminati and that his organization rose to glory and died in less than twelve years, most researchers initiated in occultism believe that the Bavarian Illuminati was the rare appearance of an ancient Brotherhood that could be traced back to the Knight Templars of the Middle-Ages.

Manly P. Hall, a 33rd Degree Freemason and prolific author, described in his pamphlet “Masonic Orders of Fraternity” an “Invisible Empire” that has been silently working for centuries towards social change. It periodically became visible throughout History, through different organizations who bore different names. According to him, these groups have a great yet silent impact on society, even transforming the educational system to form future generations.

“The direct descent of the essential program of the Esoteric Schools was entrusted to groups already well-conditioned for the work. The guilds, trade unions, and similar protective and benevolent Societies had been internally strengthened by the introduction of a new learning. The advancement of the plan required the enlargement of the boundaries of the philosophic overstate.

A World Fraternity was needed, sustained by a deep and broad program of education according to the “method”. Such a Fraternity could not immediately include all men, but it could unite the activities of certain kinds of men, regardless of their racial or religious beliefs or the nations in which they dwelt. These were the men of “towardness”, those sons of tomorrow, whose symbol was a blazing sun rising over the mountains of the east. (...)

It was inevitable that the Orders of Fraternity should sponsor world education. (...) The program included a systematic expansion of existing institutions and the enlargement of their spheres of influence.

Slowly, the Orders of Universal Reformation faded from public attention, and in their places appeared the Orders of World Brotherhood. Everything possible was done to prevent the transitions from being obvious. Even history was falsified to make certain sequences of activity unrecognizable. The shift of emphasis never gave the impression of abruptness, and the motion appeared as a dawning of social consciousness. The most obvious clues to the secret activity have been the prevailing silence about the origin and the impossibility of filling the lacunae in the records of seventeenth- and eighteenth- century fraternal Orders. (...)

The Orders of Fraternity were attached by slender and almost invisible threads to the parent project. Like earlier Schools of the Mysteries, these Fraternities were not in themselves actual embodiments of the esoteric associations, but rather instruments to advance certain objectives of the divine plan. 3”

Here, Hall mentions a “silence” and lack of information regarding the workings of Secret Societies during the 17th and 18th century, the epoch during which the Bavarian Illuminati was active. It is during this time period that Secret Societies took action, causing revolutions, overthrowing Monarchical and Papal powers and taking hold of the banking system. Was the Bavarian Illuminati part of the Invisible Empire described by Hall? Is it still active today? Let's first look at Adam Weishaupt and his infamous Secret Society.

Adam Weishaupt, Trained by the Jesuits

“Adam Weishaupt was born in Ingolstadt, Bavaria on February 6, 1748. His father died when he was seven and his godfather, Baron Ickstatt, entrusted his early education to the most powerful group of the time: the Jesuits. Known for its subversive methods and conspiratorial tendencies, the Society of Jesus had a stronghold on Bavaria's politics and educational system.

“The degree of power to which the representatives of the Society of Jesus had been able to attain in Bavaria was all but absolute. Members of the order were the confessors and preceptors of the electors; hence they had a direct influence upon the policies of government. The censorship of religion had fallen into their eager hands, to the extent that some of the parishes even were compelled to recognize their authority and power. To exterminate all Protestant influence and to render the Catholic establishment complete, they had taken possession of the instruments of public education. It was by Jesuits that the majority of the Bavarian colleges were founded, and by them they were controlled. By them also the secondary schools of the country were conducted. “

The inner-workings of the Society of Jesus was quite similar to the occult Brotherhoods it was apparently working against. It functioned with degrees, initiation rites, elaborate rituals and esoteric symbols and had been suppressed countless times in several countries due to its subversive tendencies.

In 1773, Weishaupt's godfather used his great influence at the University of Ingolstadt to place his godson as chair of canon law. At that time, the institution was under heavy Jesuitical dominance and that particular position was traditionally held by influential Jesuits.

Weishaupt's growing embrace of Age of Enlightenment philosophies placed him at odds with the Jesuits and all kinds of political drama ensued. Despite this fact, Weishaupt learned a lot from the Jesuit's organization and their subversive methods to obtain power. It is during this time that the idea of a Secret Society began to enter Weishaupt's thoughts.

“Brilliant, and well trained in the conspiratorial methods of access to power, young Weishaupt decided to organize a body of conspirators, determined to free the world from the Jesuitical rule of Rome.” 5

While some authors believe that the Jesuits (who were suppressed by papal bull in 1773) used Weishaupt to perpetuate their rule, others state that he was seeking to overthrow their powerful hold on Bavarian. On a wider scale, he was convinced that the world would profit from the overthrow of all governmental and religious institutions in the world to replace them by a world-wide, yet secretive, committee of “initiates”. To achieve his aims, he would use Jesuit methods against the Jesuits.

As Weishaupt pursued his studies, he also became knowledgeable in occult mysteries and Hermetism. He recognized the

attractive power of this mysterious knowledge and understood that Masonic lodges would be the ideal venue to propagate his views. He therefore sought to become a Freemason, but was quickly disenchanted with the idea.

"His imagination having taken heat from his reflections upon the attractive power of the Eleusinian mysteries and the influence exerted by the secret cult of the Pythagoreans, it was first in Weishaupt's thought to seek in the Masonic institutions of the day the opportunity he coveted for the propagation of his views. From this, original intention, however, he was soon diverted, in part because of the difficulty he experienced in commanding sufficient funds to gain admission to a lodge of Masons, in part because his study of such Masonic books as came into his hands persuaded him that the "mysteries" of Freemasonry were too puerile and too readily accessible to the general public to make them worthwhile". 6

Weishaupt soon realized that, to achieve his aims, it would be necessary for him to create his own secretive group, composed of powerful individuals who would embrace his views and help him propagate them.

"He deemed it necessary, therefore, to launch out on independent lines. He would form a model secret organization, comprising "schools of wisdom," concealed from the gaze of the world behind walls of seclusion and mystery, wherein those truths which the folly and egotism of the priests banned from the public chairs of education might be taught with perfect freedom to susceptible youths." 7

The goal of Weishaupt's organization was simple yet monumental: to overthrow all political and religious institutions in order to replace it with a group of Illuminati initiates. According to him "universal happiness complete and rapid could be achieved by disposing of hierarchy, rank and riches. Princes and nations will disappear without violence from the earth; the human race will become one family; the world will be the abode of reasonable men". On May 1, 1776, the Order of the Illuminati was founded.

The Bavarian Illuminati

Weishaupt's Illuminati began humbly with only five members, but after a few years and with powerful connections, the Order became a major political force across the world. Influential deciders, rich industrials, powerful noblemen and mysterious occultists joined the Order and participated in its conspiratorial objectives. Some historians claim that the Order's quick rise to success was due to a secret meeting between Weishaupt and a mysterious figure named Cagliostro, the most powerful occultist of the time.

"In Ingolstadt, Cagliostro is believed to have met Adam Weishaupt, professor of philosophy and canon law at the university, who in 1776, had founded the sect of Illuminati. Calling themselves heirs to the Knights Templar, they declared their interest in using celestial intervention as achieved by Cagliostro for the furtherance of a program of worldwide religious reform, but one more radical than Cagliostro's, "committed to avenging the death of the Templar's Grand Master Molay by reducing to dust the triple crown of the popes and disposing of the last of the Capet Kings."

Cagliostro obliged, and described in prophetic detail the decapitation of Louis XVI, an event hardly to be envisaged at that time as anything but improbable." 8

The Bavarian Illuminati was originally comprised of three primary grades: Novice, Minerval and Illuminated Minerval. Each grade was designed to achieve particular objectives while assuring complete control and dominance to the apex of the pyramid. Here's a brief look at each grade.

Novice

Entry-level members of the Bavarian Illuminati were attracted and introduced to the Order using attractive vocabulary (the quest for wisdom and betterment) and occult lore. They were however introduced to a highly monitored and controlling hierarchy, one that resembles the system of the Jesuits. There was no mention of the Order's political aims.

"Once enrolled, the instruction of each Novice was to be in the hands of his enroller, who kept well hidden from his pupil the identity of the rest of his superiors.

Such statutes of the order as he was permitted to read impressed upon the mind of the Novice that the particular ends sought in his novitiate were to ameliorate and perfect his moral character, expand his principles of humanity and sociability, and solicit his interest in the laudable objects of thwarting the schemes of evil men, assisting oppressed virtue, and helping men of merit to find suitable places in the world.

Having had impressed upon him the necessity of maintaining inviolable secrecy respecting the affairs of the order, the further duties of subordinating his egoistic views and interests and of according respectful and complete obedience to his superiors were next enjoined.

An important part of the responsibility of the Novice consisted in the drawing-up of a detailed report (for the archives of the order), containing complete, information concerning his family and his personal career, covering such remote items as the titles of the books he possessed, the names of his personal enemies and the occasion of their enmity, his own strong and weak points of character, the dominant passions of his parents, the names of their parents and intimates, etc.

Monthly reports were also required, covering the benefits the recruit had received from and the services he had rendered to the order. For the building-up of the order the Novice must undertake his share in the work of recruitment, his personal advancement to the higher grades being conditioned upon the success of such efforts. To those whom he enrolled he became in turn a superior; and thus after a novitiate presumably two years in length, the way was open for his promotion to the next higher grade." 9

When a Novice proved to his superiors to be worthy of advancement, he was initiated to the grade of Minerval.

Minerval

Minerval seals of the Bavarian Illuminati. These pendants, worn around the necks of Minerval initiates, featured the Owl of Minerva. Also known as the Owl of Wisdom, this symbol is still found today in powerful places: around the White House, hidden on the dollar bill or on the insignia of the Bohemian Club.

The term Minerval is derived from Minerva who was the Roman goddess of poetry, medicine, wisdom, commerce, weaving, crafts, magic, and the music. She is often depicted with her sacred creature, an owl, which symbolizes her ties to wisdom. An ancient symbol of the mysteries, Minerva is prominently featured in places such as the Library of Congress and the Great Seal of California.

The second grade of the Illuminati was one of indoctrination. The initiates were lectured on the spiritual principles of the Order but had little information regarding the true aims of Weishaupt and his close circle of administrators.

"The ceremony of initiation through which the Novice passed into the grade Minerval was expected to disabuse the mind of the candidate of any lingering suspicion that the order had as its supreme object the subjugation of the rich and powerful, or the, overthrow of civil and ecclesiastical government. It also pledged the candidate to be useful to humanity; to maintain a silence eternal, a fidelity inviolable, and an obedience implicit with respect to all the superiors and rules of the order; and to sacrifice all personal interests to those of the society." 10

Minervals were permitted to meet some of their superiors (Illuminated Minervals) and to engage in discussions with them. This privilege alone was a great source of motivation for the new initiates.

Illuminated Minerval

Selected from among the Minerval, the Illuminated Minerval were given specific tasks to accomplish in order to prepare them to take action in the "real world". Most of their work consisted in the study of mankind and the perfection of methods to direct it. Each Illuminated Minerval was entrusted with a small group of Minervals who were scrutinized, analyzed and lead towards specific directions. Lower-grade members of the Order therefore became test subjects for techniques that might be applied to the masses in general.

"To the grade Illuminated Minerval were admitted those Minervals who in the judgment of their superiors were worthy of advancement. Elaborate initiatory ceremonies fixed in the candidate's mind the notions that the progressive purification of his life was to be expected as he worked his way upward in the order, and that the mastery of the art of directing men was to be his special pursuit as long as he remained in the new grade."

To accomplish the latter, i.e., to become an expert psychologist and director of men's consciences, he must observe and study constantly the actions, purposes, desires, faults, and virtues of the little group of Minervals who were placed under his personal direction and care. For his guidance in this difficult task a complicated mass of instructions was furnished him.

In addition to their continued presence in the assemblies of the Minervals, the members of this grade came together once a month by themselves, to hear reports concerning their disciples, to discuss methods of accomplishing the best results in their work of direction and to solicit each other's counsel in difficult and embarrassing cases. In these meetings the records of the assemblies of the Minervals were reviewed and rectified and afterwards transmitted to the superior officers of the order." 11

From this basic structure, the Illuminati began its expansion. Everything was in place for Weishaupt to achieve an important goal: the infiltration of Freemasonry.

Infiltration of Freemasonry

In 1777, the year following the creation of the Illuminati, Weishaupt joined the Masonic lodge of Theodore of Good Counsel in Munich. Not only did he successfully propagate his views into the lodge, he also managed to get the lodge to be "virtually absorbed into the Illuminist order almost immediately". 12

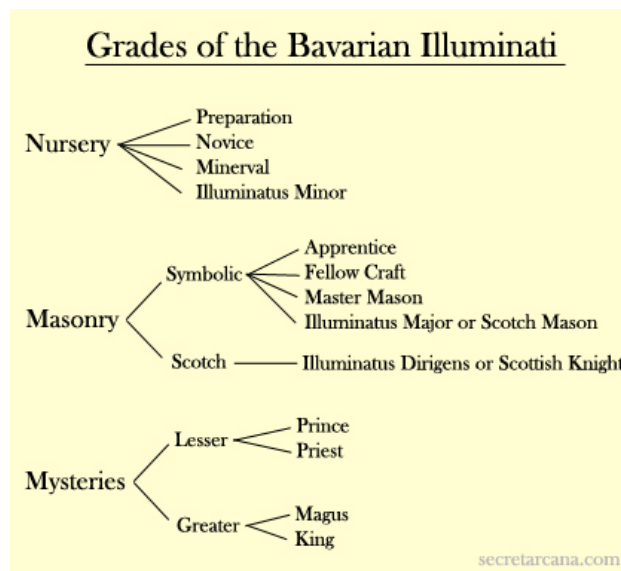

A definite alliance between the Illuminati and Freemasonry became possible in 1780 when a prominent figure by the name of Baron Adolf Franz Friederich Knigge was initiated into Weishaupt's Order. The German diplomat's Masonic connections and organizational skills were promptly put to use by the Order. Knigge would go on to accomplish two important tasks for the Illuminati: He revised the hierarchy of the Order, created new higher grades and allowed the full integration of Masonic lodges into the system.

"Two weighty consequences promptly followed as the result of Kinigge's advent into the order. The long-sought higher grades were worked out, and an alliance between the Illuminati and Freemasonry was effected." 13

Knigge, an influential North German diplomat and occultist joined the Illuminati in 1780. He is here shown displaying the sign of the Hidden Hand (see the article entitled The Hidden Hand that Shaped the World on the Vigilant Citizen).

Knigge's influence upon the Order was profound and immediate. The new system he devised attracted Freemasons and other powerful figures, which gave the movement great momentum. Here's the system devised by Knigge:

Knigge's kept the Order's original grades untouched but added new grades above them. The second level of the Illuminati incorporated the grades of Freemasonry making therefore the Brotherhood simply a part of the wider Illuminist superstructure.

"The grade Novice (a part of the system only in a preparatory sense) was left unchanged by Knigge, save for the addition of a printed communication to be put into the hands of all new recruits, advising them that the Order of the Illuminati stands over against all other forms of contemporary Freemasonry as the one type not degenerate, and as such alone able to restore the craft to its ancient splendor. (...)

The three symbolic grades of the second class seem to have been devised solely for the purpose of supplying an avenue whereby members of the various branches of the great Masonic family could pass to the higher grades of the new order." 14

The highest grades of the Order were restricted to a select few and included powerful individuals and influential figures. The grade of Prince held within its ranks National Inspectors, Provincials, Prefects and Deans of the Priests. At the top of the pyramid were the Magus (also known as Areopagites), which comprised the supreme heads of the Order. Their identities were safely guarded and are still difficult to confirm today.

Knigge's strategy gave impressive results and allowed the Illuminati to become an extremely powerful movement.

"The new method of spreading Illuminism by means of its affiliation with Masonic lodges promptly demonstrated its worth. Largely because of the fine strategy of seeking its recruits among the officers and other influential personages in the lodges of Freemasonry, one after another of the latter in quick succession went over to the new system. New prefectures were established, new provinces organized, and Provincials began to report a steady and copious stream of new recruits. (...) Students, merchants, doctors, pharmacists, lawyers, judges, professors in gymnasia and universities, preceptors, civil officers, pastors, priests — all were generously represented among the new recruits.

Distinguished names soon appeared upon the rosters of the lodges of the new system. Duke Ferdinand of Brunswick, Duke Ernst of Gotha, Duke Karl August of Saxe-Weimar, Prince August of Saxe-Gotha, Prince Carl of Hesse, Baron Dalberg, the philosopher Herder, the poet Goethe, the educationist Pestalozzi, were among the number enrolled. By the end of 1784 the leaders boasted of a total enrollment of between two and three thousand members 106. and the establishment of the order upon a solid foundation seemed to be fully assured." 15

Weishaupt, however, did not enjoy his Order's success for long. Suspicions of Illuminati conspiracy against governments and religious arose across Europe. Seeing a credible threat against its power, the Bavarian government launched an edict outlawing all communities, societies and brotherhoods that existed without due authorization of the law. Furthermore, internal disagreements between Weishaupt and the higher ups of his Order lead to disputes and dissension. In the midst of it all, some members went directly to the authorities and testified against the Order, an opportunity that was not missed by the Bavarian government.

"Out of the mouths of its friends, the accusations which its enemies made against the order were to be substantiated. By the admissions of its leaders, the system of the Illuminati had the appearance of an organization devoted to the overthrow of religion and the state, a band of poisoners and forgers, an association of men of disgusting morals and depraved tastes." 16

By 1788, through the use of aggressive legislation and criminal charges, the Bavarian Illuminati was apparently dissipated and destroyed by the government. While some see here the conclusion of the story of the Illuminati, one must not forget that the tentacles of Illuminism had the time to spread way beyond to confines of Bavaria to reach Masonic lodges across Europe. In other words, the Illuminati was never destroyed, it simply went underground. A year later, an important event would prove that Illuminism was more alive and potent then ever: the French Revolution.

The French Revolution

The violent overthrow of the French Monarchy in 1789 symbolizes to many the victory of Jacobinism and Illuminism over the traditional institutions of the time. The adoption of the Declaration of Human Rights officially recorded Masonic and Illuminist values into the core of the French government. The country's new motto "Liberté, Égalité et Fraternité" (Freedom, Equality and Brotherhood) was said to be a famous Masonic saying that was used in French lodges for centuries.

The official document of the Declaration of Human Rights contains several occult symbols referring to Secret Societies. First, the symbol of the All Seeing Eye within a triangle, surrounded by the light of the blazing star Sirius, is found above everything

else (this symbol is also found on the Great Seal of the United States). Underneath the title is depicted an Ouroboros (a serpent eating its own tail), an esoteric symbol associated with Alchemy, Gnosticism and Hermetism, the core teachings of Masonry. Right underneath the Ouroboros is a red phrygian cap, a symbol representing Illuminist revolutions across the world. The entire Declaration is guarded by Masonic pillars.

Backlash Against Illuminism

If though Bavarian Illuminati was said to be dead, the ideas it promoted still became a reality. The Freemasons and Rosicrucians were still thriving, and the Illuminati appeared to be living through them. Europe was undergoing profound turmoil as a new class of people took the helms of power. Critics began to emerge, revealing to the masses the secret forces behind the changes they were witnessing.

Leopold Hoffman, a Freemason who was convinced that the Illuminati corrupted his Brotherhood, published a series of articles in his journal entitled *Wiener Zeitschrift*. He claimed that the lower grades of the Illuminati had been dissolved, but the highest degrees were still active. He also added that Freemasonry was being "subjugated by Illuminism" and transformed to serve its ends. He also stated that the French Revolution was the result of years of Illuminist propaganda.

In 1797, John Robinson, a Scottish physician, mathematician and inventor (he invented the siren) published a book entitled "Proofs of a Conspiracy against All the Religions and Governments of Europe, carried on in the Secret Meetings of the Free Masons, Illuminati, and Reading Societies". This devout Freemason became disenchanted when he realized that his brotherhood had been infiltrated by the Illuminati. Here's an excerpt of his book:

"I have found that the covert of a Mason Lodge had been employed in every country for venting and propagating sentiments in religion and politics, that could not have circulated in public without exposing the author to great danger. I found, that this impunity had gradually encouraged men of licentious principles to become more bold, and to teach doctrines subversive of all our notions of morality—of all our confidence in the moral government of the universe—of all our hopes of improvement in a future state of existence—and of all satisfaction and contentment with our present life, so long as we live in a state of civil subordination.

I have been able to trace these attempts, made, through a course of fifty years, under the specious pretext of enlightening the world by the torch of philosophy, and of dispelling the clouds of civil and religious superstition which keep the nations of Europe in darkness and slavery.

I have observed these doctrines gradually diffusing and mixing with all the different systems of Free Masonry; till, at last, AN ASSOCIATION HAS BEEN FORMED for the express purpose of ROOTING OUT ALL THE RELIGIOUS ESTABLISHMENTS, AND OVERTURNING ALL THE EXISTING GOVERNMENTS OF EUROPE.

I have seen this Association exerting itself zealously and systematically, till it has become almost irresistible: And I have seen that the most active leaders in the French Revolution were members of this Association, and conducted their first movements according to its principles, and by means of its instructions and assistance, formally requested and obtained: And, lastly, I have seen that this Association still exists, still works in secret, and that not only several appearances among ourselves show that its emissaries are endeavouring to propagate their detestable doctrines, but that the Association has Lodges in Britain corresponding with the mother Lodge at Munich ever since 1784. . .

The Association of which I have been- speaking is the order of ILLUMINATI, founded, in 1775 [sic], by Dr. Adam Weishaupt, professor of Canon-law in the University of Ingolstadt, and abolished in 1786 by the Elector of Bavaria, but revived immediately after, under another name, and in a different form, all over Germany. It was again detected, and seemingly broken up; but it had by this time taken so deep root that it still subsists without being detected, and has spread into all the countries of Europe" 17

Augustin Barrel, a French Jesuit priest also published in 1797 a book linking the French Revolution to the Bavarian Illuminati. In "Mémoires pour servir à l'histoire du Jacobinisme", he traced back the slogan "Liberty and Equality" back to the early Templars and claimed that, in the higher degrees of the order, liberty and equality is explained not only by "war against kings and thrones" but by "war against Christ and his altars". He also provided details pertaining to the Illuminist take-over of Freemasonry.

"Barruel charged that not only the lower order of Masonry were duped by Weishaupt, but also those of Weishaupt's own Illuminati, for whom he had provided another top-secret level of direction known as the Aeopagus, a withdrawn circle of directors of the whole order, who alone knew its secret aims.

To Barruel, such revolutionary leaders as La Rochefoucauld, Lafayette, and the duc d'Orléans, had become Illuminati agents and dupes of more extreme radicals such as Danton, provocateurs who sparked the Illuminati-directed rebellion. Barruel further charged that the entire French Masonic establishment had been converted to Weishaupt's revolutionary ideas, its lodges turned into secret committees which planned bloodshed." 18

Propagation in America

Most of America's Founding Fathers were part of Secret Societies, whether the Freemasons, the Rosicrucians or others. Some of them travelled to Europe and were well versed in the doctrines of the Illuminati.

From 1776 to 1785 – when the Bavarian Illuminati was openly active – Benjamin Franklin was in Paris serving as the ambassador of the United States to France. During his stay, he became Grand Master of the lodge Les Neufs Soeurs which was attached with the Grand Orient of France. This Masonic organization was said to have become the French headquarters of the Bavarian Illuminati. It was particularly influential in organizing of the French support for the American Revolution and was later part of the process towards the French Revolution.

In 1799, when German minister G.W. Snyder warned George Washington of the Illuminati plan "to overthrow all governments and religion", Washington replied that he had heard "much of the nefarious and dangerous plan and doctrines of the Illuminati". He however concluded his letter by stating: "I believe notwithstanding, that none of the Lodges in this country are contaminated with the principles ascribed to the society of Illuminati".

In another letter to Snyder, written a month later, Washington continued on the topic:

"It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the

United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of separation).

That Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be questioned."

It was not my intention to doubt that the doctrines of the Illuminati and principles of Jacobinism had not spread in the United States. — On the contrary, no one is more fully satisfied of this fact than I am.

Part of the original letter written by George Washington regarding the Illuminati

Judging by this letter, George Washington was obviously well aware of the doctrines of the Illuminati And even if he did not believe that the Masonic institutions of the United States propagated its doctrines, he concedes that individuals might have undertaken that endeavour.

After the Bavarian Illuminati

Today, the term Illuminati is used to loosely describe the small group of powerful individuals who are working towards the creation of a World Government, with the issue of a single world currency and a single world religion. Although it is difficult to determine if this group descends directly from the original Bavarian Illuminati or that it even uses the term Illuminati, its tenets and methods are in perfect continuation of it. As stated above, the name that is used to describe the occult elite can change. And, ultimately, the name is irrelevant; what needs to be recognized is the underlying current that has existed for centuries.

According to the Manly. P Hall, the Bavarian Illuminati was part of what he calls the "Universal Brotherhood", an invisible Order at the "source" of most Hermetic Secret Societies of the past. It has worked for centuries towards the transformation of mankind, guiding it through a worldwide alchemical process.

The same way the alchemical Great Work seeks to turn crude metals into gold, it claims to work towards a similar metamorphosis of the world. According to Hall, the Universal Brotherhood sometimes makes itself visible, but under the guise of different names and symbols. This would mean that the Knights Templars, Freemasons, Rosicrucians, and Illuminati are temporary visible manifestations of an underlying force that is infinitely more profound and more powerful.

However, human beings being what they are – weak toward greed and power-lust – these movements often become corrupted and end up conspiring against the masses for more power and material gain.

"Certainly there was an undercurrent of things esoteric, in the most mystical sense of the word, beneath the surface of Illuminism. In this respect, the Order followed exactly in the footsteps of the Knights Templars.

The Templars returned to Europe after the Crusades, bringing with them a number of choice fragments of Oriental occult lore, some of which they had gathered from the Druses of Lebanon, and some from the disciples of Hasan Ibn-al-Sabbah, the old wizard of Mount Alamut.

If there was a deep mystical current flowing beneath the surface of Illuminism, it is certain that Weishaupt was not the Castalian Spring. Perhaps the lilies of the Illuminati and the roses of the Rosicrucians were, by a miracle of Nature, flowing from the same stem.

The old symbolism would suggest this, and it is not always wise to ignore ancient landmarks. There is only one explanation that meets the obvious and natural requirements of the known facts. The Illuminati were part of an esoteric tradition which had descended from remote antiquity and had revealed itself for a short time among the Humanists of Ingolstadt. One of the blossoms of the "sky plant" was there, but the roots were afar in better ground". 19

Hall concludes that the Illuminati existed long before the advent of Weishaupt's Order and that it still exists today. It was under the guise of defeat and destruction that the Illuminati realized its greatest victories.

"Weishaupt emerged as a faithful servant of a higher cause. Behind him moved the intricate machinery of the Secret School. As usual, they did not trust their full weight to any perishable institution. The physical history of the Bavarian Illuminati extended over a period of only twelve years. It is difficult to understand, therefore, the profound stir which this movement caused in the political life of Europe. We are forced to the realization that this Bavarian group was only one fragment of a large and composite design.

All efforts to discover the members of the higher grades of the Illuminist Order have been unsuccessful. It has been customary, therefore, to assume that these higher grades did not exist except in the minds of Weishaupt and von Knigge. Is it not equally possible that a powerful group of men, resolved to remain entirely unknown, moved behind Weishaupt and pushed him forward as a screen for its own activities?

The ideals of Illuminism, as they are found in the pagan Mysteries of antiquity, were old when Weishaupt was born, and it is unlikely that these long-cherished convictions perished with his Bavarian experiment. The work that was unfinished in 1785 remains unfinished in 1950. Esoteric Orders will not become extinct until the purpose which brought them into being has been fulfilled. Organizations may perish, but the Great School is indestructible". 20

The Great Seal of the United States features the unfinished Great Pyramid of Giza, a symbol of the unfinished work of the Esoteric Orders: a New World Order. The Seal was adopted on the American dollar by Franklin Delano Roosevelt, a 32nd Degree Freemason and a Knight of Pythias with ties to Manly P. Hall.

The Illuminati Today

If the Illuminist Agenda is still alive today, what form does it take? From the esoteric and spiritual point of view, some modern Secret Societies such as the O.T.O. (Ordo Templi Orientis) have claimed to be the heirs of Illuminism. Other researchers stated that there exists hidden Orders above the 33 "visible" degrees of Freemasonry that form the Illuminati. As they are, by definition, secret, obtaining details about these Orders is quite difficult.

The political side of modern Illuminism is a lot more visible and its plans are obvious. An increasingly restrictive and concentrated group is being entrusted with the creation of important decisions and policies. International committees and organizations, acting above elected officials are today creating social and economic policies that are applied on a global level.

This phenomenon is rather new in world history as a rather than kingdoms or nation-states, a non-elected shadow government, composed of the world's elite, is gradually becoming the center of world power.

"On another political plane are ideological groups such as the Council on Foreign Relations, or participants in the World Economic Forum. Here we find leaders in politics, business, finance, education, and the media who share a belief in the value of global solutions; are in position of high authority and influence; and represent different levels of involvement with the inner circle of the group.

Most members simply welcome the opportunity to associate with other well-known luminaries and are honored by being offered membership or attendance privileges. Yet, the ideology at the highest levels of such groups supports a world government – to be administered by a class of experts and planners, entrusted with running centrally organized social and political institutions.

Although members may be persuaded to add their considerable voices to certain transnational political and economic policies, they may not be as supportive (or even aware) of the long-range ambitions of the inner circle. While these groups quite often hold their meetings in secret, their membership lists are a matter of public record. It is the central agenda that is disguised." 21

The main elite groups and councils are: the International Crisis Group, the Council on Foreign Relations, the World Economic Forum, the Brookings Institution, Chatham House, the Trilateral Commission and the Bilderberg Group. The Bohemian Club is known to hold informal gatherings of the world elite punctuated with strange ceremonies and rituals. The Club's insignia is an Owl similar to the one found on the Bavarian Illuminati's Minerval seal.

Insignia of the Bohemian Club

Also see: [Exposing The "Secret Owl Society" Soaring Through History](#)

If one would carefully study the members and attendees of these exclusive clubs, one would notice that they combine the most powerful politicians, CEOs and intellectuals of the time with lesser known individuals with famous names.

They are descendants of powerful dynasties that rose to power by taking over vital aspects of modern economies, such as the banking system, the oil industry or mass media. They have been associated with game changing events, such as the creation of the Federal Reserve in 1913.

This act completely modified the banking system of the United States, placing it in the hands of a few elite corporations. A proof of this is the court decision of 1982 stating that "The Reserve Banks are not federal instrumentalities for purposes of the FTCA [the Federal Tort Claims Act], but are independent, privately owned and locally controlled corporations".

In his book "Bloodlines of the Illuminati", controversial author Fritz Springmeier claims that today's Illuminati is formed from the descendants of thirteen powerful families whose ancestors had close or distant ties to the original Bavarian Illuminati.

According to Springmeier, the 13 bloodlines are: the Astors, the Bundys, the Collins, the DuPonts, the Freemans, the Kennedys, the Li, the Onassis, the Reynolds, the Rockefeller, the Rothschilds, the Russells and the Van Duyns. 22.

There is no doubt that by virtue of the material and political resources they own, some of these families have a great deal of power in today's world. They appear to form the core of what we call today the Illuminati. However, are they conspiring to create a New World Order? Here's a quote from David Rockefeller's memoirs that might answer some questions:

"For more than a century, ideological extremists at either end of the political spectrum have seized upon well-publicized incidents such as my encounter with Castro to attack the Rockefeller family for the inordinate influence they claim we wield over American political and economic institutions.

Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure – one world, if you will. If that is the charge, I stand guilty, and I am proud of it." 23

In Conclusion

The story of the Illuminati has been repressed or revealed, debunked or exposed, ridiculed or exaggerated countless times – all depending on the point of the authors and whether they are "apologists" or "critics". To obtain the absolute truth about a group that was always meant to be secret is quite a challenge and one must use a great deal of judgment and discernment to differentiate the facts from the fabrications. As it is not possible to answer all of the questions relating to the Illuminati, this article simply attempted to draw a more precise picture of the Order and to present important facts relating to it.

Today's political atmosphere is quite different from the time of Weishaupt and the American Founding Fathers, yet there are still many similarities. While the Bavarian Illuminists purportedly denounced the political and religious oppression of the Vatican, a new kind of oppression is taking form.

As democracies merge into a single world government, as privacy and freedoms become replaced by "security" and high tech surveillance, as schools crack down on critical thinking, as mass media dumbs-down and disinform the masses, as secret operations carry out crimes against humanity and as all major protests get violently repressed by a growing police state, it is easy to draw the conclusion that a similarly repressive system is currently being instated.

Did the Illuminati truly "liberate" the Western World from the oppression of the Vatican or did it simply continue in its footsteps?

"The minority, the ruling class at present, has the schools and press, usually the Church as well, under its thumb. This enables it to organize and sway the emotions of the masses, and make its tool of them."
- Albert Einstein

The Actual Structure And Bloodline Families Comprising The Leadership Of The Illuminati

May 1 2015 | From: [DivineCosmos](#) / Various Sources

David Wilcock states that recent information that has come to him by way of high level cabal insiders clarifies the details regarding the upper echelons of the leadership of the Illuminati.

Related: [Notes from David Wilcock's Presentation](#)

Wilcock's information is said to provide corrected details and relates that there have recently been, as many have always predicted, internal betrayals and defections as the Illuminati internal structure and grip of control over the world continues to fall apart from the inside out, at virtually every level.

In a recent three hour presentation, Wilcock covered the following points regarding corrections to the details of the leadership structure of the Illuminati.

This matter does have an off-world element to it, but the astute reader will be aware that in the truthful yet hidden history of our world, if you go back far enough - everything has an off-world element / origin.

The 'Old Ones' or 'Parents'

These 'people' of which there are 20 in number are ancient extra-terrestrial humans that solidified a deal with the Draco (the very tall Reptilians that are the leaders of the 8-12 foot Reptoids which control the 'Greys') which involved the utilisation of extremely advanced technology; that has allowed these 20 individuals to live on this planet for the past 13,000 years.

These 'Old Ones' are above the 13 Illuminati Bloodline families in terms of 'rank'.

These beings can, if they wish, go into stasis for hundreds of years at a time - and this requires the use of what is essentially a sarcophagus. They also need to feed on people - and these two points probably contribute to the vampire legends.

These beings can be killed but this requires the separation of the brain from the spinal column, i.e. beheading.

This was disclosed in the 'Highlander' movies - and this type of disclosure is absolutely necessary because their magic requires that they disclose what they are doing in order for it to work. Their black magic requires our consent.

These 20 'Parents' are the unofficial leaders of the Illuminati, and the leadership structure is said to be as follows:

- ▷ 1. The 'Old Ones' or 'Parents'
- ▷ 2. The Trustees (said to be similar in number to the Old Ones)
- ▷ 3. The Operatives (this is apparently a larger group)
- ▷ 4. The 13 Illuminati Bloodline Families (the 'Fathers' or "Houses")

There are lists of the top 13 families that have been put out on the internet that are wrong, although some sources have got it right.

The 'Pindar' is the head of the cabal, that is, the person at the top of the 13 bloodlines. The Pindar is the 'Pinnacle of the Draco', the number one representative on Earth of the Draco.

The current Pindar is the Rothschild (Bauer) family, which presumably makes Nathaniel Rothschild of the English branch, Pindar.

1: Rothschild (Germany / Khazaria)

The correct list of the top 12 families below Rothschild are follows (alphabetically ordered):

Bruce (Scotland)	Plantagenet (France)
Cavendish / Kennedy - JFK betrayed the Illuminati along with a number of his family members; hence the death toll.	Rockefeller (US - A female derived branch of the Rothschilds)
de Medici (Venetian Black Nobility)	Romanov (Russia)
Hanover (Germany)	St. Clair / Sinclair (France)
Hapsburg (Germany)	Warburg / del Banco (Germany / Italy)
Krupps (Germany - Krupps industries built the Nazi death camp ovens)	Windsor / (Saxe-Coburg-Goth) (Germany / England)

Under the top 13 families are other key families that were originally part of what was termed (the original) 'Committee of 300':

Agnelli	Kuhn
Balliol	Lindsay
Beale	Loeb
Bell	Mellon
Bouvier	Montgomerie / Montgomery
Bush	Morgan
Cameron	Norman
Campbell	Oppenheimer
Carnegie	Rhodes
Carrington	Roosevelt
Coolidge	Russell
Delano	Savoy
Douglas	Schiff
Ford	Seton
Gardner	Spencer
Graham	Stewart
Hamilton	Taft
Harriman	Wilson
Heinz	

Note: Although it is not clear at this point exactly where the [Venetian Black Nobility](#) families fit into this structure, their key families are: Orsini, Aldobrandini, Breakspear, Somaglia and Farnese.

There are reportedly many, many other families that have been noted, which include:

Allen, Astor, Bronfman, Bundy, Cabot, Cadbury, Chandler, Collins, Disney, Dorrance, Drexel, Duke, Du Pont, Freeman, Gates, Grace, Guggenheim, Harkness, Kleinwort, Li, McDonald, Meyer, Milner, Onassis, Peabody, Perkins, Phillips, Pyne, Reynolds, Rutherford, Schroeder, Stillman, Sutherland, Todd, Van Duyn, Vanderbilt, Wheeler, Whitney, and Winthrop.

It is important to remember that just because a person may have one of the surnames listed above that they, **by default, are not necessarily a member of the cabal.**

Even within the active cabal members there are those who do not want to be a part of what they were born into. They have to continue for fear of losing their lives and some are doing whatever they can to subvert the 'Work of the Ages' in order to prevent the NWO from prevailing.

Wilcock's information also states that up to one third of the top 300 original families have defected and that the remainder are now terming themselves the Committee of 200.

The Knights Templar

1.0 Introduction

The Order of the Knights Templars has its roots in the crusades. The Knights Templar have been associated with all sorts of incredible activities including: having the Ark of the Covenant, the Holy Grail, a secret fleet that sailed the oceans, and an awe-inspiring self-confidence and courage that made their enemies shudder in fear.

"The Knights Templar were a Catholic military order created towards the beginning of the twelfth century, and towards the end of Europe's "Dark Ages"

1.1 Overview

There is much information (and dis-information - as usual) available on the internet regarding the Knights Templar. This article has been compiled from a number of sources and it's intent is to provide an overview, along with a few key connectors to other secret societies; both concurrent with their time and toward the evolution and future direction of the respective orders.

For the vast majority, when a 'secret order' was said to be wiped out or to have vanished, that simply means that the fraternity in question either went directly underground or further evolved or merged into / with another entity.

And who would have thought the Knights Templar would be all tied up with Jack the Ripper and Ambulances?

1.2 The Order

This order was originally founded to fight for Christianity, but over time - as the Templars acquired immense power, adopted heretical teachings, and established a capitalist system based on material gain, their order fell afoul of the Church.

Despite their fearsome, battle - hardened reputation, the Knights Templar were learned men, dedicated to protecting travelers and pilgrims of all religions, not just Christians. They were great statesmen, politically adept, economic traders, and they were apparently allied with the great sailor - fraternity that had created a worldwide trading empire in Phoenician times.

Despite also, a great deal of negative propaganda against the Templars at the time of their suppression, they are still known today as the preservers of knowledge and sacred objects.

While the origins of the Knights Templar are said to go back to the building of King Solomon's Temple by Phoenician masons from Tyre, or even the Great Pyramid and Atlantis, we trace their modern history from the Crusades period of the Middle Ages.

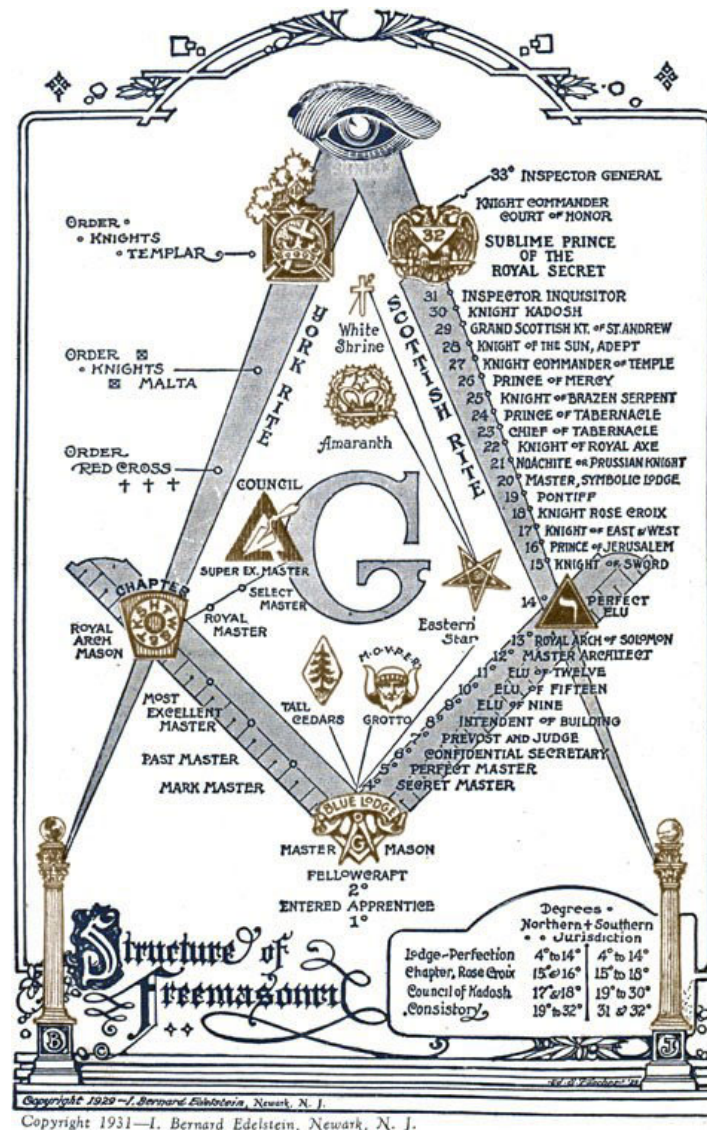

Rumors circulating about the Templars led to years of investigations, revealing that the order was blasphemous and that it performed black magic rituals, similar to today's satanic sects.

The order was subsequently declared unlawful.

The Knights' liquidation and arrest arose from a joint decision by the French King and the Pope.

Some historians regard the Templars' trial and subsequent liquidation as one of the most significant social events of the Middle Ages.

Ironically, the truly interesting part of the Knights Templar's Saga began only after the order was liquidated.

Masons reaching the highest degree, that of Grand Master, also receive the title of Knights Templar. The above illustration shows the degrees of Masonry, where the highest degree is equivalent to the "Order of Knights Templar." Also note the Order of the Rose Croix (Rosy Cross - Rosicrucians), Order of the Red Cross, and the Order of the Knights of Malta

In the United States, some lodges that convene under the name of the Knights Templar are affiliated with Masonry.

Masonry, on the other hand, continues the Templars' foremost tradition of opposing religion, as well as being actively avaricious, now and again relying on extra-legal methods similar to the Mafia's.

Compelling examples-including the P2 Masonic lodge and murders of Jack the Ripper - are referred to later. We will also investigate the Templar / Masons' Syndication's impact on Turkey's recent history.

All this will demonstrate that accepted history facts, and especially current developments, are not always what they appear to be; and that behind processes and events thought to be developing naturally, shadowy designs can be detected.

2.0 History of the Knights Templar

The Knights Templar began when a group of nine "French" knights came to Jerusalem in the year 1118 A.D. These knights petitioned the king of Jerusalem to allow them to live in the ancient Temple of Solomon, then partly a mosque and partly in ruins.

In his book *The Mysteries of Chartres Cathedral* the French architect Louis Charpentier claims that the Knights Templar built Chartres as a repository for ancient wisdom. This repository is equal to Stonehenge, the Temple of Solomon or the Great Pyramid of Egypt. He further claims that special knowledge about the Temple in Jerusalem was gained by the founding group of nine knights who lived at Solomon's Temple starting in 1118 A.D.

According to the generally accepted view, the order went underground, developing a deep animosity for monotheistic religions and the Church in particular and, in the long - term, transmuted into the organization known today as Freemasonry.

The Masons' antireligious philosophy and involvement in revolutions and political movements is a consequence of their Templars ancestry.

In other words, the Knights Templars still survive in the present, under the name of Freemasonry.

Those who reach the highest degrees of Masonry are granted Templar - inspired titles such as "Guardian of the Temple."

The Queen of Sheba before the temple of Solomon in Jerusalem, by Salomon de Bray (1597-1664)

In that year it is historically recorded that nine "French" knights presented themselves to a Christian King Baldwin II of Jerusalem, and explained that they planned to form themselves into a company with a plan for protecting pilgrims from robbers and murderers along the public highways leading to the holy city. King Baldwin II had been a prisoner of the Saracens and knew of their infighting. Factions such as the Assassins were active in Moslem politics.

They also asked to be housed within a wing of the palace, a wing that happened to be adjacent to the Dome of the Rock mosque, which was built on the site of Solomon's Temple.

The king granted their request and the Order of the Knights of Solomon's Temple or Knights Templar was born.

Established in 1118, these soldier monks had their headquarters in the Dome of the Rock in Palestine, which the crusaders believed to be Solomon's Temple. Protection of the road to Jerusalem was their first duty. Two Knights on one horse symbolize their vow of poverty.

Ten years later the nine knights presented themselves to the Pope, who gave his official approval to the Knights Templar. Although only nine mysterious knights existed, a tenth joined them, who was the Count of Champagne, an important French noble.

In fact, none of the "poor" knights was apparently poor, nor were they all French. Several came from important French and Flemish families. Of the ten original knights, four have not been identified, although their names are known. Furthermore, it seems unlikely that the Knights of the Temple of Solomon were formed to protect the pilgrims to Jerusalem because such an order of knights already existed. They were the Knights Hospitallers or Knights of St. John, later to become the Knights of Malta.

It is important not to confuse the Knights Templar with the Knights of Malta, as many readers, and some historians, do. The Knights Templar are quite different from the other crusaders and were sometimes said to fight in combat against each other, even in the "Holy Land."

It is important not to confuse the Knights Templar with the Knights of Malta: The Sovereign Military Order of Malta, also known as the original Sovereign **Military Order of St. John** (note the St. John logo below) of Jerusalem, is a closed fraternity of the Roman Catholic Church. It's initiated members must be Catholic and have served in the military. They participate in secret ceremonies and feudal ritual dress, and embrace a strong class / caste mentality as part of their initiation into Rosicrucian dogma.

The upper grades are fastidiously aristocratic and must be able to display a family coat-of-arms dating back at least 300 years in unbroken succession from father to son. The Sovereign Grand Master of the order is recognized as a head of state, and his authority is ensured by his secular ranking as a Prince, and his ecclesiastical ranking as a Cardinal. Under international law this organization has independent Sovereign status, which assures nationalistic loyalty from its members, above and beyond allegiance to their own country - they also have Permanent Observer status at the United Nations.

The current Grand Master, Andrew Willoughby Bertie, is descended from Mary Stuart (Mary Queen of Scots) which places him firmly in the Sion / Grail historical scenario. The order and its members have been proven to be linked with the "Rat Run", the post - WWII escape route used by high - ranking Nazis and death camp scientists from defeated Germany to the Americas. Sovereign Knight of Malta passports were issued with false identities that allowed escape from prosecution for war crimes.

The Knights Hospitallers, which still exist today as the Knights of Malta, were forced to leave Malta by Napoleon, who stopped at the island on his way to Egypt. Today the Knights of Malta reside in Italy, still have their own "sovereign country" and are said to be a secret society for the Vatican.

Charles Addison, a London Lawyer, who wrote in his 1842 book 'The History of the Knights Templar' mentions in the first few pages how it was commonly believed the Templars were at odds with the Vatican and their military arm, the Knights Hospitallers [Jesuits to be discussed later]. Addison denies the rumors, but admits such rumors existed.

Charpentier likens the original band of Knights Templar to commandos who raided the ancient Temple of Solomon in order to uncover its engineering secrets and possible lost treasure such as the Ark of the Covenant, possibly hidden deep in a strange cavern system beneath the temple.

With the help of the brilliant French Abbot Bernard de Clairvaux, the nine knights, directed by the Count of Champagne, created the Knights Templar. With the money that they accumulated, a cathedral at Chartres was built. Later, other cathedrals were built around Europe and the legends of the "Master Stonemasons" became common.

Incorporated into Chartres Cathedral are beautiful stained-glass windows, many of the colors difficult or impossible to duplicate today. Hidden within the cathedral are various ancient "cubits" of measure, plus such esoteric devices as the famous Chartres Maze and other visual tools such as sacred geometry, for personal transformation - a sort of personal alchemy of the soul. Included in the image was the quest for the Holy Grail.

Incorporated into Chartres Cathedral are beautiful stained-glass windows

When a nobleman would join their ranks, he would surrender his castle and property to the Knights who would use revenues generated from the property to purchase weapons, war-horses, armor and other military supplies.

The ranks of the Knights Templar grew rapidly. Other noblemen and kings who were not members often gave them gifts of money and land.

King Steven of England contributed his valuable English manor of Cressing in Essex.

He also made arrangements for high-ranking members of the Knights to visit nobles of England and Scotland.

Pope Eugenius decreed that the Knights Templar and only the Knights Templar would wear a special red cross with blunt wedge-shaped arms called the cross patee on the left breasts of their white robes,

so that they could be quickly recognized at any time by Christians and by other Templars on the field of battle. The white robes with red crosses became their required dress. The warrior-knights fought bravely in the Middle East, and were highly respected by their Moslem counterparts for their strategy and bravery.

In 1129 the Templar Grand Master, Hugh de Payens, led a company of 300 knights, recruited from the noblest houses of Europe, to accompany a huge train of pilgrims to Jerusalem. During this time the Templars formed part of a contingent which, allied with the Assassins of Persia, tried to take the important city of Damascus.

According to Arkon Daraul in his book A History of Secret Societies, the followers of Hasan Ibn Sabah, leader of the Assassins, were definitely in contact with the Templars and apparently the Assassins were prepared to become "Christians" should their goals be met, which they were not. At one point, a payment of 3000 gold pieces from the Syrian branch of the Assassins was made to the Templar order, apparently as some form of tribute. The exact association between the Templars and the Assassins has remained a mystery.

The Hashashin: The deadly group of Persian assassins who held the leaders of the ancient world in abject terror

The Templars, it must be said on this regard, were not noted for political assassinations, as were the Assassins. Rather, the Templars fell victim to political intrigue and were either publicly executed or assassinated as was Henry Sinclair, Grand Master of the Templars, in 1401, when the Templar Fleet returned from North America.

Many Templars were of Palestinian birth, spoke perfect Arabic, and were familiar with every religious sect, cult, and magical doctrine, including the Assassins. For instance, the Grand Master Philip of Nablus (1167 A.D.) was a Syrian. The Assassins, it might be mentioned, eventually became what is known today as the Ismaili sect of Islam. Their head is the Aga Khan, and their followers reside largely in Pakistan and India, today. The Aga Khan, a hereditary leadership descended from Mohammed, maintains residences in both London and Bombay. The father of today's Aga Khan was married to Hollywood actress Rita Hayworth.

By 1133, King Alfonso of Aragon and Navarre (northern Spain) had fought the invading Moors in 29 battles, and willed his kingdom to the Templars. However, the Templars were prevented from claiming the kingdom because of the Moorish victory over Spain.

Oops. Busted - The Order of St. John; a secret society under deep cover - hidden in plain sight, a classic esoteric 'laughing at the goyim who are too stupid to see' hallmark. Compare the St. John logo with the flag above. [St. John is admittedly run by The Knights of Malta](#). Similarly, Red Cross has it's origins in the esoteric and was influenced by John D Rockefeller. While the [Freemasons](#) are less inclined to admit their stewardship directly. Charities? Throw your money away if you like. It is quite well known nowadays that most of the money given to charity organisations never get's to where it was intended. Those pulling the strings simply play on peoples good nature

Meanwhile, there was a parallel religious order, the Knights of St. John, founded at Amalfi, Italy, in the 11th century. They went to Jerusalem to protect and minister to the Christian pilgrims but soon extended their mission to tending to the sick and poor all over the Holy Land.

As the years went by the Knights of St. John (Knights Hospitallers) became increasingly militant and, generally speaking, fought along-side the more mystical Knights Templar and the Germanic order of the Teutonic Knights of St. Mary.

3.0 From Templars To Freemasonry

Even a quick examination of the Templars' history reveals the major transformations they underwent along the way. They first appear under a Christian façade, but soon enter a darker phase in which un-Christian and perverse philosophies and teachings show through.

This doesn't happen all at once, however, and many events are responsible for the changes that occurred.

These changes first came about during the Templars' sojourn in the Holy Land: During this phase, they became acquainted with the Cabala and learned the mysterious teachings of various other Jewish sects.

The Assassins' mysticism and perverse practices were also incorporated into their system; and the emerging picture reveals that their Christian faith had given way to secret occultist rituals and Black Magic rites. Needless to say, their ideals and mission changed accordingly.

The second cause of their transformation can be explained when we consider that the poor knights of the Templar Order acquired incredible wealth over a relatively short period of time.

Given their hopes of attaining mystical powers over the material world through their newly-acquired dark beliefs and practices, it's no surprise that they began to set their sights on much grander goals.

It's important to keep in mind that at that time, mystic and secretive beliefs played an important, even everyday, role in people's lives. Many were convinced that in order to gain wealth or power, one needed the help of dark powers, which could be compelled through Black Magic.

Using what they considered "scientific" methods, people were investigating ways of contacting and controlling invisible powers - by means of secret codes, magic signs and formulas, and incantations. Poisons were prepared, the elixir of life was sought in experiments, and alchemists tried to create gold out of lesser metals.

The Templars, seeking to rule this world with the help of the invisible one, came to worship Satan and called on him to dominate the powers of darkness.

Many years of investigations by the courts of the King and the Pope documented the Templars' real ideals and proved that they were hiding behind a Christian façade. The order had gathered together the dark world's symbols, traditions and rituals, and founded a system in castles built for that purpose, leading the way for many later secret societies.

4.0 Templars' Confessions in Masonic Sources

After going underground to escape the Inquisition, the Templars infiltrated various other sects and organizations. For their purposes, the masons' lodges were an ideal choice. Very quickly, they infiltrated them, brought them under their own control, adapted and altered them to accommodate the Templars' own philosophy, beliefs, and rituals.

Since they had long been trained in the arts of architecture and masonry and had gained expertise in building castles and Gothic cathedrals, it was easy enough for the Templars to infiltrate and control the professional guilds of masons. Published reference works by Masons refer more often to the symbolic features of their merger with the Templars, than to the darker aspects the Masons inherited from them.

As one Turkish Masonic source writes:

"The Grand Master's abacus [staff of office] is evidence for the connection between the Templars and Freemasons. This staff is a symbol representing Aaron's rod [mentioned in the Bible-a walking stick that sprouted leaves].

Its head is in the form of a temple, and along length of its body is carved measurements. This staff is a symbol of masonry."

In France as well as in Jerusalem, Templars and Freemasons existed side by side and must have influenced each other's esoteric knowledge. An examination of architecture when the Gothic style came to be adopted reveals that the first European churches built deliberately in the new Gothic style began to be constructed after Jerusalem's conquest by the crusaders.

With the Templars' Grand Master being also the Freemasons', it can be observed that the gradual progress from operational Masonry to speculative Masonry had already begun. The Cistercian monks, dealing with construction planning, had also been members of masons' lodges - an example to the clerical or monastic type of mason; In Paris, where all other professions had their own lodges, the masons shared quarters with the Templars, also showing the close relationship between the two organizations.

The Papal decree of 1312 that liquidated the Templars' order also ended the Masons' right of free passage. Fearing even worse reversals, French Masons fled to Germany where, from then on, Gothic architecture became suddenly dominant. There, the Masons' lodges that received Templars escaping from France experienced the same gradual transformation as the British ones had - from operational to speculative Masonry.

5.0 An Inside Account of Jack the Ripper

In researching the Masons' political activities, especially their illegal ones, the infamous "Ripper" murders cannot be overlooked. These serial murders were committed in London in 1888. Over a span of nine weeks, five prostitutes were brutally murdered and their bodies disembowled, sometimes dismembered.

These murders were never actually solved, and the murderer was never caught. Letters "signed" under the name of Jack the Ripper sent to the police force, shortly after these murders were committed, provided the murderer with his nickname. Who the person or people responsible for the murders is or are is still unknown.

Shortly before the time of the murders, the British monarchy was threatened with a great scandal. The eldest son of Queen Victoria, later King Edward VII was the Grand Master of the English Freemasons. Theoretically, his son, Eddy, would have become King if his grandmother and father had died before him, but Eddy had a private life incompatible with palace discipline.

He was secretly visiting his painter friend Walter Sickert and his friends; and at one of these visits he met and began an affair with Annie Crook, a Catholic shop-girl of the lower classes. After some time she gave birth to his child, and they were secretly married. Sickert hired a nanny for Eddy and Annie's baby girl. Mary (or Marie) Kelly and Sickert were the witnesses at their secret wedding.

At the time, Britain was in political turmoil. Had the public learned of Eddy's marriage to a woman like Annie, it could have had far-reaching repercussions, including the abolition of the monarchy. (It was against British law for the monarch to marry a Catholic, not to mention the problems posed by her working-class background.) Such a scandal was a serious threat to anyone with an active interest in the Britain's political and social systems, especially the Freemasons.

When word of all this got to Queen Victoria, she demanded that, Lord Salisbury - her Prime Minister, and a renowned Mason - cover up this affair. Salisbury had Annie admitted to an asylum, where she was to die 32 years later.

Her daughter later became Sickert's mistress and bore him a son. Marie Kelly, the witness at the marriage, became an alcoholic and prostitute and later shared this secret with three of her prostitute friends.

When these women threatened to reveal Eddy's secret, Salisbury decided that this threat had to be ended and enlisted the help of Sir William Gull, physician to the Queen and a high-ranking Freemason; it was he who had declared Annie insane and sent her to the asylum.

Considering his options, Gull concluded that these prostitutes constituted an unacceptable threat to the monarchy and Freemasonry and decided to kill them, one by one, according to Masonic ritual.

This is how the shocking "Ripper" murders came about. Prime Minister Salisbury, the other members of government and the police force provided the cover-up,

Sir William Gull - High ranking Freemason, Physician to the Queen of England and the Masonic 'tidy up loose ends' killer, Jack the Ripper. Note the suggestive Masonic 'thumbs in pockets' pose, signifying dominance and superiority

as was expected of the Masonic brotherhood.

They kept this secret and admired Gull for his great sense of "responsibility." Gull sent his driver Netley to persuade Sickert to help locate and identify the four prostitutes.

They were located, picked up, brutally murdered, and then their bodies mutilated and dismembered as prescribed in Masonic rites and finally disposed of at the chosen sites.

6.0 The Illuminati's Plans for Revolution

Adam Weishaupt, who felt a "pathological hatred" towards religion, founded (or at the very least, formalised it under instruction) the Illuminati society.

► 'After going underground to escape the Inquisition, the Templars infiltrated various other sects and organizations. For their purposes, the masons' lodges were an ideal choice. Very quickly, they infiltrated them, brought them under their own control, adapted and altered them to accommodate the Templars' own philosophy, beliefs, and rituals.'

► 'In France as well as in Jerusalem, Templars and Freemasons existed side by side and must have influenced each other's esoteric knowledge.'

► With the Templars' Grand Master being also the Freemasons', it can be observed that the gradual progress from operational Masonry to speculative Masonry had already begun. The Cistercian monks, dealing with construction planning, had also been members of masons' lodges - an example to the clerical or monastic type of mason; In Paris, where all other professions had their own lodges, the masons shared quarters with the Templars, also showing the close relationship between the two organizations.'

► The Knights Templars' transformation into [Freemasonry](#) also produced a number of byproducts, the [Rosicrucians](#) being one of these. Another is the [Illuminati](#), one of the most talked about associations in the history of occultism.

Founded in Bavaria, in southern Germany, it was also known as the Bavarian Illuminati, and its mission was to bring about a secular Masonic world order by revolutionary means. Its founder was Adam Weishaupt, a professor of law.

Fiercely opposed to monarchies as well as to the Church, Weishaupt listed the society's goals:

- 1. Abolition of monarchies and all ordered governments.
- 2. Abolition of private property and inheritances.
- 3. Abolition of patriotism and nationalism.

- ▶ 4. Abolition of family life and the institution of marriage and the establishment of communal education of children.
- ▶ 5. Abolition of all religion.

The Encyclopedia of the Occult reveals that the Illuminati society, increasingly powerful in Germany, was practicing all Masonic rituals while preserving its own distinct identity. Weishaupt, the "Grand Master," stamped his authority on the hundreds of intellectuals who had joined the society, even though only a very few had access to Weishaupt himself.

In 1780, the German Baron von Knigge, a Grand Master Mason, joined the society and increased the society's influence even further.

Adam Weishaupt, Trained by the Jesuits

"Adam Weishaupt was born in Ingolstadt, Bavaria on February 6, 1748. His father died when he was seven and his godfather, Baron Ickstatt, entrusted his early education to the most powerful group of the time: the Jesuits. Known for its subversive methods and conspiratorial tendencies, the Society of Jesus had a stronghold on Bavaria's politics and educational system.

"The degree of power to which the representatives of the Society of Jesus had been able to attain in Bavaria was all but absolute. Members of the order were the confessors and preceptors of the electors; hence they had a direct influence upon the policies of government. The censorship of religion had fallen into their eager hands, to the extent that some of the parishes even were compelled to recognize their authority and power. To exterminate all Protestant influence and to render the Catholic establishment complete, they had taken possession of the instruments of public education. It was by Jesuits that the majority of the Bavarian colleges were founded, and by them they were controlled. By them also the secondary schools of the country were conducted."

Weishaupt and Knigge began preparations for a revolution aimed at bringing down both Church and Hapsburgs. In 1784, when the Bavarian government received intelligence about the planned revolution, the two Grand Masters quickly dissolved the Illuminati and joined ordinary Masonic lodges.

It is well known that 'The Illuminati' was never more than "seemingly dissolved" for appearances; rather the movement simply went to ground.

Multiple factions still exist today and have usurped most aspects of the world's business, religious and political strongholds.

Profusely, now they continue to bicker and infight by way of deadly faction-driven tantrums, as all the while their stolen stockpile of funding withers. For they are desperate.

They no longer have access to - nor can they steal from, the global collateral accounts.

The Illuminati have no rightfully earned wealth. They are nothing but evil, satanic, deceptively clever, common con-artists and criminals - whose time and game are up.

Their 'great work of the ages' is now failing in real time, doomed by insane, inbred delusion, arrogance and incompetence.

As occultist historians acknowledge, some of the players of the French revolution like François-Noël Babeuf were of Illuminati origin.

The Illuminati was renowned for its uncompromising hostility towards religion. According to historian Michael Howard, Grand Master Weishaupt felt a "pathological hatred" against religion that their planned revolution tried to realize. It never happened, but their "brothers" in France successfully carried out theirs - in the form of the French Revolution.

The Rosicrucians

April 26 2014 | Key Source: [Bibliotecapleyades](#)

The earliest real documentation for the Rosicrucian ideals is from 1597.

It is said that a certain alchemist traveled across Europe seeking to begin a society to carry out his newly discovered alchemical ideals. The Fama Fraternitas and the General Reformation of the World appeared in 1614 as fully fledged documents, so he must have succeeded.

The founder is claimed to be a Christian Rosenkreuz, which is obviously a false name and means the rosy cross of the Christians.

It is claimed that this character traveled across Arabia, studied at Fez in Egypt and returned to Europe with his message - a message that is decidedly ancient. The origin of this enigmatic group is false and was, therefore, created by whoever did begin the order.

What clues do we have?

The rosy cross, the Rosicrucian symbol clearly on display at Rosslyn Chapel, Edinburgh

The coat of arms of Martin Luther, that staunch anti-Catholic, included the rose and the cross.

There are also parallels with Arabic Illuminati schools such as those of Abdelkadir Gilani, who was known as the shining rose. However, when we look at the origins of Masonry and the rituals and beliefs held within, we find they are not dissimilar.

It appears that Rosicrucianism is yet another form of that Catholic-bred Diaspora - just like the Jesuit creation of the Illuminati, drawing on the undercurrents of mysticism to create a seemingly anti-self organization.

The easiest way of winning a football game is to own both sides.

Just like the Freemasons, the Alumbrados (Illuminated Ones), the Illuminati, and dozens of other groups around at the time, the Rosicrucian ways were linked to the influential Sufi mystics, who had influenced the world for such a long time.

The methods required the deepest of concentration upon "the master," so that absolute adherence to the "way" was normal. It was another method of control.

The void left behind by the strictness and rigidity of Catholicism was easily filled by hundreds of such groups - including the emerging Protestants.

Rosslyn Chapel, Edinburgh, Scotland - as featured in the disinformation piece "The Da Vinci Code"

Today the Rosicrucians are a worldwide order with thousands of members - but their influence on the world now is minimal. Although there is a hint in one of their books, which tells us that the influence of the person or soul they call the Ego will keep

returning to constantly make alterations to the way forward for mankind.

In this small piece we are told that it is the same source (Ego) from where all "spiritual illumination" has derived - and I would agree.

The symbol or emblem of the Rosicrucians
"is a Red Rose on a Cross" or 'Rosy Croix'

Many centuries have rolled by since the birth, as Christian Rosenkreuz, of the individual who we know and honour by the name - the Founder of the Most Holy Order of The Rosicrucians.

Though by many outsiders his existence is regarded as a myth, it is nevertheless true that his birth marked the beginning of a new epoch in the spiritual life of the western World.

That particular Ego has also been in continuous incarnation ever since, in one or another of the European countries, taking a new body as his successive vehicles outlived their usefulness, or circumstances rendered it expedient that he change the scene of his activities.

Moreover, he is incarnate today - an initiate of high degree; an active and potent factor in all affairs of the West - although unknown to the world.

As are all such individuals, he is a representative of the Central Conclave of the Elder Brothers of humanity.

His mission was and is to show the spiritual significance of all scientific discoveries, thus counteracting as far as possible the deadening influence of materialistic science, which, for reasons previously given, the Elder Brothers dread more than any other manifestation of human activity.

To this end he laboured with the Alchemists centuries before the advent of modern science. He, through an intermediary, inspired the now-mutilated works of Bacon.

Alchemy is an influential philosophical tradition whose practitioners have, from antiquity, claimed it to be the precursor to profound powers. The defining objectives of alchemy are varied, but historically have typically included one or more of the following goals: the creation of the fabled philosopher's stone; the ability to transform base metals into the noble metals (gold or silver); and development of an elixir of life, which would confer youth and longevity.

Alchemy differs significantly from modern science in its inclusion of Hermetic principles and practices related to mythology, magic, religion, and spirituality. It is recognized as a protoscience that contributed to the development of modern chemistry and medicine. Alchemists developed a structure of basic laboratory techniques, theory, terminology, and experimental method, some of which are still in use today.

Jacob Boehme and others received through him the inspiration which makes their work so spiritually illuminating. In the works of the immortal Goethe and the masterpieces of Wagner the same influence meets us (The Rosicrucian Cosmo-Conception by Max Heindel, 1910).

This particular Ego has been manifesting itself throughout time - and I would agree.

However, I also say that it is the same Shining influence throughout man's history that has been making these moves, stepping in and out of the scene as cerebral evolution has moved mankind forward. These Rosicrucians call this influence the Central Conclave of the Elder Brothers.

The text continues and tells us who can "see" these secrets:

It hides from the profane, but reveals to the Initiate the more clearly how he is to labor day by day to make for himself that choicest of all gems, the Philosopher's Stone - more precious than the Kohinoor; nay, than the sum of all earthly wealth!

Apparently Christ himself wrought this marvelous Stone while incarnate in the body of Jesus....The Reichs-Anzeiger said, in one article:

"Yes, there is a Philosopher's Stone. It is an Elixir of Life. It is all, and much more than has ever been claimed for it. Moreover, most people have had it in their hands often, but know it not!"

How absolutely and unqualifiedly true that is, yet at the same time how thoroughly misleading, none can guess save those who know the secret, but even the eavesdropping traitor who had listened and overheard the words spoken among the brethren, could have profited thereby."

The writer then points out that:

To those who are entitled to the knowledge, many a mystery will reveal itself "between the lines" in this work, suggested but not spoken, for to reveal them, save from the lip to ear to worthy persons and under proper circumstances, would be a grievous breach of faith, not to be contemplated.

The secrets held within the pages of that 1910 book are simple to behold and, upon reading the text, reveals nothing more than the enlightenment experience.

We are even told that in order to become an initiate we cannot simply apply.

We will be watched from the sidelines and our merits in this life counted towards being offered the "golden key to the temple." Of course, in 1910, there was no World Wide Web, and today we find this once-influential secret society now offering courses with credit card payments.

Although they still claim to be teachers of the Mysteries and custodians of the Sacred Teachings of a spiritual power more,

"potent in the life of the Western World than any of the visible Governments; they may not interfere with humanity so as to deprive them of their free will."

Reading "between the lines," this implies that they are an invisible government.

This secret government takes the form of seven Brothers who, Heindel continues, "go out into the World whenever occasion requires; appearing as men among other men or working in their invisible vehicles with or upon others as needed; yet it must be strictly kept in mind that they never influence anyone against their will or contrary to their desires; but only strengthen good wherever found."

Of course a person's "will" is dependent upon what has already influenced him or her, and "good" is relative. Is it really our "will" to run up huge debt while trying to obtain the elusive happiness we are fed by the mass media?

Alchemy was both a technological practice and a spiritual way of approaching and philosophically understanding the world. Of particular use in this understanding were the signs and symbols found throughout nature. They revealed the underlying spiritual connections and transformations of the world.

Fundamental to this approach was the principle of correspondence. For alchemists, analogies and parallels reflected true linkages and causation at the spiritual level.

1.0 Introduction

The Jesuit Order is an almost 500-year old 'covert operations', geo-political, male-only organization that is structured as a secret military operation;

Demanding secret oaths and complete obedience to each direct superior, which is ultimately the Superior General (often nicknamed as the Black Pope, since he dresses in black and 'stands in the shadow' of the white Pope).

The isignia of the Society of Jesus, or The Jesuits, supposedly formed in 1534. The insignia shows the Black Sun - which is what they in fact worship

The "Society of Jesus" - as they are officially known - was originally used by the Vatican to counter the various Reformation movements in Europe, to which the Vatican lost much of its religious and political power.

Absolute-temporal-ruling power has always been the Vatican institution's primary objective.

In the Constitutions of the Society of Jesus, Ignatius of Loyola (1491–1556), founder of the Society, recommended that Jesuits follow the doctrines of Saint Thomas in theology and those of Aristotle in logic, natural philosophy, ethics, and metaphysics. After Loyola, the official position of the Society was further specified; Jesuits were supposed to teach "Aristotle and the true philosophy," interpreted as Thomism.

The Jesuit Order is since 1814 in complete control of the - obscenely wealthy - Vatican institution (and its Catholic clergy hierarchy) and presently also controls various other organizations together with the Military Order of Malta, such as:

- The United Nations
- NATO
- European Commission
- Council on Foreign Relations
- Various central banks
- Big corporations
- Secret services
- Numerous societies and cults, such as Freemasonry ("The Brotherhood") and Opus Dei

35th Jesuit general congregation at the Vatican in 2008

It is also important to note that the Jesuit-controlled Vatican is since 1929 being cast (and accepted) as a sovereign microstate called Vatican City, with its own:

- ▶ Head of State and cabinet (the Holy See, which consists of the Papal non-hereditary monarchy and the Curia).
- ▶ Central bank (Vatican Bank).
- ▶ Jurisdiction rules (Canon Law, Admiralty law).
- ▶ Some 147 international agreements (diplomatic treaties which were formerly called Concordats or Lateran Treaties, which grant the Vatican special national privileges).
- ▶ Large radial underground network of secret archives (estimated at 84 kilometers of shelving space), and a large collection of ancient art works in the Vatican Museums.
- ▶ Universal Inquisition office (headed by the American William Levada since 2000), an Italian police force and a Swiss military guard consisting of only Catholic single males with Swiss citizenship and Swiss military training.
- ▶ Furthermore note that the Jesuit Order, the Catholic clergy and the Military Order of Malta (and many of the other Papal and Royal military orders) have an extremely patriarchal culture.

This type of rigid social structure is one of the main aspects of fascistic groups.

"The Jesuits have no women. They have no love of a woman. Because to have a wife, to have a woman, means you have an allegiance to your wife and family, and you cannot obey the General. That's why they will NEVER be married, and that's one of the great KEYS to their success."

- Eric Jon Phelps

Today the Jesuit Order has about 19,000 members.

In 1541 St Ignatius of Loyola adopted the Christogram of the Holy Name of Jesus as his seal as General of the Society of Jesus. The letters IHS come

from the Greek spelling of Jesus: IH̅C̅OC̅Y̅C̅. Note the Masonic / Illuminati solar burst around the seal

Of the about 13,500 priest members, some have taken the 4th vow secret oath in which killing a 'heretic' is not considered a crime. The ranks of Jesuits are thinning; From 36,000 members at the order's zenith in the mid-1960's, to 26,000 in 1983, to 23,000 in 1995. The Jesuits are geographically organized by 91 provinces, which each belong to one of 10 assistancies around the world.

The Military Order of Malta has about 12,500 members (excluding volunteers), and Opus Dei has about 26,000 celibate members (excluding volunteers).

The Vatican-Jesuit-Masonic crusades, up to our present time, show their criminal "full-spectrum dominance" doctrine is effectuated all over the world by:

- ▶ War, genocide and depopulation (recent examples: Canadian natives genocide between 1880-1984, the "Vatican managed Serbian genocide during WWII" with an ongoing US court case, and the ongoing Shia Muslim genocide in Iraq with over 1,217,892 deaths)
- ▶ Political subversions
- ▶ Economic slavery
- ▶ Poor quality nutrition, healthcare and housing
- ▶ Government propaganda (via education, media, science, and religion)
- ▶ Suppression of sovereignty, consciousness and spirituality.

2.0 Masonic Cities

The Vatican-Jesuit-Masonic network operates mainly out of the following cities:

- ▶ Vatican City, Rome, Italy. (religious center) (sovereign state since 1929)
- ▶ City of London, London, United Kingdom. (economic center) (sovereign state since 1649, owned by the City of London Corporation)
- ▶ District of Columbia (which includes Washington D.C.), United States. (military center)

Sited on the banks of the Tiber River, on a hill sits the Vatican City. It is a place that has one of the richest histories in the world and is one of the most influential. The religious history that surrounds the Vatican City crosses centuries and is now the embodiment of many of the most important parts of the cultural history of Rome.

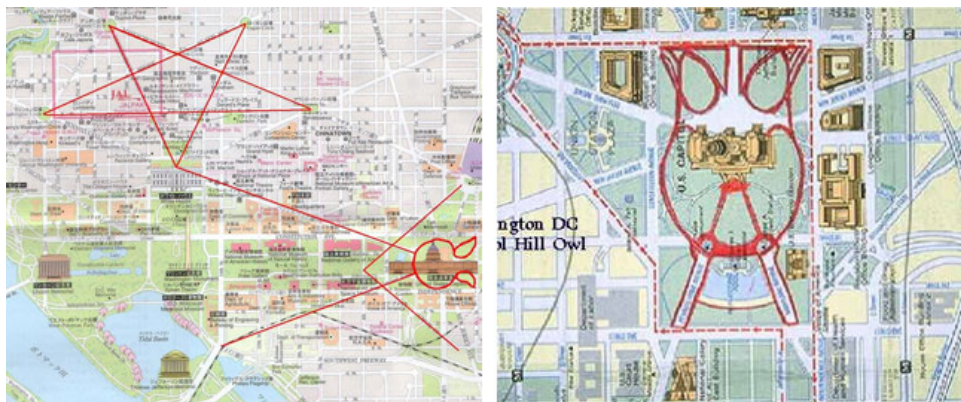

▶ (The "District of Columbia Act of 1871" turned D.C. into a municipal corporation. Congress has the supreme authority over the city and the federal district, with its own special constitutional amendment since 1961. Furthermore the District of Columbia is judicially governed by the Lex fori as opposed to Lex causae.

▶ "There is an increasingly common belief among many that this Act has overturned the United States Constitutional Republic. These theorists state that the "Corporate US" is actually operating under the name: UNITED STATES OF AMERICA, noting the capital letters as a distinction from the Constitutional Republic."

▶ The Jesuit bishop John Carroll was probably the richest man in America in the late 1700's. Carroll allowed funding to construct D.C. (which is nicknamed "Rome on the Potomac"). The owner of the land used to be Francis Pope and his priest was Jesuit Andrew White.

▶ Washington D.C.'s original name was Rome, Maryland, and a branch of the Potomac River was called Tiber Creek, which was named after the Tiber river in Rome. Like Rome, Washington D.C. has 7 hills, whose names are: Capitol Hill, Meridian Hill, Floral Hills, Forest Hills, Hillbrook, Hillcrest, and Knox Hill).

▶ Other masonic elements in this city: Jesuit Georgetown University, the masonic street layout and monuments, and the 2008 World Conference of Masonic Grand Lodges.

Examples of the Masonic symbology embedded in the street layout of Washington D.C.

Other important cities: Geneva, New York, Brussels, Paris, the various microstates, Luxembourg, Strasbourg, Moscow, Hong Kong, ...

Parliament House, in the capital city state of Canberra, Australia - note pyramid

Canberra (Australia) is also an independent city state. There are rumours that the government section of Wellington City (New Zealand) may also be similarly regarded.

3.0 Obelisks

This order was originally founded to fight for Christianity, but over time-as the Templars acquired immense power, adopted heretical teachings, and established a capitalist system based on material gain, their order fell afoul of the Church.

Despite their fearsome, battle-hardened reputation, the Knights Templar were learned men, dedicated to protecting travelers and pilgrims of all religions, not just Christians. They were great statesmen, politically adept, economic traders, and they were apparently allied with the great sailor-fraternity that had created a worldwide trading empire in Phoenician times.

Despite also, a great deal of negative propaganda against the Templars at the time of their suppression, they are still known today as the preservers of knowledge and sacred objects. While the origins of the Knights Templar are said to go back to the building of King Solomon's Temple by Phoenician masons from Tyre, or even the Great Pyramid and Atlantis, we trace their modern history from the Crusades period of the Middle Ages.

4.0 Jesuit Operations

In general it can be said that the Jesuits are mainly involved in:

4.1 Miseducation

- This is their main avenue for - initial and sustained - political control!

Through the socially, historically, and scientifically flawed education of millions youngsters and adults. In addition, being able to observe and direct the professional path of the brightest students can help to further their own neurotic agenda, or at least not obstruct it.

Consciousness-influencing (aka 'mind-control') through cultural and behavioral consensus-trance shaping is their sacred and secret "Soul science", their "Devince science of Governing", the "Matrix of mental control" which has been developed by the neurotic priesthood and implemented via their masonic networks for thousands of years.

Can enough individuals break that 'magic' trance spell to stop the mass neurosis of humanity which puts us into a world of tragedy and pain?

- Sciences (and university research funding) for the purpose of socio-psychological control
- Subjects: politics/civics/law, military science, sociology/media, healthcare/psychiatry, 'Romanized' history, astronomy, pseudo philosophy about: culture, science, civics, ethics, morality and religion.
- Prominent elite schools:
 - ▷ Stonyhurst College (UK, 1593, alumni)
 - ▷ Georgetown University (US, 1634/1789, alumni)
 - ▷ Fordham University (US, 1841, alumni)
 - ▷ Fairfield University (US, 1942, alumni)
 - * International Visitor Leadership Program (US, 1946/1961, alumni)
- In 1940 Nelson Rockefeller (Knight of Malta) was named Coordinator of Inter-American Affairs (the pre-cursor to the IVLP program).

"More than 200 current and former Heads of State, 1,500 cabinet-level ministers, and many other distinguished world leaders in government and the private sector have participated in the International Visitor Leadership Program."

4.2 Religious Perversions and Propaganda

- Cult promotion: Catholicism (and its variations and infiltrations), Freemasonry, Satanism, Mysticism, NewAge-ism, Ufology & Aliens (mainly used for disinfo and distraction, but sometimes for the cover up of advanced energy/military research). Cult and disinfo promotion is also done using popularized films, books, websites and events related to these topics.

From a collection of inspirational, official Jesuit wallpapers. Oh the irony

- Catholic ecumenism through the Mennonite World Conference (1925, Switzerland, see also: [15]), World Jewish Congress (1936, Switzerland, see also: [16], [17]), World Council of Churches (1937, 340 churches), Lutheran World Federation (1947, 140 churches), Conference of European Churches (1959, 125 churches) meetings, World Alliance of Reformed Churches (1970, 214 churches), World Methodist Council (1881).

4.3 Political and Judicial Meddling

► Tactics:

► Hegelian dialectic deception politics, by creating / infiltrating / controlling multiple sides to further their own agenda ("thesis + antithesis → synthesis").

Some examples:

► Left vs. Right political dogma: Democrats v. Republicans, Liberals v. Conservatives, Labour v. Tories, etc. This is the political duopoly trap, where the voting outcome can only swing in two main directions. Any emerging of true political opposition is deflected and extinguished by temporary controlled opposition spin-off's from the main parties and media blackouts and/or smear campaigns.

Notice how in all of the political parties noted here - the main contenders are always a blue party versus a red party

► The present focus of many media corporations on "Muslim terror threats", especially after the mass trauma psyop of 9-11, is part of their strategy of tension, to divide groups by fear and polarize people's frustration and anger towards this synthesized enemy or its controlled opposition, instead of the real fascistic threat from the secretive power structures.

► The artificial global food price crisis versus the centralization of food management structures (examples: Codex Alimentarius UN agenda, Genetically modified food controversies - such as the resistance to correct labeling and nutrient reductions compared to natural whole foods.)

► Non-Aligned Movement promoted as a 'force against' the United Nations.

► Misleading people using casuistry.

► Masonic-insider promotion, infiltration, bribing, threats and assassinations.

► If the Catholic missions, the Jesuit miseducation and socio-political infiltration strategies do not work in a society, a covert - and later an overt - war-by-proxy is created to achieve their neurotic goals (see also the "Social perversions" point below).

► Using the many Concordats that have been signed with 'sovereign' nations, to give the Vatican institution special privileges.

► Socialist-fascist supranational union projects (see also: Continental unions):

► Central American Union (1991, "Central American Integration System")

► European Union (1993) (Euro currency), EU institutions and EU projects.

► The EU has its origins in the European Movement (1947), which was founded by Knight of Malta Joseph Retinger, who also founded the Bilderberg Group (1954).

► African Union (2002)

► Asian Union (2002, "Asia Cooperation Dialogue")

► Pacific Union (proposed in 2003)

► South American Union (proposed in 2004, signed in 2008)

► North American Union (proposed in ?, Amero currency)

► "The NACC (2006) is a largely secretive advisory council to the SPP (2005) consisting of representatives from 30 North American corporations selected by the Chambers of Commerce in the three nations."

► Mediterranean Union (proposed in 2007)

► The Vatican City microstate is a member of: ITU (telecommunication), CEPT (telecommunication), Eutelsat (satellite communication), Intelsat (satellite communication), UPU (international mail) and the International Grains Council.

► The Holy See (Vatican organization) participates as an observer in: African Union, Arab League, Council of Europe, OAS (35 states of the Americas), IOM (migration), and in the United Nations (1942) and its many agencies:

► FAO (food and agriculture),

► ILO (labour),

► UNCTAD (trade and investment),

► UNEP (environment),

► UNESCO (education, science, and culture),

► UN-HABITAT (human settlements),

► UNHCR (refugees),

► UNIDO (industry),

► UNWTO (tourism),

► WFP (food programs),

► WHO (healthcare),

► WIPO (patents, copyrights and trademarks).

It participates as a guest in NAM (?), and as a full member in IAEA (nuclear energy), OPCW (chemical weapons), OSCE (international 'security', 3.500+ staff).

► Other UN agencies:

► ECOSOC (economy),

► UNFPA (population and reproduction),

► UNODC (drugs control),

▷ UNDP (public information)

▷ "In an executive order March 7 2007 President George W. Bush granted diplomatic immunity and privileges to the members of the Holy See's Permanent Observer Mission to the United Nations. Diplomatic immunity ensures safe passage for diplomats outside their home country. They are not subject to lawsuits or prosecution under the laws of the host country."

▷ "Gordon Brown has discussed a shake-up of a structure created in 1945 to reflect the world's new challenges and power bases during his four-day trip to China and India. Last night, British sources revealed "intense discussions" on UN reform were under way and Mr Brown raised it whenever he met another world leader.... Mr Brown will unveil a proposal for the UN to spend £100m a year on setting up a "rapid reaction force" to stop "failed states" sliding back into chaos after a peace deal has been reached. Civilians such as police, administrators, judges and lawyers would work alongside military peace-keepers."

▷ "Fraud and corruption have been rampant at the U.N.'s multi billion-dollar procurement division for years. The world body's own watchdog, the Office of Internal Oversight Services, has documented some of the illegal activities in reports that reveal how nearly one-third of the procurement contracts involve waste, corruption and other irregularities. Americans should be concerned because the United States annually gives the U.N. \$5.3 billion U.S. taxpayer dollars. The funding continues even though the organization, founded six decades ago to maintain international peace and security, has failed miserably and is best known for its severe mismanagement and corruption."

▶ The Jesuits were officially founding in 1540 by Pope Paul III. Ignatius Lieola became their first general. Don Francis Borgia was the great-grandson of Pope Alexander VI, and co-founder of the Jesuits. On his mother's side he was descended from King Ferdinand of Aragon.

▶ All are controlled through the Jesuit Order, their Knights of Malta and the Teutonic Knights all based in missile protected "Borgo Santo Spirito", in Rome.

▶ Giuseppe Orsini – Italy, and Henry Breakspeare - Macau, China are the true power.

▶ This is the true power finally. This is the Guelph and the Ghibelline power over mankind.

▶ The Cecil family were controlled by the powerful Jesuit family known as the Pallavicini. Maria Camilla Pallavicini is far more powerful than Queen Elizabeth II. Please study who funded Elizabeth I that astronomical amount of money to fight the Spanish, yes Pallavicini.

▶ The Queen and Prince Philip are totally subordinate to the Papal Bloodline of the Breakspeare Family and their Jesuit U.K. Head Quarters at 114 Mount Street.

- ▶ The Papal Bloodlines are the secret shadow hierarchy of the Jesuit Order even behind the Black Pope touted at the #1.
- ▶ You'll notice Baron David de Rothschild marrying into the Aldobrandini family - Princess Olimpia Aldobrandini.
- ▶ Henry Breakspear who resides now in Macau in China. Many of the Papal Bloodline heads now live in Asia and India. What does that tell you?
- ▶ The current Black Pope, Adolfo Nicholas was brought forward by the Jesuits because global power will transfer to Asia - his roots are in Asia. Both this Black Pope and the white Pope aren't of Papal Bloodline, they are both commoners.

The above named are the most powerful families on the planet. These Egyptian Ptolemaic Dynasty Rulers are in Full Control of the Company of Jesus, High Grey Council of Ten, they Grey Pope and the Black Pope

4.4.2 The Black Pope

The Jesuit general is referred to as the "Black" Pope at the Vatican because he always dresses in black.

The current Black Pope, Adolfo Nicholas was bought forward for the position due to the Jesuits bringing about of Asia as the next power player of the agenda. Both this Black Pope and the white Pope aren't of Papal Bloodline, they are both commoners.

The current Black Pope (since 2008) is Adolfo Nicolás, formally titled the Superior General of the Society of Jesus. Adolfo is not of Papal Bloodline, some Black Pope's have been.

The 'Black Pope', Superior Jesuit General (The President of the World), speaks at Loyola 'Military Fortress' University in his un-ratified 14th Amendment 'Little Rome' D.C United States Corporation. He lies about his power, he's over the Pope as of 1814.

A corporation under International Maritime Admiralty Law (Uniform Commercial Code) based upon Vatican Canon Law and perfected by the Roman Empire.

The Black Pope only serves and works with the shadow Jesuits being the Papal Bloodline Orsini's, Breakspear's, Aldobrandini's, Farnese's, Somalga's.

The next in power beneath the Jesuits is the Bourbon, King Juan Carlos of Spain.

The Roman Monarch of the World, The King of Jerusalem and SMOM Military Navigator.

This is the true World's power system right now. Adolfo Nicolás Pachón (the current Black Pope) serves as a military General protecting the Zoroastrianism and Mithraism mystery schools.

Adolfo serves as a military General protecting the Zoroastrianism and Mithraism mystery schools.

The Jesuits were created by the Papal Bloodline Farnese during the reign of Farnese Pope Paul III. Loyola was commissioned by Alessandro Cardinal Farnese.

The Borgia crime family created the Jesuits. Don Francis Borgia was the great-grandson of Pope Alexander VI, and co-founder of the Jesuits. On his mother's side he was descended from King Ferdinand of Aragon.

After the terrible reign of Pope Alexander VI, the Romans were disgusted with the Spanish and vowed that there would never be another Spanish Pope. This animosity toward the Spanish was further aggravated by the Sack of Rome in 1527 in order to prevent the divorce of Henry VIII from Catherine of Aragon.

The Borgia answer to this Spanish animosity was the creation of the order of Jesuits - a quasi religious / military strike force whose members were totally dedicated to their Spanish leader who bore the military title of general.

Like the White Pope, the general is elected for life and the Jesuit dynasty is a parallel or pseudo Papacy. Of course, the general is content to run the show from behind the scenes so as not to arouse the age-old Italian hatred for the Spanish.

4.4.3 The Grey Pope

The most powerful man right now in the conspiracy over this World is a Roman by the name of Pepe Orsini of the powerful Roman Papal Bloodline the Orsini, also known as Orso and the ancient Maximus family.

There is no one more powerful than this figure who is really the Grey Pope.

The Papal Bloodlines are the secret shadow hierarchy of the Jesuit Order even behind the Black Pope touted at the #1.

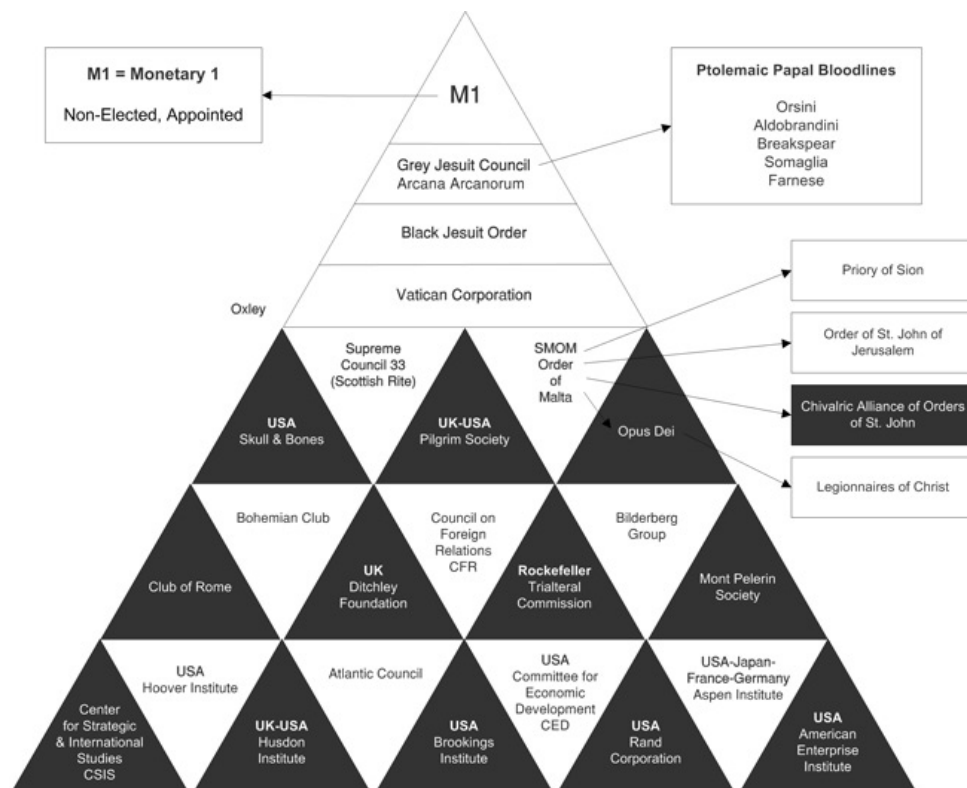

These powerful bloodlines are the Breakspear, Somaglia, Orsini, Farnese & Aldobrandini.

You'll notice David Rothschild marrying into the Aldobrandini with the pretty, Princess Olimpia Aldobrandini.

Another real head of this is Henry Breakspear who resides now in Macau in China.

Many of the Papal Bloodline heads now live in Asia and India. What does that tell you?

The current Grey Pope: Pepe Orsini. We are not amused

4.4.4 The Spanish control the Vatican through the Jesuits

For the past 500 years, the Spanish Inquisition has controlled the Vatican by means of the Jesuits. All the Jesuits answer to

their general in Rome, and he in turn is content to run the show from behind the scenes, without any publicity or public acclaim so as not to arouse the age-old Italian hostility to the Spanish.

4.5 Social Perversions

► Fascism ideology (Inquisitions, Communism, Labor Zionism, Nazism, Socialism and centrally planned capitalism, Focus on: fear propaganda, conformity, surveillance and repression)

Hitler greets a Catholic Cardinal

- Indigenous / Jewish / Christian / Muslim / sovereign culture genocides
- Poverty promotion and middle-class destruction
- Pedophile ring support
- Controlling the Vatican institution and its wealth (financial administration, archive management, policy/speech/project approval, clergy promotions, etc.). Parts of this work are delegated to the Opus Dei organization.
- Controlling and working together with an even older - and more secretive - multi-layered, Papal military order, called the Sovereign Military Order of Malta ("Knights of Malta", "Knights Hospitallers", or "SMOM" for short). The SMOM was founded in Jerusalem in 1080 to wage war and steal for the benefit of the Holy Roman Empire. Today, the most influential groups within the SMOM are the Order of the Garter and the Pilgrim Society.

6.0 Military Order of Malta Operations

St John

January 29, 2013: Grand Master Matthew Festing poses for a picture at the end of an interview with The Associated Press at the Magistral Palace of the Order of Malta in Rome's Via Condotti.

The Order of Malta is an ancient Roman Catholic religious order that boasts diplomatic relations with 100-plus countries, an aid group that runs hospitals, ambulance services ([including St Johns Ambulance](#)) and old folks' homes on six continents, and a nominally sovereign entity that issues its own stamps, coins, license plates and passports, yet has no state to call home. The Sovereign Military Order of Malta is all those things, and this week marks its 900th anniversary as a Vatican-recognized religious order dedicated to caring for the poor, sick and destitute around the globe.

The Knights of Malta are mainly involved in:

- ▶ Working for and with the Black Nobility, the Vatican and the various Papal and Royal Orders, especially the Jesuits who are ultimately in control of the Vatican and the Military Order of Malta. The SMOM (Sovereign Military Order of Malta) most powerful controlling inner-cores are the Order of the Garter, which in turn is controlled by the Pilgrim Society.

"The Commonwealth of Nations, headed by Queen Elizabeth II, is made up of 53 nations, spanning the globe, accounting for one-fifth of the land mass of the Earth, and a very high percentage of its strategic resources and population. Though nominally an alliance of independent states, the Commonwealth was itself founded, in the late 19th Century, as a perpetuation of the British Empire."

- Jeffrey Steinberg

Opus Dei

Seal of the Holy Cross and Opus Dei:
"A cross embracing the world"

One Vatican group that has extremely close ties to the Knights of Malta is the ultra-right-wing Opus Dei. This is an immensely powerful faction in the Vatican today, and its public "do good" activities eclipse a plethora of the darkest political and financial machinations known to man.

It has been possible for reliable authors, as in Mexico Manuel Buendia in his archives and dossier, titled "The Clergy," to document it all. He describes the way in which the Catholic religious orders of Opus Dei, the Jesuits, Legions of Christ, and the other two thousand existing orders have acted in the Catholic Church, depending on the Vatican and on the party of National Catholicism: **they are all Roman legions and more harmful than the worst group of Mafias existing on this earth. They are all involved with the Mafia.**

Books and movies such as 'The Da Vinci Code' and 'National Treasure' are used as much as they are for entertainment, as they are for disinformation. The aforementioned titles are used to deceive with regards to the history of the Illuminati, Opus Dei and Freemasonry et al.

6.1 Global Business Operations

Several Trilateral Commission members work for this 'charity' project.

The operation is funded by the Global Crop Diversity Trust, which was founded by the U.N. Food and Agriculture Organization and Biodiversity International, a Rome-based research group." [34]
- ▷ ... and various other corporations

6.3 Policy Propaganda for the Purpose of Social, Commercial and Military Control

"The existing rapport between this organization [Rotary International] and Masonry is essential, not only because of its founding on February 23, 1905 by the lawyer, Paul P. Harris, of Chicago, along with three of his fellow Masons, but also because of the ideological and juridical elements, borrowed from Masonry, which take the best in the initiatory message in order to insert it into society and laicize it, that is by excluding the initiatory and restrictive aspects, which - by always excluding religious confessionality - have a certain sacred although lay character."

‣ Creating benign charity fronts, just like the Catholic 'church' and the Jesuits like to do, to try and confuse people about their fascistic history and their present operations. Sometimes these seemingly harmless 'charity' organizations are also used for information gathering and espionage in foreign countries. Examples:

‣ Rotary International (1905). Over 32,000 clubs in 200 countries. See also their support for the UN globalist agenda.

‣ "The Rotarians are a bit like Boy Scouts (1907) grown old and successful." The celebrated writer ignored (no doubt) to what extent he was correct, at least regarding the common origin of the two groups.

‣ Father Esposito actually recalled Rotary's Masonic spirit with these enlightened words: "The existing rapport between this organization and Masonry is essential, not only because of its founding on February 23, 1905 by the lawyer, Paul P. Harris, of Chicago, along with three of his fellow Masons, but also because of the ideological and juridical elements, borrowed from Masonry, which take the best in the initiatory message in order to insert it into society and laicize it, that is by excluding the initiatory and restrictive aspects, which - by always excluding religious confessionality - have a certain sacred although lay character."

‣ Malteser International (founded in 1953 as Malteser Germany, renamed in 2005.). Operating in 30 countries in Africa, Asia, Europe and the Americas.

7.0 Catholicism and the Holy Roman Empire

While the militaristic Roman Empire was collapsing, Pope Symmachus created the Vatican Palace in 514 as the seat of the "universal religion" called Catholicism.

Catholicism itself was created about 150 years before that by Emperor Constantine I, using the first Council of Nicaea in 325, to control the political and spiritual uprisings among various regions, tribes and slave groups.

Thereby making Constantine I the first in a long series of Roman Emperors (or Popes) who explicitly wanted to completely rule over both the spiritual and political realm.

Perhaps indicative of the lack of interest in the 1st Council of Nicaea and its Roman agenda, was that of the 1800 invites sent to religious leaders, only about 300 participated.

Early Christianity-like cultures were spreading and posing a very large threat to the Roman Empire, so the Romans institutionalized the various Christian-like cultures into a new 'universal religion' named Catholicism.

Many people still see the Papacy as only a religious organization, but if one looks into their never ending quest for the political power, you'll see that the Roman Empire and the Papacy have always had the exact same goal:

World domination.

The differences are only in the execution of this neurotic idea.

The most powerful tool of the Vatican organization has been to take hostage the much older Judaic-Christian-like cultures, and force these cultures into an superficial lookalike called "Catholicism" (or as Roman Catholics like to say: "Christendom").

In many parts of the world, native people were first massively killed - if their spiritual leaders could not be corrupted - and then the rest of the tribe was slowly 'converted' into

the Jesuits

St. Ignatius of Loyola, with a small group of scholars, founded the the Society of Jesus in Paris in 1534. The order was approved in 1540 by Pope Paul III. There were 1,000 Jesuits at the time of Ignatius' death in 1556.

the cult of Catholicism by missionaries, using the lie that the supreme spirit they worshiped was actually the same as the one in the Roman Catholic 'church'.

The 'official line' on the Jesuits from the Catholic News Service

The Vatican never was a true Christian-culture based organization, it has always been an occult (the esoteric or hidden), bloodthirsty political organization which has build a deceiving, hypocritical front of religious dogma (the exoteric or visible) derived from ancient mysticism religions (Sun worship, human and animal sacrifices, 'holy' priests and strict obedience structures).

For more than 2000 years all authentic Judaic-Christianity-like cultures have been prosecuted and often annihilated or at least severely weakened.

By 451 with the Council of Chalcedon the Holy Roman empire itself had already fractured somewhat and with the official East-West Schism in 1054, the Orthodox Church split from the Holy Roman empire.

However, the Holy Roman Empire was becoming more and more dominant in Europe and reached its power peak in the 13th and 14th century.

After the Renaissance, the struggle for religious and political freedom of the various Reformation movements, during the late Middle Ages and up to the 18th century, some lost terrain had been regained by the Protestant nations, but the losses have been enormous, and much of the authentic spiritual basis of Christianity-like cultures has been erased from the collective memory.

Almost none of the numerous Christian 'splinter' churches today acknowledges (let alone communicates) this ancient legacy of Roman Catholic persecution, history falsification and spiritual perversions. Sadly, most of the so called 'Christian' churches today however are still connected to Catholicism - and thereby also the Vatican organization - in various ways, or have been

infiltrated and co-opted - mainly by the Jesuits - in many cases.

The Vatican institution and its mafia network have always been an fascistic political organization with the cover of a religious organization. The aim is and was population control - in the spiritual and political realm - by any means.

These two realms of dominion - the spiritual and temporal - are represented by two crossed keys on the Papal Tiara, which can be seen in many Catholic churches and on the flag of the Vatican.

8.0 Reformation and Vatican Control

The Reformation changes, since the early 16th century, by the Protestants (which is actually what the Vatican called these sovereign 'heretics') to the political systems (such as more decentralized ruling and tax income, less centralism from Rome), and the millennium of battles against the oppressive Holy Roman Empire that went before that, sets the stage for an ongoing struggle by people all over the world to be able to live according to our natural birth right:

Sovereignty of the body and spirit of each individual. Protecting our sovereignty from state, religious, corporate and secret society fascism is our principal collective responsibility! This shared value should be the basis for our constitutional law. All other constitutional laws should be derived from this basis.

The true history of the Reformation and the opposing Counter-Reformation (starting with the 'ecumenical' Council of Trent in 1545) however was (and still is) not a simple two-sided conflict between the Holy Roman Empire and the sovereign people and their nations.

There is growing evidence showing that the Lutheran reformation movement was secretly used by the Rosecrucians (and later the Jesuits) behind the scenes to:

- ▶ Restrict the social-political effects of the Reformation on societies in Europe.
- ▶ Diminish the established power structures of the Papacy, so that these secret societies could infiltrate and - over time - completely takeover the Vatican Institution (partly from the inside and partly from the outside). They succeeded in doing this, but not without visible historic friction.

9.0 Globalism

Especially over the last 200 years, and in particular the last 100 years, the power of the Vatican-masonic network has covertly been increased tremendously due to several factors:

- ▶ Social-techno policies: industrialization (and the later service economy), urbanization, educational regulation (increased propaganda propagation) and large-scale industrial proxy-warfare (especially since World War I during 1914-1918).
- ▶ Political and religious globalization.

The major goals of globalization and the underlying collectivism ideologies (centralized-socialism, communism, fascism) were to:

- ▶ Diminish personal / tribal / national self-reliance capabilities
- ▶ Weaken the family bonds
- ▶ Replace native culture
- ▶ Increase their economic-parasite grip, through numerous pan-national organizations and their projects.

Alongside the "Theater of Warfare" and media psy-ops, globalization is a core part of the new Counter-Reformation.

10.0 Occultism

The Roman-Vatican-Masonic oppression culture has its origins in the much older secret societies (which were also called:

"Mystery Religions", "Mystery Schools", "Priesthood cults", or "Schools for the divine science of governing") which were already present in ancient societies:

- ▶ Egyptian (Hyksos)
- ▶ Sumerian
- ▶ Babylonian
- ▶ Sadducian ("Tsdoki", "Zadokites") (See also: Ebionites, Essenes, Pharisees)
- ▶ Phoenician
- ▶ Canaanite
- ▶ Etruscan
- ▶ Roman
- ▶ Anglo-Celtic
- ▶ Other priesthood cults:
- ▶ Rosae Crucis (probably from ~12th c.)
- ▶ Alumbrados (Spain, late 15th c.)
- ▶ Roshaniya (Afghanistan, 16th c.)
- ▶ Bavarian Illuminati (Germany, ~1776)

Sun worship and astrotheology (cosmology and its links to spiritualism) were an extremely important priesthood element of these societies and many others around the world too (to this day), since it was believed that cosmic cycles were heavily influencing life on earth, not just in the physical spectrum (in the traditional science sense), but also in the spiritual-consciousness spectrum.

Additional important priesthood elements were:

- ▶ Human sexuality
- ▶ Human concepts of nature's (perceived) dualities (female / male, life / death, healthy / sick, body / spirit, light / dark, white / black, energy / mass,
- ▶ Above / below, in / out, love / hate, good / evil)
- ▶ Sacred geometry
- ▶ Numerology
- ▶ Visual arts
- ▶ Music
- ▶ Trance states

Vatican City's Piazza San Pietro - Note the keyhole shape. Also present in the design are the Sun cross and Sun Wheel

Some neurotic priesthood societies made animal sacrifices, and a few even Human sacrifices to their god.

For oppressive priesthood societies the control of knowledge and thereby sovereignty, consciousness and spirituality became their most important goal. These people wanted domination over life, even though they had no real life of their own.

All this is Occult Symbolism is still visible today:

- ▶ In architecture (masonic buildings, ancient and new monuments, place names)
- ▶ Corporate logo's
- ▶ Money design
- ▶ Coats of arms,
- ▶ Films (especially those from Hollywood)
- ▶ Holy-days and other cultural rituals
- ▶ Various public 'accessible' cult-religions (Freemasonry, Fraternities, Scouting, New Age societies)

Here a some of the 'Western' rituals and festivals with an occult (hidden) meaning, many of which were strongly influenced by the ancient Roman and Roman Catholic priesthood culture:

- ▶ Christmas (Dec. 24/25): Winter solstice celebration ("Return of the Sun/Son of God").
- ▶ Valentine's Day (Feb. 14): Ancient Roman (and likely pre-Roman) Lupercalia celebration (Note: Lupus is Latin for wolf, Lupae means 'she wolves'). At first an ancient Roman priesthood fertility ritual (see below), which was later turned into the the Roman Catholic St. Valentine celebration.

▷ "February occurred later on the ancient Roman calendar than it does today so Lupercalia was held in the spring and regarded as a festival of purification and fertility. Each year on February 15, the Luperi priests gathered on Palantine Hill at the cave of Lupercal. ... Two naked young men, assisted by the Vestals (the virgin holy female priests of Vesta), sacrificed a dog and a goat at the site. The blood was smeared on the foreheads of the young men and then wiped away with wool dipped in milk. ... Roman armies took the Lupercalia customs with them as they invaded France and Britain.

One of these was a lottery where the names of available maidens were placed in a box and drawn out by the young men. Each man accepted the girl whose name he drew as his love - for the duration of the festival, or sometimes longer. As Catholicism began to slowly and systematically dismantle the pagan pantheons, it frequently replaced the festivals of the pagan gods with more ecumenical celebrations. It was easier to convert the local population if they could continue to celebrate on the same days, they would just be instructed to celebrate different people and ideologies.

Lupercalia, with its lover lottery, had no place in the new 'Christian' order. In the year 496 AD, Pope Gelasius I did away with the festival of Lupercalia, citing that it was pagan and immoral. He chose Valentine as the patron saint of lovers, who would be honored at the new festival on the 14th of every February."

▷ "The festival began with the sacrifice by the Luperi (or the Flamen Dialis) of two male goats and a dog. Next two patrician young Luperi were led to the altar, to be anointed on their foreheads with the sacrificial blood, which was wiped off the bloody knife with wool soaked in milk, after which they were expected to smile and laugh; the smearing of the forehead with blood probably refers to human sacrifice originally practiced at the festival.

The sacrificial feast followed, after which the Luperi cut thongs from the skins of the victims, which were called Februa, dressed themselves in the skins of the sacrificed goats, in imitation of Luperus, and ran round the walls of the old Palatine city, the line of which was marked with stones, with the thongs in their hands in two bands, striking the people who crowded near. Girls and young women would line up on their route to receive lashes from these whips.

This was supposed to ensure fertility, prevent sterility in women and ease the pains of childbirth. This tradition itself may survive ('Christianized', and shifted to Spring) in certain ritual Easter Monday whippings."

▷ Carnival (Immediately before Lent - the 40 day's of Catholic liturgical season of fasting and prayer before Easter - usually during Feb. or Mar. It may last from a few weeks to several months depending on the region.)

▷ Easter (Calculated Sunday between March 22 and April 25): Spring equinox celebration ("Resurrection of the Sun/Son of God"). The celebration of the Babylonian goddess of love and fertility Ishtar (See also: the Semitic goddesses Asherah and Astarte), combined with the Cosmic egg and rabbit symbolism for fertility and regeneration. (See also: "Rebirth and Resurrection: The Origins Of Easter Traditions", "Pagan Worship of Easter", "Origins of Easter", Ostara festival, Passover, Semana Santa, Easter controversy, "Towards a Common Date of Easter")

▷ Mayday (1 May): Phallic Maypole celebration (See also: the Celtic Beltane & Samhain celebrations, Axis mundi, Omphalos). The International Workers' Day is the result of traditional culture suppression and industrial-political influence.

▷ Halloween (Oct. 31)

▷ Bullfighting: The slaying of the bull (Taurus) by Mithras (Roman deity - with pre-Roman origins - who was born from a Cosmic egg) and the castration by a scorpion (Scorpio) in Roman mythology. This sacrificial tradition represents the domination of the 'elite' over the potentials of the 'common' people.

Televised sport events are one modern variant of this occult tradition.

The 'elite' know many people want to align themselves with the dominators (winners), not the suppressed (losers). They hypnotize people with simple systems of glorified male competition and domination.

A politically harmless, commercial venting system for the boredom and anger of many people.

11.0 Pharmacratic Inquisitions

Related to these 'priesthood' cultures is also the continuous prosecution of all natural / herbal cultures and its practitioners.

From numerous genocides of indigenous cultures around the world, to the attacks on natural healthcare in Europe and the US. These people were often wrongly stigmatized and tortured and killed for being 'gnostics', 'mystics', 'witches', or 'quacks'.

There is an entire industry with an innate economic interest to obstruct, suppress and discredit any information about the eradication of diseases. The pharmaceutical industry makes over one trillion dollars from selling drugs for ongoing diseases. These drugs may relieve symptoms, but they do not cure. We have to realize that the mission of this industry is to make money from ongoing diseases. The cure or eradication of a disease leads to the collapse of a multi-billion dollar market of pharmaceuticals.

These days the Pharmacratic Inquisitions are still going strong to benefit the global toxic-medicine based pharmaceutical industry; using weak medical schooling, medical license systems, patent law, propaganda campaigns and important natural substance prohibitions.

A highly controversial topic is the research which is showing that entheogen stimulated spiritual experiences seem to lie at the center of the main religions too. Though of course hidden, sometimes even in plain sight, and only allowed for a select group of initiates. Most Christian people refuse to research and debate this topic, because it shows how much the true history behind early Christianity-like gnostic-shamanic cultures has been suppressed and perverted into different forms of mythology, idolatry and dogma.

It shows how much all main religions have strayed from the path of nature, empirical spirituality, honesty and freedom.

Especially entheogen-aware cultures are treated as a huge threat to the (in many places) dominating 'Western' belief systems, political structures and egoistic/materialistic/mechanical thinking.

12.0 Black Nobility

The Jesuits & SMOM (Sovereign Military Order of Malta) mafia network is supported by many of the wealthiest families in Europe (including 'Royalty', the Windsors et al) and the US (often called the "Black Nobility") and the high-level masons within certain 'elite' secret societies.

"The first of three crusades, from 1063 to 1123, established the power of the Venetian Black Nobility and solidified the power of the wealthy ruling class. The Black Nobility aristocracy achieved complete control over Venice in 1171, when the appointment of the doge was transferred to what was known as the Great Council, which consisted of members of the commercial aristocracy, a complete triumph for them. Venice has remained in their hands ever since, but the power and influence of the Venetian Black Nobility extends far beyond its borders, and today, in 1986, is felt in every corner of the globe. In 1204 the oligarchic family parceled out feudal enclaves to their members, and from this epoch dates the great building-up of power and pressure until the government became a closed corporation of the leading Black Nobility families." - Ex-MI6 agent Dr. John Coleman

Examples are the prominent, but certainly not the most powerful, Rothschild family (Knights of Malta) and the Rockefeller family (Knights of Malta, who got started using Rothschild financing for American oilfield exploitations).

"These three financial families, the Rothschild's, Morgans, and Rockefeller's all do the bidding of the Jesuit Order because of Jesuit infiltration in their organizations. They do whatever is necessary to destroy constitutional liberty in America and to bring the pope to world domination. As we look back over the 20th century, we see how successful the Jesuits have been.

They have continued to squander the wealth of America and continually attack its great constitution and civil liberties. Daily, the power of the pope in Vatican City increases. One day they will achieve total power again."

These wealthy families function as financial supporters and proxies for the larger Jesuit & SMOM mafia banking operations.

13.0 Papal War Against other Religions

In the case of the masonic 'Jewish' Rothschilds, besides their Vatican banking role they (and several other prominent Jews, like Knight of Malta Heinz Kissinger, left-wing gatekeeper Noam Chomsky, Federal Reserve bank celebrity Alan Greenspan, Homeland Insecurity front Michael Chertoff) have to perform the role of being Masonic 'Jews' (another Jesuit controlled political

movement of socialist-communist-fascist ideology), to try to incite hatred towards the Jews as them being the "top controllers of global evil".

This is a scam which has sadly worked before.

Due to the fact that there are Sabbatian-Apostate-masonic Jews helping with the Vatican-Jesuit-Masonic mafia crimes, its sometimes difficult for people to see it for what it really is: a distraction/shield/proxy for the larger Vatican mafia network. Jewish people have been systematically discriminated and murdered for almost 2000 years by the Holy Roman empire, just like Christians, Arabs/Muslims and many other cultures and their religions.

These days, after the staged 9/11 psy-op trauma operation (and the staged follow-ups in Madrid and London) by the secret services controlled terrorist-groups such as CIA-Qaeda, Shia Muslims and secular 'Arabs' are especially targeted in many ways (by the media, politics and the Jesuit / SMOM-controlled military apparatus) in the so called "War on Terror".

This "War on Terror" is the main follow up to the Cold War hoax, to allow further crusades for 'World Domination' and further attacks on constitution-protected freedoms.

The aggression against the people of the Middle-East is a very old battle, it was waged by Romans and later the Holy Roman Empire.

14.0 Jesuit and Sovereign Military Order of Malta Agenda

The Vatican, Jesuit Order, Knights of Malta and Black Nobility people have formed a complex masonic mafia network of global proportions, using many front organizations (infiltrated governments/churches/education, secret services, Catholic institutions, mega-corporations, financial institutions, Freemasonry, Labor Zionism, and others) with disastrous effects on the lives of hundreds of millions of people.

The neurotic goal was and still is worldwide human enslavement by any means ("The end justifies the means" is the primary maxim of the Jesuits).

Through militaristic, technological, economic and above all religious-psychological means.

This secretive mafia network tries to keep people ignorant of the fascistic conspiracy and the instruments they use. Abusing other people's Ignorance is their only real power!

The Vatican-Jesuit-Masonic mafia network has been the primary origin of high-crimes over the past centuries: wars, genocide, assassinations, organized torture and sexual abuse, slavery, religious prosecution, state treason, censorship, history falsification, and judicial and economic fraud.

Their criminal practices are hidden behind:

- ▶ Secret and religious cults, with hierarchical degrees (compartmentalization within) and secret oaths and plans (compartmentalization without).
- ▶ Socialist (read: corrupt centralistic, fascistic) institutions: UN, WTO, NATO, EU, etc.
- ▶ Information and knowledge control: cultural entertainment distractions, media censorship, fear propaganda and poor education.
- ▶ Organizational infiltration.
- ▶ Monetary system corruption instruments:
- ▶ Centrally controlled fiat currency money supply ▶ artificial inflation creation (rising prices and poverty) ▶ debt-

dependency creation (more centralist social control) →
interest rates control (making money from debt) and the
international banking rules and international
lending/currency-exchange programs (making the
governments dependent on loan investment programs) →
more debt → more interest → more social control → etc.

▷ Money laundering (stock market, bonds and other
financial products, corporate asset shuffling, real estate, art,
software fees)

▷ Social funds theft (pension funds, tax fund 'redirection').

▷ Political, judicial and corporate bribing.

▷ Threats, blackmail, and assassinations.

▷ Immigration stimulation - legal and illegal - to achieve social and political changes, such as: increasing poverty, more and stronger class divisions, and increasing the Roman Catholic population share.

No smoke screen of religious claims, ecumenical projects, charity work, school programs, media control, finger pointing, and history falsification can undo the crimes for which these people are responsible.

No other organized crime network has done so much damage to the people on this planet!

▷ from its origins as the faltering militaristic Roman empire - just when Catholicism was created to stop the so-called 'heretical churches' and its people - which destroyed a lot of European culture diversity

▷ to the murdering crusades (against Jews, Christians, Muslims, and Germanic/Celtic/Scandinavian/other-indigenous tribes)

▷ to the satanic inquisitions

▷ to the massacre and enslavement of indigenous people in Europe, South America, North America, Asia, Oceania, Africa, Russia and the Middle-East

▷ to the global drugs, arms and human slaves trafficking

▷ to the corrupt banking systems and international corporations

▷ to the World Wars

▷ to the Cold War hoax and its large-scale military and political effects

▷ to the global pedophile rings

▷ to synthesized terrorism and propaganda

▷ to secret renditions, torture prisons, and suspension of habeas corpus

▷ to the ongoing plot to destroy the sovereign United States of America and the nations in Europe

It can all be traced back to a conspiratorial plot to rule the sovereign of this world by any means.

It is going to take the awareness of a large group of people to stop this sick and sad group of people, who ultimately can't love themselves nor others, knowing what they have done.

15.0 Where do we go From Here?

"When the power of love overcomes the love of power the world will know peace".

- Jimi Hendrix

This secret society mafia network and their crimes have been prosecuted in the past.

The Vatican / Jesuits - as a criminal organization - have been prosecuted and expelled from dozens of nations all over the world at some point in time, when their crimes became too much to tolerate any longer. That time is going to come again, and this time it must be even more comprehensive and persistent than before.

Our collective awareness and action must make many other people aware of the enormous crimes committed, and the way in which they were committed.

The Black Nobility, the Catholic 'church' hierarchy, the Jesuits, the Military Order of Malta members, high-level Freemasonry, and all the other secret societies and their front organizations and projects, which ultimately serve these mafia structures, must be permanently exposed, prosecuted, stigmatized and ultimately dismantled (and if needed be replaced with decentralized, constitutional, accountable, democratic cooperation between nations - not above nations) for the benefit of future generations.

Special constitutional reforms against secret societies and their political conspiracies should be discussed, drafted, implemented and educated.

Thomas Cole's 'The Fall of Rome' - The 'Romans' will not bounce back this time

In the end Empires always fall, and some fascistic groups will try to rebuild them again, to try to gain control of the common people, and it will fail again. Politics by distance does not work. It corrupts, it stifles creativity, it tries to disempower sovereign Human beings.

So the EU superstate project will ultimately breakdown. The only question is at what cost? The Euro is certainly an effective way to ease trade between nations, by reducing currency and legal friction.

However, the private(!), pseudo non-profit(!) Federal Reserve Bank history has shown that monetary centralization can be very dangerous in several aspects:

- ▶ Centrally controlled money supply and inflation
- ▶ Artificial boom-bust cycles
- ▶ Draconian 'rescue' plans after the bust cycles
- ▶ Increased poverty due to the long-term ineffectiveness of a central monetary system
- ▶ Monetary efficiency does not equal economic stability and financial sovereignty. The latter two are much more important in the long-term!

Some conceptual recommendations:

- ▶ The supra-state projects such as the EU, NATO, UN must be partly dismantled, then reformed by primarily using collaborative agreements between each sovereign nation. The danger of a too centralized corrupt rule is far more serious than any local form of mafia corruption.
- ▶ The Holy See / Vatican country state and the Sovereign Military Order of Malta, must be stripped of any national sovereign status. These institutions must function within the national democracy and obey democratically chosen constitutional laws.
- ▶ The Vatican and the whole Roman-Catholic organizational network must publicly and officially denounce any temporal power wish and acknowledge the extreme extent of their centuries long crimes against humanity.
- ▶ The Jesuit-Vatican-Masonic mafia network who have participated in these crimes must be researched thoroughly (by an international group of independent researchers), then prosecuted and agree to pay compensations to victims (nations, groups and individuals). The criminal charges and the evidence must then be presented to the respective nations, for further action. No action on behave of this research should lead to boycotts from nations, groups and individuals.
- ▶ All the confirmed history falsification and conspiracy actions should be written down, and discussed in schools. The same goes for clear examples of media corporation censorship and distraction.
- ▶ Proposals for actions for a more robust separation of church and secret societies from the sovereign people of the State, using legal, political and educational means.
- ▶ Special legislation against criminal secret societies (beyond any reasonably doubt, and beyond just organized crime) should be drafted and implemented, using the lessons of history.

The History And Mission Of The Nazi-Illuminati Bush (Scherf(f) Crime Family

January 23 2015 | From: [ProLiberty](#)

Deathbed confessions and photos support claims that George H. Scherf(f), Jr., (AKA Geroge H.W. Bush) was the 41st U.S. president. There are connections to New Zealand, The Vatican, Nikola Tesla, a famous children's cartoon character and a Evita Peron. This is a foray into our true history (as opposed to the fake history we are fed) involving deliberately confusing double-identities in a bid to hide the most evil of plans.

"Skorzeny had some inside information on the Scherff family. After all, he and his S.S. buddies had posed with them at the Scherff home in Germany when he was quite young. This association was by no means a chance encounter and by all appearances, the photo sessions were designed to become mementos to be cherished through the lean years, as a reminder of the "master plan."

According to Otto Skorzeny, pictured above is the Scherff family and a few friends (circa 1938). Holding "Mother" Scherff's hand at left is Martin Bormann. In front is Reinhardt Gehlen. In back is Joseph Mengele and to his right is Skorzeny as a young man. At center right (in the German navy uniform) is George H. Scherff, Jr. and his father George H. Scherff, Sr. Bormann became Hitler's second in command. Reinhardt Gehlen was a chief SS officer and assassin who was smuggled out of Germany under Operation Paperclip.

This story becomes very confusing, quickly. We have attempted to make the full article on the link above a little easier to understand. The history has been intentionally clouded in a serious attempt to obfuscate the details of this family's lineage, for reasons that will become obvious.

GHS1 / PSB - George H. Scherf(f), Sr./ Prescott Sheldon Bush

GHS2 / GHWB - George H. Scherf(f), Jr./ George Herbert Walker Bush

The mystery investigated in this article essentially concerns the true identity of two men.

Firstly, this man who is know to the world as Prescott Sheldon Bush;

And secondly, this man, his son - who is known to the world as George Herbert Walker Bush:

Whatever the true identities of the men above, they are in turn the grandfather and father of the George Walker Bush:

Dubya

Otto Skorzeny was Hitler's bodyguard and SS spy/assassin who came to the U.S. after the war under Project Paperclip.

Otto Skorzeny

Skorzeny and GHW Bush were instrumental in merging Nazi (SS) intelligence with the OSI to form the CIA with "Wild Bill" Donovan and Allen Dulles.

What you are about to read is another step beyond research pioneered in the early 90s by author/historian Webster Tarpley based largely on deathbed "clues" provided by former Hitler bodyguard Otto Skorzeny and his box of photographs.

Prescott Sheldon Bush?

Since Skorzeny's death in 1999, the various leads he provided have been followed up and tend to support what, at first blush, would appear to be the unbelievable rantings of an embittered old man.

What remains constant as we pore through publicly available official records, private correspondence, memoirs, newspaper articles, photos and other "clues" is that Bush family records (the ones that exist) are a puzzle palace of inconsistencies and curiosities.

Since it is a congressionally established fact that Prescott Bush was in business with the Nazis during WWII, we can safely say that the Bush/Nazi connection existed.

Who are the Bushes? How did they get connected with the Nazis?

Is the connection still alive through U.S. presidents George H.W. Bush and George W. Bush? The answers are not as literal as we would like them to be. But we have the testimony of Otto Skorzeny and his photos.

The "Bush" family was created to destroy America.

What we are taught about American history in schools is not history, but a fairy tale. Better yet, it is propaganda designed to hoodwink an unsuspecting society about its true heritage and the treasonous acts and sabotage that were conceived in order to bring about a New World Order.

You are about to learn the real identities of those who have infiltrated the United States of America on behalf of secret societies intent on bringing about the total slavery of mankind. In the past, others have written about the numerous conspiracies to control natural resources, energy, food and our sovereign right to live on planet Earth - not as slaves of a wealthy few - but as free men, women, and children exercising the free will given to them by God.

"Research" is the systematic investigation into and study of materials and sources in order to establish facts and reach new conclusions. This is important research. Read it carefully, with an open mind.

Considering the use of fluorides (sodium fluoride) in drinking water and toothpaste, you may already be in denial. Fluorides (we are told) are for the prevention of tooth decay. You, the reader, can decide if they really work.

The real reason they are added to your drinking water and toothpaste is to cause you to become psychologically and physically placid, and therefore, apathetic.

1.0 A Thought Problem

Imagine you were a member of a secret organization whose sole agenda was to control the entire planet.

If your plan was to accomplish this goal without being perceived by your intended victims, discretion would be paramount. Your organization would devise a series of historical events that, on the surface, would appear to be everyday, happenstance occurrences (natural disasters, man-made diseases, acts of murder, assassination, terror, manipulation of money and energy supplies, contamination of foods, pollution of natural resources, and war).

The timing of these events would require patience, careful planning, cooperation from others in positions of trust, stealth and deceit. In essence, the whole mission must derive its power through **deception and concealment** and must have a **master plan**.

Who were the designers of this master plan? Follow along as we connect the dots.

2.0 The Master Plan:

2.1 Arrival of the Bankers

At the turn of the 20th century, a plan to slowly take over the government of the United States began to unfold. Many works have been written about the Nazi machine that instigated two world wars, though few have traced the footsteps of the foreign financiers and the actors we prefer to call "politicians."

A brief glance at shipping records, passenger manifests, and financial transactions on Wall Street indicates a pattern of deception which was masterminded by this same machine. The level of cooperation from government agencies and their elected officials was not only disgraceful, but blatantly treasonous.

'The Clubhouse' on Jekyll Island, Georgia, USA. Birthplace of the United States Federal Reserve System

In his book, "The Creature From Jekyll Island," [1] author G. Edward Griffin described the secret meetings which created the Federal Reserve in 1913. The architect of the plan, Paul M. Warburg, was a representative of the Rothschild banks in England and France and his brother Felix headed the Warburg banks in Germany and the Netherlands.

Of significance is the fact that the first "official" media report about the Federal Reserve occurred three years later. In "Leslie's Weekly," [2] B.C. Forbes described the secret meeting between Republican Senator Nelson W. Aldrich and six of the most powerful bankers in the world. That this meeting had to be conducted in a secret, clandestine island location indicates the level of deception, concealment - and treason - at work.

2.2 Paul Warburg

That Paul Warburg, a **German national**, spoke English well enough to **craft a financial document (a volume consisting of 1,750 pages) resulting in the Federal Reserve Act** designed to control the finances of the United States (from Europe) was no small feat. Of particular interest was how Warburg was able to establish these important connections prior to his arrival in the U.S. in 1913 and then orchestrate this financial coup. **Warburg had to have known his co-conspirators before coming to America.**

Paul Warburg

The first official record of Paul Warburg's trip to the U.S. appeared in the **Kaiser Wilhelm II** passenger manifest, upon arrival at Ellis Island, **October 13, 1903**. [3] The official manifest (on line 7) lists a "**Mr. P. Warburg, age 35; Occupation: Banker; Nationality: American; Heritage: German; Last Residence: Hamburg; Final Destination: New York; Home: 3 E. 82nd St., New York.**"

In fact, **Paul Warburg** claimed he was an **American in 1903**. Was this claim valid in 1903?

Of special interest in this October 13, 1903 passenger manifest, is the fact that other prominent passengers in the elite financial community were also on the same passenger manifest. **Harry Sachs** (of **Goldman Sachs** fame) is listed as a passenger but, unlike Warburg, he was not required to declare his destination or his address.

In fact, of the 30 passengers listed on page 293 of the Ellis Island database of ship and passenger arrivals, **P. Warburg** was the only passenger required to declare his destination.

Was this an attempt to establish Warburg's nationality?

Suspiciously, the second half of the page is missing from the database, so we are not privileged with pertinent and "official" information as to his place of birth nor his physical description on this occasion. Future arrivals to the Port of New York would shed more light on these issues.

The record keeping by the Immigration Office on October 13, 1903, was not merely sloppy. It appears that Warburg and other passengers were not scrutinized to the extent required by law and were assisted in entering the country with special, yet illegal considerations. Unlike earlier or later arrivals, immigration officers were permitted (or instructed) to be lax and obviously negligent, in their duties, particularly where destinations and birthplaces were of concern.

Warburg's second arrival to the U.S. (on the SS Deutschland) was similar to his first. Though still a "U.S. citizen" in 1905, he was demoted to "merchant." [4] However, on a third arrival in 1906, Warburg was, once again, a "banker." **His memory had failed him on this (third) trip, when he declared he had "never been to the U.S. previously."**

Neither had his wife and two children, who had travelled with him on prior trips. **He had also forgotten about his home in New York City, too, when he claimed he had no address in the United States.** On this visit, Warburg declared "Hamburg, Germany" as his place of birth.

Incredibly, on a later visit to the U.S., Warburg claimed he was officially a "naturalized citizen," citing the "Circuit Court of New York City, March 21, 1911" [5] as the place and date where he had been bestowed his citizenship. Despite Warburg's earlier proclamations, he was not declared a U.S. citizen until that time.

Warburg thereby committed perjury, which was overlooked on numerous occasions by the Immigration Service officials, seemingly an act of treason on each occurrence.

During subsequent visits to the U.S. in 1910, 1912 and 1913, while again proclaiming his U.S. citizenship, Warburg referred to 17 E. 80th St., New York as his home address. **Not once was there any mention of his association with the Rothschild banks in Paris and London,** and his permanent residency in Europe, not in America. Why the deception?

2.3 James Loeb

Not to be outdone, James Loeb, a partner in the Kuhn, Loeb & Company banking firm in New York City, traveled with Warburg on October 13, 1903. Loeb declared his U.S. citizenship on this trip, though he apparently suffered from amnesia in 1910, neglecting to declare any country of origin and later, in 1912, **declaring to the U.S. Immigration Service that his birthplace was "Landsberg, Germany," [6] a small town west of Munich.**

James Loeb

Loeb also indicated (trip on this) that he was staying “with Mr. Warburg.”

Amnesia must have been a disease that plagued most German bankers at the turn of the century. The disease didn't stop there and soon spread to institutes of higher education. Harvard University Press published a memorial biography to the founder of the Loeb Classical Library, bequeathed to Harvard University by none other than James Loeb, one year after his death in 1933.

“James Loeb was born August 6, 1867, in New York City, the son of Solomon and Betty (Goldberg) Loeb. Solomon was a partner and founder of the banking firm, Kuhn, Loeb & Company,” the tribute began. [7]

Certainly, Harvard University would have known where Loeb was born and, for that matter, so would have Loeb. If this quotation were true, then **what would have caused Loeb to state (to the INS) in 1912 that he was born in “Landsberg, Germany?”**

The Harvard Press biography did little to legitimize the matter of Loeb's birthplace, though it was a valiant attempt.

Still, if there remained any confusion, the U.S. Immigration Service could have clarified the issue based on the information it had acquired in 1903 and again in 1910. But that was not the agency's intention. The Immigration and Naturalization Service agents were complicit in hiding James Loeb's true birthplace and his association with financiers of the future German Nazi Party, an act which was aided and abetted by the sloppy, incomplete immigration records kept at Ellis Island and the Port of New York.

That was part of the deception. Yes, he lived and worked in New York and may have attended Harvard University. But, considering the connections Kuhn, Loeb & Company had to the banks that supported the Nazis through money-laundering activities until getting caught in 1942, **it was most likely that Loeb (like Warburg) had been groomed for his role in order to maintain the founders' (of this “master plan”) “bloodline.”**

There were other inconsistencies in the Harvard Press biography, again, based upon the above-mentioned records. “In the winter of 1891 a severe illness (possibly depression) obliged him to give up business and he spent the summer traveling in Scandinavia, returning to banking again only until January 1, 1902, when he retired due to renewed health problems” [Amnesia?].

James Loeb could not have traveled and returned to the United States during 1892, unless he had swum upon his return trip. The first of his three voyages to Ellis Island (from Europe on the **Kaiser Wilhelm II**) arrived on October 13, 1903, as previously mentioned. It was unlikely he would have returned to any port of entry other than New York, unless he had arrived at some other secret location. And there were no transatlantic airline flights in 1903. The Harvard story had to have been a fabrication intended to hide some dark secret.

Considering the sizable endowments Loeb lavished upon Harvard and other notable educational, medical, and art institutions in Boston and New York, it was most advantageous for Harvard to portray Loeb as a philanthropist and victim of “depression” (hardly fit for a transatlantic swim), than as a German banker whose father's company supported the “master planners” war machine before and during two world wars.

According to further reminiscent accounts, “He retired to a quieter place, his farm at Shrewsbury, New Jersey, **moving to Germany in 1905, where he stayed** (except for a period during World War I) until his death in 1933.”

Evidently, Harvard was unaware of two more trips (documented by the Federal Government) that Loeb made to New York in 1910, and again in 1912. **It was no coincidence that Loeb's return trips to the U.S. (as an on-again, off-again U.S. citizen) were orchestrated to accommodate Paul Warburg's meetings with Wall Street bankers of German persuasion, as they plotted to create the Federal Reserve System, a foreign entity.**

“On graduation, he received an offer through his teacher and friend Charles Eliot Norton to study Egyptology in Paris and London.”

Norton was the “appointed professor of history of art at Harvard University,” “from 1856 to 1874 Norton spent much time in travel and residence on the continent of Europe and in England,” and was the first president of the Archaeological Institute of America (1879-1890),” according to his biography at wikipedia.org. [8] It would seem that Egypt was a more suitable location for studying Egyptology than **Paris and London, where Paul Warburg managed the Rothschild banks.**

Loeb died in Munich in 1933, lending belated credence to his 1912 assertion, to the INS, that he was “born in Landsberg, Germany” and was a “German citizen”- “never having previously been in America.”

3.0 Nikola Tesla

Despite conflicting literary and historical accounts, Nikola Tesla, a Serb, was born on July 10, 1856, in Smilja, Lika province, or what is now modern-day Croatia. Prior to World War I, Smilja was on the border of the Austro-Hungarian empire so, in

effect, Tesla was a citizen of Austrian origin.

Nikola Tesla

The son of a Serbian Orthodox priest who rose to the rank of Archbishop, Tesla had the opportunity to study a variety of topics contained in his father's personal library. As a young boy, he accompanied his father on trips to Rome, where he was able to study the lesser-known works stored in the Vatican's vast scientific repository.

Upon completing his studies in engineering and physics at the Polytechnic Institute in Graz, Austria, Tesla attended the University at Prague. He demonstrated, early on, an innate ability to solve mechanical and scientific problems, especially in the area of electricity and its applications in power production. After working for Edison Telephone Company subsidiaries in Budapest, Paris, and other cities throughout Europe, Nikola Tesla went to America, to meet the man whose company gave him his first job, **Thomas Edison**.

Tesla found it difficult to work for Edison (due to Edison's renegeing on financial promises), but soon found backers to finance his research and development projects and his new inventions. **Financiers, such as John Pierpont (J.P.) Morgan, George Westinghouse and John Jacob Astor** were among those who saw the potential in Tesla's pioneering, entrepreneurial spirit to capitalize on his technological discoveries in electricity, wireless communications, and physics.

The only official documentation of Nikola Tesla's arrival to the United States was, again, produced at the Port of New York. [9] On April 7, 1882 a 25-year old Tesla arrived via the SS Nordland, which departed from Antwerp. He had returned, on this trip to the U.S., after lecturing in Paris. Tesla's destination: New York. Tesla immigrated as a "laborer," though this label hardly befit the man who would become the most prolific inventor in history, with some 700 technological patents to his credit.

Previous accounts of Tesla's association with Thomas Edison's projects place him in the United States in the 1870s. **His many technological discoveries were certain to have drawn the attention of those hungry for world domination and superiority. By and large, Tesla's inventions and his career were excluded from our history books because his inventions and patents were stolen and then weaponized. It was never intended for us to learn about the suppression of Tesla's advanced scientific discoveries, nor about those who profited from their theft - the orchestrators of the master plan.**

Though much has been written about Tesla's successes and failures, **few have detailed the behind-the-scenes financial activities which disclose a Nazi plot to acquire his technology, while research and development costs had largely been paid (unknowingly) by U.S. taxpayers. Many of Tesla's patents fell into Nazi hands prior to and during World Wars I and II.** As a result, Tesla continuously found himself in litigation over patent rights and other issues.

Although he had succeeded in winning the majority of his patent lawsuits, **his technology had been repeatedly stolen and sold to the German Nazis and other foreign governments, so he never achieved the financial success he deserved.** The embezzlement of his capitalization went unchecked throughout Tesla's career. **At the time of his death (by murder, according to Skorzeny) on January 6, 1943, Tesla died virtually penniless.**

3.1 Tesla's Assistant, George H. Scherff, Sr.

Nikola Tesla's successes in discovering new technologies did not go unnoticed by many industrial capitalists and world governments. In fact, many of his inventions were developed through secret government programs which began soon after his discoveries in alternating current (AC), electromagnetic energy, electric motors, generators, coils, radio transmission, energy-saving devices, and wireless transmission technologies.

Since Tesla was often buried deep in research at remote labs, many of his financial and legal affairs were supervised by his closest associate, **George H. Scherff**. Scherff often advised Tesla about pending patent litigation, contracts, proposals, demonstrations, and financial affairs.

As any trusty associate would, Scherff stood beside Tesla through all the ups and downs of his financial nightmares, sometimes arranging for extended credit at the Waldorf-Astoria, where Tesla often resided, or by obtaining a cash advance toward research he had been contracted to perform. Near the end of his career, Tesla was evicted from the Waldorf for an outstanding bill which exceeded \$20,000 - a rather large sum for those days.

As Tesla worked on secret U.S. government projects at Colorado Springs, Colorado, Scherff communicated to Tesla the status of his business affairs. Tesla spoke of hopeful, future financial successes, though Scherff repeatedly delivered the news of dwindling funds. Tesla had begun construction of a wireless power transmission tower ("Wardenclyffe," Shoreham, Long Island) **with funds invested by J.P. Morgan.**

It is not widely known that the famous cartoon banker of the 'Monopoly' board game was based upon John Peirpont "J.P." Morgan himself.

When Morgan discovered that the tower would transmit free electricity and radio waves, he cancelled the project and had the tower dismantled, then sold for scrap. Morgan was not about to allow Americans to receive free electricity, television and radio.

Tesla was devastated when he received the news, but continued on with his new inventions.

Some 12 years later, on October 14, 1918, Scherff wrote to Tesla at Colorado Springs. The correspondence focused on the usual disclosure of pending legal issues and attorney matters and was sent to Tesla on Tesla Company letterhead containing the company's headquarters address at 8 W. 40th Street, New York, NY. [10] On October 15, 1918, (the next day) Tesla responded to Scherff's letter (it seems impossible regarding our understanding of the technology available at the time, but these are the dates attached to the correspondence).

An interesting anomaly: Tesla's response was addressed to "George Scherff, Esq.," Union Sulphur Co., 17 Battery Pl., New York, NY (Union Sulphur Company?). [11] This address was not the location of the Nikola Tesla Company.

4.0 The Rockefeller Connection

Records show that 17 Battery Place is the Whitehall Building and was owned by Frank Rockefeller, who, with his brothers William and John D., also owned many of the companies with offices located there. The International Longshoremen's Association (ILA) had its world headquarters there, as well as a variety of oil, mining, and chemical companies. [12]

Though Union Sulphur Company was run by its president, Herman Frasch, a German chemist who patented extraction methods for sulphur and petroleum, Frasch also worked for John D. Rockefeller's Standard Oil Company (in New York, New Jersey, and Cleveland, Ohio), developing similar extraction methods.

John D. Rockefeller

On the basis of this association, George Scherff, Sr., had connections with the Rockefeller family, though it is unclear if Tesla was at all aware of this connection.

Frank Rockefeller was also an investor of Buckeye Steel Castings in Columbus, Ohio. **Buckeye manufactured automatic couplers and chassis for railroad cars owned by the Harrimans, the Rockefellers, and J.P. Morgan.** Eventually, Samuel P. Bush was promoted from general manager to president of the company after producing gigantic profits.

Samuel P. Bush's association with the Rockefellers and his subsequent position as Director of the War Industries Board afforded him the opportunity to create contracts with Remington Arms during the war, courtesy of Percy Rockefeller.

Nikola Tesla's trusted assistant (sometimes referred to as "accountant" or "secretary") George Scherff, Sr., worked at Union Sulphur Company. Normally, this association would not set off alarms, considering the state of Tesla's affairs. Scherff had every right to earn a decent living in order to support his family. That was "the American Way." But a careful examination of Union Sulphur Co. might reveal that someone was being deceived - Tesla, and Scherff was at the root of this deception.

5.0 Who was George Scherff?

Who was George Scherff? Better yet, who was George H. Scherff, Sr.? There exists no legitimate record of a George H. Scherff being born in the U.S. from the late-1800s through 1925, yet, George Scherff was Nikola Tesla's assistant/accountant. If he was born in Germany, could his birthplace shed some light on this mystery?

Probably - if they exist (it has become apparent that individuals associated with the Nazi Party commonly have all or parts of their genealogical records expunged - we will explore this further in the section of this article dealing with the "Bush" family tree).

6.0 Otto Skorzeny: S.S. / ODESSA / CIA Master Spy and Assassin

Friends and acquaintances of Nikola Tesla recall him **complaining about Scherff's son, George, Jr., always snooping around Tesla's lab.** On more than one occasion (probably during the late 1930s), Tesla caught the 14-year old Scherff looking at his notes, poring through his books, and stealing small items from his lab.

Tesla gave him the nickname, "Curious George" and likened him to a "mischievous monkey." According to Skorzeny, (Adolph Hitler's former bodyguard) in a deathbed confession to Eric "Orion" (Eric Berman) in S. Miami, Florida, Tesla, "hated the younger Scherff."

In fact, according to Skorzeny, the true identity of George H.W. Bush was "George H. Scherff, Jr., the son of Nikola Tesla's illegal-immigrant, German-born accountant, George H. Scherff, Sr."

Curiously, [the day before the national theatrical release of the Hollywood production of the Curious George feature length film](#), Alan Shalleck, the originator of Curious George (and the man in the Yellow hat), was found murdered under a pile of plastic garbage bags in his driveway in Florida at age 76. [13]

In short, Otto Skorzeny claimed that the true identity of George H.W. Bush was "George H. Scherff, Jr., the son of Nikola Tesla's illegal-immigrant, German-born accountant, George H. Scherff, Sr."

The unmistakable Otto Skorzeny with Adolph Hitler

Worth a thousand words:

But this was not the only bombshell Otto Skorzeny delivered that day in late-1999.

Skorzeny, producing a shoe box full of 60-years worth of his personal photographs, showed them to Berman, describing each one in great detail.

The collection featured a photo of a young, majestic Skorzeny in full S.S. Nazi military dress, next to his Führer, Adolph Hitler.

Then there were photos of Reinhard Gehlen (S.S. spy and assassin) Dr. Joseph Mengele (the "Angel of Death") Martin Bormann (Hitler aide and S.S. assassin) and Adolph Hitler (photographed in 1997 at age 107).

The Hitler photo was taken during a "reunion" at the Lake McDonald Lodge in Glacier National Park, Montana, on August 27, 1997.

According to Skorzeny, Adolph Hitler was alive and well in the U.S. in 1997!

Skorzeny did not stop there.

He produced a photo of a young Skorzeny, Mengele, Bormann, and the family of George H. Scherff, Sr.. Seated in the midst of those in the photo was a young **George H. Scherff, Jr., who, Skorzeny explained, was trained as a spy and sent to America to work for Adolph Hitler.**

"He was given false identification and adopted by Prescott Sheldon Bush as his "son," George Herbert Walker

Bush," Skorzeny went on. "He forged a birth certificate in order to enter the military before he turned 18. He was 16 at the time."

In the family photo, a young Scherff and Bormann both sported a German Navy uniform. Scherff later enlisted in the U.S. Navy as "George H.W. Bush."

In even greater detail, Otto Skorzeny described how ("contrary to the CIA-written history books") he **helped Hitler escape to Austria in a plane flown by a female pilot, Hanna Reitsch.**

"Hitler did not commit suicide," Skorzeny recounted.

"His double was shot between the eyes, and the dental records proved he was not Hitler. The Americans kept it a secret, worried the truth might anger the Russians."

Eric "Orion" (Berman), in a live radio interview on Republic Broadcasting Network, January 17, 2006, [14] detailed how:

"Skorzeny died on December 31, 1999. His body was cremated, I have a copy of his death certificate, and I saw his ashes. After the war, he helped George Bush found the CIA through Operation Paperclip and ODESSA."

Berman recounted how Skorzeny was found "not guilty" at the Nuremburg trials, and then ushered into the CIA.

"Some 50,000+ S.S. Nazi war criminals, not just rocket scientists, were brought to America after the war."

Skorzeny, about age 90 at the time, was described by Berman as:

"very focused and very lucid, and he was still very mobile. He was still able to walk around - he was still very impressive and he had about the biggest hands I have ever shaken. He was 6'-4" and was a giant for his day. He towered over me, and I'm 5'-8"."

When asked why he thought Skorzeny entrusted this information to him, Berman responded:

"I was dating one of his daughters. He knew that I'm Jewish, first of all, I'm an honest guy and he thought that I would really try to do something about this and bring some justice, yeah, to these wanted Nazi war criminals."

His whole goal was.... they had screwed him over, including George Bush, they screwed him over.... and out of large sums of money over the years. This was his one last way of... you know, getting even with them."

A biographical article about Nikola Tesla appeared in the Tesla Tech, Inc. magazine, "Extraordinary Technology," Volume 4, Number 3, Aug., Sept., Oct., 2006. [15] The article, written by Dustin Wallace, spoke of Tesla's childhood, some of his inventions, and his last days. Wallace wrote (pp. 21-22);

"The Yugoslav Monarchy in Exile was summoned to visit Tesla in the fall of 1942."

However, Charlotte Muzar, a secretary, paid Tesla the visit. From his condition upon her arrival she felt as though he may not live through the night. Another friend of Tesla's, Kenneth Swezey visited him during the time and noted that he was existing on warm milk and Nabisco crackers alone. It was apparent that Tesla was nearing the end of his time.

By late December of 1942, Tesla began meeting with two U.S. government agents in order to share some of his most sensitive discoveries. These men carried away many of his documents for microfilming."

"On January 4, 1943, Tesla's faithful assistant, George Scherff, visited Tesla for the last time, Tesla was found deceased in his hotel room on the morning of January 8, 1943. He had passed away between those four days since Scherff's visit."

The article continued, *"Following Tesla's death the United States Office of Alien Property, under the instructions of the Federal Bureau of Investigation, confiscated all of Tesla's papers and property. This was an interesting maneuver considering that Tesla was a United States citizen."*

The significance of this benign description of Tesla's inventions and his last days has a direct relationship to the previously unknown claims of Otto Skorzeny. As Skorzeny described (to Berman) in detail his involvement with George H. W. Bush (George H. Scherff, Jr.) in organizing the CIA by absorbing Nazi S.S. agents," he intimated that it was **Reinhard Gehlen and himself who murdered Nikola Tesla** on January 6, 1943 by strangulation/suffocation.

Prior to the murder, Skorzeny and Gehlen "spoke in great detail to Tesla about his most-advanced technologies and then stole the blueprints of his best, most-secret inventions."

Were these the "two U.S. government agents" about whom Dustin Wallace wrote? The timing of George Scherff's last visit to Nikola Tesla was suspicious, as well.

Skorzeny did not stop with these soul-cleansing disclosures. He went on to describe the aliases of himself Frank Edward P_ _ _ _ _ of south Florida (according to Berman, who claims he is trying to protect Skorzeny's daughter), Reinhard Gehlen (Hank Janowicz, Wayne, N.J.), and Dr. Joseph Mengele (Steven Rabel). According to Berman:

"Gehlen was tipped off by the FBI about Skorzeny's unveiling of his identity and location, and Gehlen (Janowicz) then went into hiding. Mengele (Rabel), through a series of anti-aging hormone injections, a black hairpiece, and 'cannibalism' has maintained a youthful appearance."

Having investigated some of Skorzeny's claims, Berman had contacted the U.S. Justice Department to inform them that Nazi spies were being harbored by certain factions of the U.S. intelligence agencies, in particular, the CIA.

"My thoughts were that, uh, I needed to try to bring these wanted SS Nazi war criminal, holocaust killers - terrorists, basically - to justice. I wanted to call our government and tell 'em, 'Hey, that they're still alive.'"

I wanted to bring 'em to justice. That was my whole intention. I initially had contacted, or tried to contact Eli Rosenbaum, who was the Director of the United States Justice Department, Office of Special Investigations.

Basically, they, uh, thought it was a hoax and they told me that I was mistaken, and that according to the CIA, 'all of them were all dead and I was mistaken.' That's what they told me. I was wrong."

"Later that night, I was over at, uh, Skorzeny's house, and his widow received a phone call that turned her white, and she almost passed out. Basically, someone from the OSI tipped her off that I had contacted them... and that I had known about them. Later that night, when I was comin' back home, uh, a car pulled up behind me, flashing his lights, wanting me to pull over.

So I pulled over - I knew somethin' was probably goin' on, so I was ready, and somebody walked right next to me - it looked like he had a gun in his hand, possibly, so I sped away.

All right, uh, my girlfriend was in the car at the time, all right, and I sped through three lanes of traffic and went into a local shopping center, and he pulled in right behind me - and he gave me a dirty look - then he pulled a couple feet away, then he drove off. But, uh, I'm sure they tried to put a hit out on me. That's what it was."

Berman then confirmed the girlfriend was Skorzeny's daughter and added, *"She, uh, she didn't know that I knew... she didn't know that her father had told me all this. That's why we're no longer goin' out. She broke up with me when the government tipped her off that I wrote a book about her family."*

In order to authenticate the above revelations, the author began conducting his own research into the alias of Otto Skorzeny. The first detail, considering Berman's "cryptic clue" of Skorzeny's CIA name, was to determine the variety of names that begin with the letter "P" - Palmer, Parson, Paskel, Peller, Porter, Powell, etc., settling on "Powell" as the most-likely possibility.

Then, there was the distinct possibility that Skorzeny (for the purpose of protecting his wife and children) slightly misled Berman about his "official" alias, by reversing his first and middle names.

An exhaustive search revealed an interesting twist. Since Skorzeny had children, he likely had a wife. In fact, he did have a wife and left a trail (though worn out by time), that might shed some light on the master plan (this issue is discussed later).

Further research about the life of Otto Skorzeny, "master spy," reveals his little-known **affair with Eva (Evita) Marie Duarte de Peron**, wife of Argentina's President, Juan Domingo Peron.

Eva (Evita) Peron

Gold which was stolen by the Nazis (laundered by Swiss banks and the Vatican, then smuggled to Argentina by Admiral Wilhelm Canaris) had accrued enormous interest after World War II, and upon her death, **Eva Peron bequeathed Skorzeny \$100 million, which ultimately fell into the hands of the CIA.** The Nazi-CIA connection to the money was obvious. Based upon Skorzeny's claims, this money probably fell into the hands of George H.W. Bush and his "handlers."

7.0 George H. Scherff, Jr., Visits the FBI

Upon the untimely death of Nikola Tesla, perhaps the world's most renowned scientist in history, **J. Edgar Hoover, Director of the FBI, received an unexpected visit from George H. Scherff, Jr.** That George Scherff, Sr., Tesla's trusted associate, chose to send his teenage son to visit the FBI's notorious director should have raised a red flag, which it probably did among intelligence agencies.

Scherff, Jr., explained to Hoover that he had worked for Tesla and was entitled to his papers and other effects. He also expressed concern that "a foreign government might also be interested in his inventions." [16] Scherff, Jr., also gave Hoover an address, "149 Secord (sic) Rd., New Rochelle, New York" ["Seacord" is the correct spelling].

FOIA file on "subject, Nikola Tesla":

"Mr. George H. Scherff Jr. advised that he had received two letters... Mr. Scherff stated that he was an associate of Nikola Tesla in 1914 and that for many years, his father had been Dr. Tesla's private secretary. Mr. Scherff said that he had never heard of Leland J. Anderson nor any of the names mentioned in Anderson's letter"

(Anderson had written to the Scherff household seeking information about Tesla's writings. He was working on a thesis for school and had been seeking information from Tesla's associates and communications).

February 3, 1954:

"Mr. Scherff stated that he has quite a bit of Tesla's writings in his possession and he didn't know whether or not they would be of value to a foreign government."

There are several glaring discrepancies and inconsistencies in George H. Scherff, Jr.'s statements to the FBI (or the actual intent of the document). The author conducted his own research into the background of George H. Scherff, Sr., **and, from all indications, concludes that George H. Scherff, Jr., could not have worked for Nikola Tesla in 1914.**

Scherff, Jr. wasn't even alive in 1914, so he could not have "worked for him" then or at any other time (based upon the numerous accounts about "Curious George," Tesla could not even tolerate him being around his laboratory). It is highly unlikely that Tesla would have hired (or did hire) him. Other than a book written by John J. O'Neill, 'Prodigal Genius, The Life of Nikola Tesla' in 1944, this was also the only known reference to Tesla having a secretary named "George H. Scherff." [17]

For the greater part of his career, Tesla's secretary was Dorothy F. Skerritt. Both Skerritt and Muriel Arbus worked for him at the time of his retirement, which was forced due to dwindling funds. The acknowledgments at the end of the book describe George H. Scherff as a "business associate," and there is no mention whatsoever of George H. Scherff, Jr. ever having worked for Tesla.

So why did Scherff, Jr., lie to the FBI? Because it was dangerous for him to tell Hoover the truth about the real identities of his father and himself. Why would George H. Scherff, Sr. send his teen-age son to seek papers and other records (belonging to Tesla) from the FBI and not do it himself? Because the Director of the FBI, Herbert J. Hoover, would have recognized him as someone other than George H. Scherff, Sr. In fact, it is highly plausible that the individual who spoke to the FBI was not a Scherff and was a stand in.

There also remains the most-likely possibility that **the Scherff interview was nothing more than a ruse, created by the FBI for the purpose of obfuscating the facts around the government's involvement in the murder of Nikola Tesla, the theft of and covert infringement on his patents, and the money laundering that ensued between a few Wall Street banks and Adolph Hitler's Nazi Party.**

Anyone interviewing George H. Scherff, Jr., would have easily recognized that he was **not old enough "to have worked for Nikola Tesla in 1914."**

Redacted statements in the above-referenced FOIA files indicate something was being covered up. The "Scherff" documents were created to thwart the research efforts of Leland J. Anderson, hide the facts behind Tesla's murder, and dispel any speculation that the FBI stole Tesla's records, research documents and new technologies.

In 1942, less than a year prior to Tesla's untimely death, it was already known that **principles at New York's Union Banking Corporation had been caught "Trading with the Enemy," Nazi Germany.**

Among the principals was **George Herbert Walker, Prescott Sheldon Bush,** "son" of industrialist **Samuel Prescott Bush,** who was president of **Buckeye Steel Castings** in Columbus, Ohio and the **director of the Facilities Division of the War Industries Board.**

The WIB gave Samuel P. Bush **unprecedented ties to the Eastern elite families** through its association with one of the largest weapons manufacturers, **Remington Arms.** Buckeye Steel Castings supplied the railroad industry, controlled by the **Rockefellers, the Harrimans, and J.P. Morgan** with coupling parts and chassis for their tankers and railcars.

Behind the scenes, Archbishop Francis Cardinal Spellman **secretly influenced (or controlled) the activities of key intelligence agencies in the U.S., thus, affording the Vatican the opportunity to suppress potentially damaging information** from reaching the public.

Spellman and Hoover served the same "master," though it was not the U.S. government. Upon the revelations of the New York / Nazi money laundering and war profiteering, records in the National Archives, in particular those related to Samuel P. Bush, **were destroyed "in order to save space."** Most likely, those records exposed multiple, covert relationships in a conspiracy of monumental proportions.

Tesla with King Peter II of Yugoslavia at the Hotel New Yorker July 15, 1942. It is strange that Tesla, one of the most brilliant inventors ever, would die penniless and his "trusted assistant", according to Otto Skorzeny and some strangely corroborating records, was "George H. Scherff, Sr." Tesla died January 6, 1943.

► Why did the most brilliant scientist in history die penniless with his inventions benefiting megalomaniacal governments and ruthless organized criminals?

► Why are the world's most profitable businesses oil, chemicals, war, pharmaceuticals, "illegal" drugs, human slavery and prostitution?

► Why do "democratic" governments rule their people with oppressive, police-state tactics? Why do these "democracies" poison the food, the water, the air and the land; why do they tax and regulate their people into slavery?

It is simple to understand when you put these questions into human terms. We know how people occupy niches in our own circles of influence; how we all try to maximize our opportunities within a given set of circumstances - and how some can be depended upon to lie, cheat and/or steal their way into success within an operating framework.

Look at the Bush and Walker families' lineage on this page [see link to source at the end of this article] and keep it in your mind as you read through and internalize this part of the story - the story of why America is ailing, how she became ill and who poisoned her.

The relationships are (intentionally?) complex and difficult to decipher, so we have attempted to reduce them to workable symbols as if parts of equations.

When we come out the other side of this article, we should have no question in our minds as to which "families" have been most influential in the preplanned destruction of America and her once-free people.

8.0 George H. Scherff(f) Sr. / Prescott Sheldon Bush (GHS1 / PSB)

According to the CIA-written history books and cleverly-crafted political stories, Prescott Sheldon Bush was born on May 15, 1895, in Columbus, Ohio. Ironically, genealogical profiles by some independent researchers and relatives cite his birthdate as "March 12 or 13." Certainly, those tracing the Bushes' roots and family history would have gotten it right.

It would also seem that the son of such a prominent industrialist (with powerful political connections in Washington, D.C.) would have been given a birth certificate, clearing up this discrepancy once and for all.

We know that the man looks like this, whichever name he went by under any particular circumstance.

The Bush family "history" claims that the young Prescott "attended the Douglas School," also in Columbus, Ohio.

The problem with this claim is that there was no Douglas School in Columbus in 1900, nor for most of the 20th century.

So we now have two disputable claims entered in the history books and current genealogical records: Prescott Bush's date and place of birth and his schooling in Ohio.

Bush's family biography then describes his "enrollment at St. Georges School," a co-ed, Episcopal prep school near Newport,

Rhode Island, from 1908-1913. **How he was able to "transfer" to this prestigious school for the wealthy (after attending a school that never existed) leaves room for much speculation.**

The first man in question: Was he really Prescott Sheldon Bush or was he George H. Scherf(f), Sr.?

It is unclear how many grade levels the school accommodated only 12 years after its founding in 1896, though today it operates as a high school-level institution, offering courses from grades 9-12.

A recent posting on the St. George's official web site boasted that the "grandfather of our 43rd President" was an alumnus of the school, as if that were to lend further credibility to the Bush school *myth*. [18]

Today, the school offers a matriculation program with ties to 57 colleges and universities.

Prescott Bush's numerous biographies mention his graduation from Yale University in 1917, though there is no mention of a degree. *Before* his graduation from Yale, yet another anomaly appears - his enlistment into the Connecticut National Guard in 1916.

The conflicting dates do not end there. While on a tour of duty in the U.S. Army from 1917-1919, Bush is credited, on August 8, 1918, with "deflecting an incoming shell with a bolo knife" and saving the lives of three allied leaders. As a result for his bravery, he "received the Cross of the Legion of Honor (from France), the Victorian Cross (from England) and the Distinguished Medal of Honor (from the U.S.)"

Upon his return to Columbus, Ohio, in mid-1919, Bush found it difficult to explain away the concocted "war hero" story (another anomaly) and "moved to St. Louis." [19]

Still, another story surfaced regarding Prescott Bush's whereabouts during 1918. **Having been initiated into Yale University's secret Skull and Bones Society** (some say in 1916, others claim it was in 1917), Prescott Sheldon Bush is **credited with the grave robbery of the skull of Geronimo**, from a graveyard near Fort Sill, Oklahoma.

Though this story may only be another myth, by now it has become quite difficult to distinguish PSB biographical fact from fiction.

The overlapping timelines of these stories are enough to raise a few valid questions:

- ▶ Where and to whom was Prescott Sheldon Bush born?
- ▶ Why are there no official records of this monumental event?
- ▶ Where and when did he attend school?
- ▶ Where are his military records kept, or have they been conveniently "burned to create space in the National Archives" along with his father's wartime business records?

Biographical accounts about Samuel P. Bush (SPB; Prescott's father) claim that he was born at "Brick Church, New Jersey." [20] This information is supported by federal census declarations made by SPB himself. Fortunately, (for those who still seek the truth), there are two more records that show the flagrant deception (concealment) practiced by PSB.

The 1920 U.S. Federal Decennial Census, taken in St. Louis, Missouri, documents a "Prescott S. Bush, age 24, general manager of a hardware company." Biographical accounts describe Prescott's position as a **"warehouse clerk" and not as a "general manager of a hardware store"**. Prescott stated that his father's place of birth was **"New York."** [21]

The 1930 U.S. Federal Decennial Census documented the family of "Prescott S. Bush, age 34." When asked where his father was born, he replied, **"Massachusetts."** [22]

Even the Federal government's own Census Bureau failed to recognize this inconsistency. **How is it that a 24-year-old Yale University graduate (then again a decade later as a 34-year-old banker in New York City) could be so confused about his father's birthplace?**

If Samuel P. Bush was not Prescott's real father, that would explain everything. Nevertheless, the two statements appear to be blatant lies, not innocent mistakes. The Bush family biographies do nothing to rectify this dichotomy.

Only the most perceptive reader will have noticed the intentional variation in the spelling of "Scherf" with one "f." Why the variation in spelling? That question will be answered after a closer examination of the real identity of George H. Scherf, Sr. and his real mission.

Considering Adolph Hitler's propensity to employ metaphysical symbology and his obsession with the dark side of the occult, it is plausible that **George H's** surname had everything to do with his having been chosen for an exceptionally covert plot:

To funnel and launder stolen money through American banks sympathetic to the Nazi cause, to profit technologically and financially from stolen technology, and to subvert the government of the United States through bribery, intimidation, murder and espionage.

The following translation of the surname "Scherf" casts some light on the occult (hidden) meaning of the name.

The following quotes are taken directly from the web site Scherf.com

SCHERF: German and Jewish (Ashkenazic); from Middle High German. Habitational name from places in the Rhineland named Scherf, or from Scherfede near Warburg. (Note: The word Ashkenazic is derived from the Hebrew word for Germany. Ashkenazic Jews are the Jews of France, Germany, and Eastern Europe.)"

SCHERFLEIN: If someone "gives his Scherflein" as a contribution to something, it means that he gives a little money or other small gift to a greater whole. A "Scherf" was a halfpenny or obol from the time of the Carolingians (8th and 9th centuries). The name comes from the Latin scrupulum meaning the smallest part of a measure or weight and changed from scrip, scirp, scerp to Old High German scerpf and today's SCHERF. Scrupulum is the popular version of scrupulum. In popular speech the expression was applied to small coins in general." [25]

Skorzeny had some inside information on the Scherf family. After all, he and his S.S. buddies had posed with them at the Scherf home in Germany when he was quite young. This association was by no means a chance encounter and by all appearances, the photo sessions were designed to become mementos to be cherished through the lean years, as a reminder of the "master plan."

What was the master plan, and how did the Scherf family come to play such a distinctive role?

GHS1 / PSP (George H. Scherf(f) Sr. / Prescott Sheldon Bush) and Nikola Tesla:

Nikola Tesla had emigrated from Austria to the U.S. in order to fulfill his destiny as the most prolific scientific inventor in history. If the Scherfs (who were trained in espionage for the purpose of providing Hitler with stolen technologies developed in America) were to be of any worth to Hitler's unquenchable thirst for advanced weaponry and world domination, they must be able to penetrate Tesla's inner circle of influence.

This mission required deception, stealth, secrecy and financing. Before departing the fatherland, the Scherf's public records and family history were expunged (except for Otto Skorzeny's personal photo collection—an unforeseen flaw in their plan).

► Until this writing, not much was known about **GHS1 / PSP**. His first obligation was to omit any reference to a middle name, **so the "H" was dropped.**

► Then, in order to confuse the issue and prevent anyone from tracing his roots back to Germany, **an "F" was added to the end of the Scherf(f) surname.**

These two steps made genealogical research in Germany extremely difficult, if not altogether impossible. In German genealogical records and databases, the spelling of Scherff (two Fs) is very rare.

However, in the United States the opposite is true. The "double-F" spelling is quite common - so common, that there exists but *one* record of a George "Scherf" ever arriving in the U.S. Since Otto Skorzeny's familiarity with the Scherf family was usually in the context of espionage, he always assumed the spelling to be the "Americanized" version, which was also the published version in writings about Nikola Tesla. Skorzeny, however, did remember **GHS1 / PSP's** middle initial (H).

What history is there of GHS1 / PSP (George H. Scherf(f) Sr. / Prescott Sheldon Bush)?

Once he left Germany on his own (outside of his relationship with Nikola Tesla and the Union Sulphur Co.), **the first record appeared in the *Annual Journal of the House of Representatives (AJHR)* from Wellington, New Zealand**, "for the year 1913 and ending March 31, 1914." [26] Scherf signed on with the SS *Surrey*, a steamship that transported arms, soldiers, cash and probably illegal drugs.

The AJHR contained a report about a major insurrection on the ship and numerous crew members were charged with assault, insubordination, dereliction of duty, and other lesser charges. "Able Seaman" **GHS1 / PSP** (with two Fs), was charged with insubordination, then convicted and sentenced with an 11-shilling fine - a rather hefty sum in 1914 - or two days in jail. It was not mentioned as for which penalty he ultimately paid.

The timing of this concealed event curiously corresponds with the first year of GHS1 / PSP's "proclaimed attendance" at Yale University.

Evidently, the New Zealand House of Representatives and the New Zealand Maritime Museum both felt the conviction of "George Scherff, Able Seaman" was a significant event in maritime history, which resulted in its publication, not only in the Annual Journal of the House of Representatives, but also on the New Zealand Maritime Museum's own web site. No age was given, though a safe estimate would place him in his late-teens to early-20s. After his one-year career on the SS *Surrey*, **GHS1 / PSP** disappeared from the New Zealand shipping manifests.

The seafaring career of **GHS1 / PSP** found new life with the Hamburg-Amerika line (owned by Brown Brothers Harriman & Company).

His name (with two Fs) reappeared on numerous shipping manifests on the "crew's list," during 1920 and 1921, traveling from Hamburg, Liverpool, and the British West Indies. **GHS1 / PSP** had been progressively promoted from "able seaman" to "second mate," "junior first mate," and "first officer." Many of his documented voyages were on the SS *Mount Clay*, which departed regularly from Hamburg, Liverpool and ports in the West Indies and South America.

One significant voyage, which departed from Liverpool on **January 20, 1915** and arrived in New York on the January 30, was aboard the SS *Arabic*. Its passenger, on Line 1 of the manifest, presented to the INS at Ellis Island, was **George Scherf, German citizen from Döhlitzsch**. [27] Döhlitzsch is a small village south of Leipzig, Germany, and was not too distant from the hometown of Martin Bormann who later became Hitler's second-in-command.

This official U.S. government document (to the inevitable chagrin of the INS, the FBI, and the CIA) establishes a "regional" connection between the George H. Scherf family, Martin Bormann, Joseph Mengele, Reinhardt Gehlen and Skorzeny; (**see photo**) sets the pre-WWII connection between the Scherfs and these known Nazis into concrete.

This single document, obviously missed in the frantic effort to expunge all records of Nazi spies, went unnoticed until I discovered it in 2007. **See the photo Skorzeny produced in which he identified the aforementioned Nazis, including himself and the family of George H. Scherf, Sr., "the illegal-immigrant, German-born accountant of Nikola Tesla."** The photo is published in Eric "Orion" Berman's book *The Bush Connection* (See TheBushConnection.com)

Note: Based upon a preponderance of evidence, in addition to recent discoveries through independent research, indicating patterns of deceit, corruption, theft, conspiracy, murder and treason, it appears that George H. Scherf(f), Sr. (GHS1) was the real identity of Prescott Sheldon Bush (PSB).

Even Skorzeny "bought" the story that George H. Scherf, Jr. (GHS2) was GHS1/PSBs adopted son. In effect, GHS1/PSB was a double agent who worked primarily on behalf of the Nazi SS apparatus that controlled the German Central banks who, in turn, controlled their counterparts on Wall Street and in London.

GHS1/PSB stole Nikola Tesla's technology and, according to Skorzeny, "robbed Tesla blind." The Nazis of the Third Reich, determined as they were to deceive the world in their pursuit of world domination, made some mistakes. Their carefully-crafted plan had its own shortcomings, despite their best efforts. Inevitably, greed became the "hidden enemy."

Not only was Tesla's technology stolen, but the governments of Germany, Russia, and the United States benefited by covertly weaponizing his most-advanced inventions and then turning that technology on the peoples of the world.

George Scherf, described in books, newspaper and magazine articles and in biographies distributed throughout the scientific community as Tesla's "trusted associate, accountant, and sometimes secretary," stole his inventions, sold them to the Union Banking Corporation (UBC) through his vice-presidency and directorship under the alias of Prescott Sheldon Bush, to be forwarded to Paul Warburg (banker), Fritz Thyssen (industrialist) and I.G. Farben (the largest conglomerate of chemical companies in the world) — the latter two being industrialists loyal to Hitler's Nazi Party.

GHS1/PSB's position as "auditor" with the Union Sulphur Company was no accident either. The company's "president," German chemist Herman Frasch provided GHS1/PSB with the perfect opportunity to advise him about Tesla's patents and their financial worth, as well as being a conduit to the oil-rich Rockefellers, for whom they both worked.

*From his teens to his mid-20s, GHS1/PSB had gained valuable experience in learning about the shipping industry. His hands-on experience in transporting soldiers, arms, drugs and large amounts of stolen cash would become the trademark of his family - as is in the Bush family legacy today. **And the Scherf(f)s were no strangers to murder, as in the case of Nikola Tesla's demise, which was admitted by Skorzeny.***

GHS1/PSB's mentors in the Wall Street banks knew of his double identity, too. After all, many of them had gone through a similar process of "assisted" immigration, false documentation and assimilation into American society; they equally profited from the business they conducted with SPB and his association with Buckeye Steel Castings, Remington Arms (through his position as Chairman of the War Industries Board), the Harrimans, Kuhn, Loeb & Company, J.P. Morgan, the Rockefellers, and GHW.

*Was it a coincidence that the families of GHW, Samuel P. Bush (SPB), GHS1/PSB (and even their Pierce relatives) **all had a penchant for domestic servitude from the "Fatherland," Nazi Germany?***

*What **peculiar character trait amongst these self-proclaimed "blood relatives to British royalty"** fueled their hunger for German cuisine? Their "American" servants—cooks, maids, nurses, et al, were taught to lie to INS and Census Bureau agents, never suspecting that an independent researcher would uncover their deceit 100 years later.*

Coincidentally, the Hamburg-Amerika line was associated with the UBC scandal that resulted in the **"Trading with the Enemy Act" charges brought forth against the Brown Brothers, Harriman & Company, UBC, GHW and GHS1/PSB.** It had been discovered that the Nazis were laundering stolen money (from Europe) through the UBC and sending it back to Adolph Hitler through Fritz Thyssen, the Warburgs, I.G. Farben and others.

Arms and oil shipments intended to assist the Nazi cause and enrich the likes of SPB and the Rockefeller family were halted in 1942, though dividends were ultimately paid to the perpetrators *after* World War II. GHS1/PSB received \$1.5 million, the value of one share of the UBC stock he owned. The total assets of UBC were estimated to be worth more than \$4 billion at the time.

To avoid further embarrassment to the Wall Street traitors (who should have been tried for treason), the National Archives "burned" the associated records "in order to save space," temporarily salvaging the reputation of SPB. The destruction of these documents did little to erase other government records that showed an affinity of this "family" to conduct business with the Nazis.

The above-referenced Federal Census records (1930) detail a few more "tendencies" for the Bush and Walker families to favor those of German persuasion. Samuel P. Bush employed a maid, Emma Sigler, who immigrated to the U.S. in **"1907,"** from Urbach, Germany.

Emma, like her benefactors, not only misstated her age (28), which should have been 37 (based upon her declaration to the INS that she was 19 in 1902), but her date of arrival and her *real* intended destination - the home of SPB. Somehow, Emma "forgot" that she arrived at the Port of New York, on **September 15, 1902 - five years prior to her declaration to the Census Bureau.** The point here is that it does not matter how old she was on either occasion, but that on one or both occasions, she lied to INS officials. [28]

9.0 The "Walkers"

The Walker clan appears out of nowhere beginning with Thomas Walker I (TWI) who married Catharine (no maiden name). According to the records, there is no date of birth, no birthplace, no parents and no date of marriage noted for either TWI or Catharine. Their union, however, produced one son of record, Thomas Walker II, born/christened August 2, 1758. [29]

"Captain" Thomas Walker II (CTWII) married Catherine McClelland Feb. 22, 1785. Dates and places of birth for CTWII and Catherine are not available, though the "christening" date for CTWII is recorded as August 2, 1758, at Holy Trinity Church, Gosport, Hampshire, England. The union between CTWII and Catherine produced "one" child, Thomas Walker III (TWIII) born October 14, 1787. [30]

The confusion one experiences upon exhuming records that should reveal the "roots" of the Walker/Bush families is puzzling. **It is highly unlikely that any one family, let alone two, especially of such "royal" bloodlines, could experience so many coincidences** in the occurrence of uncertain birth dates, premature deaths, burials "at sea," and offspring produced by those outside of the bloodline.

If one is to decipher the master plan, then one must think like those who crafted that plan. The blatant lies with respect to the "cast of characters" fomenting and executing the plan, replete with distortions and concealments of facts, have been their modus operandi over several generations.

We can also see that elements of truth are spun into this web of blatant lies, distortions and concealment of facts - as if daring us to accept the entire package as an honest representation of the record.

10.0 Bushes, Walkers, Bankers and Nazis - and The Vatican

The Wall Street bankers had already established their connections with their counterparts in Europe - the **Rothschilds, the**

Warburgs and the Bank of England. These relationships were fortified with a series of events that gave G.H. Walker & Co. (Walker's investment firm) the international prestige GHW sought.

After spearheading the organization of the 1904 World's Fair in St. Louis, George H. Walker eventually became the president of the **W.A. Harriman & Co.** investment firm and assisted **Averell Harriman in acquiring the Hamburg-Amerika Line.** This shipping company, with the aid of the most corrupt New York bank, almost single-handedly was responsible for the **infiltration of Nazis into the U.S. - both before and after the war.**

Today, it is obvious that **total cooperation was secured by gaining complete control of the New York Port Authority,** the Immigration and Naturalization Service, and key posts and persons all the way to the top in U.S. government.

With the level of "protection" afforded the Hamburg-Amerika Line, money could be shipped to the **UBC and Brown Brothers Harriman, ultimately to be laundered and then returned to Hitler in Germany.** But the Nazis were not the sole beneficiaries of the loot.

The Nazis were the pawns for a far more sinister authority—the Vatican, the Society of Jesus (Jesuit Order) and the "Black Pope."

The Vatican

Weapons for the waging of wars could easily be transported back to Germany and other ports throughout Europe. As previously mentioned, Samuel P. Bush, as director of the War Industries Board (WIB), was able to secure contracts for the **Rockefellers, J.P. Morgan, Kuhn, Loeb & Company, Brown Brothers Harriman, Union Banking Corporation, George Westinghouse** and other wealthy industrialists who profited from arms dealing to both sides of each war the WIB orchestrated.

It was no coincidence that SPB's "son," Prescott Sheldon Bush (GHSI/**PSB**) was appointed a vice-president and partner of UBC by its director (and now, father-in-law), GHW.

What was it that permitted Walker to wield such power and influence? Certainly, his willingness to financially contribute to the perpetual fomentation of war throughout the world (from which he, his family and others profited from then and still do to this day) and his allegiance to those who facilitated his meteoric rise in the banking industry. A clue as to who may have collaborated with GHW is revealed in his personal biography.

GHW, a self-proclaimed Episcopalian "spent part of his education in England at Stonyhurst College," according to his "[wikipedia](#)" biography. [39] The biography does not specify if GHW attended the school prior to arriving in the United States, though it is quite possible that he, and even his father, had been given seed money (or total financial backing) to assist them in launching their businesses after their arrival stateside.

Also according to [wikipedia](#), In 1900, GHW "...started a banking and investment firm named G.H. Walker & Company."

Based upon GHW's uncertainty concerning his father's birthplace, the likelihood of providing that information to a government agency such as the Census Bureau was not anticipated, so GHW "winged it" four times, getting it wrong on each occasion.

From aforementioned accounts, we know that **Paul Warburg, James Loeb,** and at least one of the **Harriman Brothers** traveled together from Europe to New York, at least seven years prior to the founding of the **Federal Reserve.**

The likelihood of George Herbert Walker becoming a player in that elite financial circle was remote, unless that association had been orchestrated beforehand, probably by the Jesuits in England.

GHW also had established a "compound" on the east coast in Kennebunkport, Maine before 1900. The significance of this compound lies in a secret document related to Nikola Tesla's wireless telegraph invention.

In 1899, Tesla had been commissioned by Rear Admiral Francis J. Higginson and the U.S. Treasury Department to outfit the Light Vessel No. 66 (LV) with a wireless telegraphy system, his own invention. [40] Subsequent publications of this event described a "Marconi wireless system" having been installed in 1904, but that story was designed to hide the facts behind Tesla's technology, thus deflecting attention away from the theft of this invention and others related to radio transmission and reception.

This project was not unlike its predecessor, "The Wardencllyffe Tower," though less complicated. Tesla's multi-faceted research project intended to develop free, wireless electricity and free telecommunications (pictures and sound) to the public worldwide.

While it is true that Tesla intended to use his Long Island facility to perform experiments, "with the transmission of electrical energy for power and lighting purposes by wireless. . . ." he repeatedly made it clear the Wardenclyffe plant's primary function was global wireless telecommunications and broadcasting.

For example, from "*The Future of the Wireless Art, WIRELESS TELEGRAPHY & TELEPHONY*," by Walter W. Massie & Charles R. Underhill (pp. 67-71) (1908): [41]

"It is intended to give practical demonstrations of these principles with the plant illustrated. As soon as completed, it will be possible for a business man in New York to dictate instructions, and have them instantly appear in type at his office in London or elsewhere.

He will be able to call up, from his desk, and talk to any telephone subscriber on the globe, without any change whatever in the existing equipment. An inexpensive instrument, not bigger than a watch, will enable its bearer to hear anywhere, on sea or land, music or song, the speech of a political leader, the address of an eminent man of science, or the sermon of an eloquent clergyman, delivered in some other place, however distant.

In the same manner any picture, character, drawing, or print can be transferred from one to another place. Millions of such instruments can be operated from but one plant of this kind. More important than all of this, however, will be the transmission of power, without wires, which will be shown on a scale large enough to carry conviction."

The True Wireless, which includes a comparison of the Tesla and Marconi systems, affirms this conclusion. [42]

"As early as 1899 Tesla was motivated to develop a transportable system for wireless telecommunications. This was one of his missions while at the Colorado Springs lab, as can be seen from the following two snippets of correspondence:

**TREASURY DEPARTMENT
Office of the Light-House Board
Washington, D. C.**

May 11, 1899

**Mr. Nikola Tesla,
46 Houston Street,
New York, N. Y.**

Dear Sir:

I would like to ask you if you if [sic] you can not [sic] arrange to establish a system of wireless telegraphy upon the Light-Vessel No. 66, Nantucket Shoals, Mass., which lies off about 60 miles south of Nantucket Island. . .

Hoping you will give this proposition your early consideration, I am

Respectfully yours,

(Signed)

**Francis J. Higginson
Rear-Admiral, U.S.N.,
Chairman.**

And in a July 1899 letter from the Colorado Springs lab, Tesla writes to an assistant:

Dear Mr. Scherff,

We want as soon as possible four sizes of this little instrument completed in annexed sketch and there ought to be two pieces of each size, that is, 8 pieces in all. These pieces are to go on the clockworks as Mr. Uhlman will surely understand. . . .

. . . Push this work through as quickly as possible, as I am preparing myself for the plant at Nantucket (for the government) and want to have as much work done as possible before I return. . . .

Yours sincerely,

N. Tesla

These letters document that, by 1899, Tesla had discovered wireless communication technology and the government was interested.

The Nantucket plant was also in convenient proximity to Walker's Point. Also note that the 1899 date would place Scherff at about four years old - if we are to believe he was born in 1895 (recall two letters from 1918 between Tesla and Scherff reprinted earlier in this article).

Further evidence of the timing of this sequence being a fraud is provided by a short newspaper article, "To Test Tesla's System," *Brooklyn Eagle*, Sept., 1899. [43]

Lighthouse Board to Ask Congress for an Appropriation (Special to the *Eagle*)

Washington, September 7 — *The members of the Lighthouse Board intend to ask Congress for an appropriation during the coming session of Congress to enable them to conduct some extensive experiments with wireless telegraphy at Fire Island. This scheme is a popular one with Admiral Higginson and the other members of this board who believe that it will eventually figure prominently in the lighthouse and life saving systems.*

Admiral Higginson has already had some correspondence with Tesla, the electrical expert, and others in New York who are interested in this subject and it is possible that some semi-official tests may take place this fall. The members of the board will work from either Nantucket or Fire Island and the mainland. The greatest difficulty now in the way is lack of funds, no appropriation being available for experiments of any kind. It is possible that in 1917 Tesla was receiving heavy fire, but it certainly wasn't from his own gun."

The last sentence in the quotation above is not only ambiguous it is misleading. The relevance to the original request by Admiral Higginson is not only suspicious, the document has been edited with a date insertion some 18 years after its original publication.

Biographers concur that Tesla did not trust governments or their minions. **It is suspected that Tesla, whose vision was unlimited free wireless power and wireless communications for all mankind, compartmentalized his research and notes to frustrate the ill-intended efforts of government and industry to steal his discoveries.**

Tesla was not paranoid; the Nazis (and the Americans and Russians) were covertly receiving his technology while the New York bankers and their shipping partners profited immensely.

The Walker's Point compound at Kennebunkport, Maine, likely served as a secret port for the smuggling of documents, weapons, cash, and spies - due to its clandestine location.

[Editor's note: Notice how the "Tesla" technology described in the 1908 excerpt from, "*The Future of the Wireless Art*," mirrors our contemporary wireless reality. Note also how modern wireless is not free: It is harnessed, collected, regulated, metered and available for a fee and subject to taxes - and censorship].

Records show the property was purchased in 1899 by GHW, though the main house was not built until 1903, when Paul M. Warburg first came to the U.S. The location of Walker's Point was suitable for the logistics GHW would soon conduct on behalf of his Jesuit mentors at Stonyhurst College.

Centuries of research has consistently reinforced claims that the Jesuit Order has been advancing an evil plot for world domination since its founding in 1540. Following is my overview of that research as it pertains to the "creation" of "our" 41st president.

11.0 The Jesuits

Stonyhurst College is known as a "Catholic" institution with a primarily Jesuit influence; the college boasts of its association with the Society of Jesus. The Society of Jesus, or the "Jesuits," proclaims its "service" to the Vatican and to mankind by "assisting the downtrodden through education." [44]

Further investigation reveals that the Pope is covertly controlled by the Superior General of the Society of Jesus, Peter Hans Kolvenbach - the Black Pope. The General Curia (administrative offices where Jesuit business is conducted) is located in "Rome," more specifically, within the Vatican.

Following the dictates of Ignatius Loyola's "25 Sessions" and the leadership of the Superior General, **the ultimate goal of this secret organization is to "destroy and rebuild the Temple of Solomon, reestablishing the seat of the Pope in Israel."**

Historically, the Jesuit mission has been to eliminate Protestant Christianity throughout the world, with the United States being the last frontier to be conquered. Contrary to the self-proclaimed mission to educate and assist the underprivileged in society, **the Jesuits actually worship Lucifer (not Satan) and practice the most sadistic forms of human sacrifice, homosexuality, pedophilia, black magic, and murder.**

The Society employs a variety of **ruthless tactics to accomplish its long-term goal (of a New World Order which pays homage to their Black Pope).** One is carrying out political assassinations of world leaders who refuse to comply with its demands. These assassinations in the U.S. have included presidents (**Abraham Lincoln, JFK**), cabinet members, congressmen, senators, diplomats, journalists, scientists and religious and business leaders.

For purposes of obfuscation and maintaining a spirit of compliance, the Society of Jesus employs (and finances) the services of the NSA, DHS, FEMA, OSS, ONI, FBI, CIA, DIA, DEA, the Pentagon, the Department of Defense, NASA, the Federal Reserve, the Internal Revenue Service, the Congress, and other Federal agencies as deemed necessary.

Foreign military and intelligence agencies under their control include the German SS, Deutsche Verteidigungs Dienst (underground Abwehr/DVD), the British MI6 and MI5, the Israeli Mossad, NATO, Interpol, the KGB, the Chilean DINA, and even the United Nations, to name a few.

Assassinations are carried out by the aforementioned intelligence agencies and their Mafia partners in the drug and gambling trades, often with collateral assistance from the Knights of Malta, the Freemasons, the Knights of Columbus, and Propaganda Due (P2). Such was the case in the assassination of President John F. Kennedy and some former Popes.

Political leaders, whether duly elected or corruptly appointed, are replaced by dictatorships favorable to the Society. Those governments with concordats are allowed to subsist without threat of war, though that policy often changes when revolutionary movements begin to receive international recognition. **Often, the simple refusal to allow the Society to reap the profits of the illegal drug trade is enough to spark a civil war or a clandestine paramilitary incursion.**

The Society considers declaring one's individual sovereignty, freedom of speech, freedom of religion, and civil rights to be anathema to its doctrine while seeking to crush Protestant Christianity, the basis for the creation of the United States. The dismantling of the U.S. government is the key to their ultimate success in the creation of a New World Order.

GHW was obviously recruited to assist the Jesuits with their long-range plans and, as a result, he (and those with whom he did business) profited immensely from his cooperation in the Jesuits' plans.

Remote control of the Jesuit apparatus is maintained through the establishment of banks, churches, foundations, and institutes of "higher education" in foreign countries. Fordham University, a Jesuit institution, controls the Vatican's top official in the U.S., John Cardinal O'Connor, Archbishop of New York (at St. Patrick's Cathedral).

12.0 The Banks:

Numerous researchers have determined who controls the governments of the world and how this control was established and still maintained today. Contrary to the "feel good" biographies published on government-sponsored web sites, in specially-commissioned literary works, and propaganda-laden school books, the central banks of New York City played a crucial role in betraying the United States government and its citizenry.

The Federal Reserve Bank of New York - the silence before the storm

The sponsorship and control of such institutions is intended to remain shrouded in secrecy. **Yet, the writings of G. Edward Griffin (*The Creature from Jekyll Island*), Webster Tarpley and Anton Chaitkin (*George Bush: The Unauthorized Biography*) and Kevin Philips (*American Dynasty*), to name a few, have not only exposed the conspiracies designed to overthrow the American government and establish a "New World Order," they have laid the groundwork for new research.**

Those who are quick to charge "conspiracy theory" or unjustly claim that such exposes are "attacks on one's religious beliefs" only assist the above-mentioned charlatans in achieving their ultimate goal - world domination.

This research would be considered incomplete without revealing the identity of the consummate international puppet: George Herbert Walker Bush (**GHS2/GHWB**)

13.0 George H. Scherf(f), Jr. / George Herbert Walker Bush (GHS2 / GHWB)

Skorzeny was emphatic when he made the seemingly outrageous claim that George H. Scherf(f), Jr., was the son of Nikola Tesla's illegal-immigrant German-born accountant, George H. Scherf(f), Sr.

GHS2 / GHWB - The second man in question: Is he really George Herbert Walker Bush or is he George H. Scherf(f), Jr.?

What Skorzeny did not know, as has been previously surmised, was the correct spelling of his surname at birth. Skorzeny, having been Adolph Hitler's bodyguard, would have known *anyone* Hitler knew. It was his job.

The photograph depicting the younger, soon-to-become-infamous Nazi war criminals [45] spoke volumes about Skorzeny's honesty, a quality his associates arguably lacked. Chances are that Skorzeny never actually met **GHSI/PSB**, so he would not have recognized that **GHSI/PSB** was operating as a double agent for the Nazi Party.

Skorzeny claimed that **GHS2/GHWB** had been trained as a spy for Adolph Hitler, and it is possible that he never knew that **GHSI/PSB** was an "imposter." Neither Hitler, nor **GHSI/PSB** could have risked such a disclosure. The story about **GHS2/GHWB** having been "adopted" by **GHSI/PSB** bears out this fact.

The photographs, which Skorzeny produced as proof, were taken in an Alpine setting common to the northern Alps. The architecture, within the Scherf home and outside the home (from a second photo), are reminiscent of the same region of east-central Germany.

How is it, then, that Adolph Hitler recruited the Scherfs for such a daunting task? He was known to have spent time in Berlin, Munich, and other large cities - both in the military and during political campaigns.

The plot to enlist the Scherfs was carried out in Dölitzsch, some 20 miles south of Leipzig (recall **GHSI/PSB**'s declaration to the INS in 1915). To the west of Dölitzsch was the town, Wegeleben, home of Martin Bormann. Bormann posed for a photograph with the Scherf family (**see photo**), [46] along with Skorzeny and Joseph Mengele, an occasion facilitated by the roles they were all to play as members of Hitler's SS.

All three assisted in the training of the Scherfs, who were neophytes in espionage at the time.

The family of **GHSI/PSB** however, was not originally from Dölitzsch. They were from the Cuxhaven region of northern Germany, a seaport town near Hamburg. **It is at that location the Scherfs would have received their education in German banking, money laundering, and treason - from the Warburgs.**

The Scherfs' association with Martin Bormann establishes the foundation (beyond theory or speculation) that they were handpicked and trained by Hitler to operate as spies, drug and arms smugglers, and "business associates" (money launderers) of the New York central bankers who supported the Nazis, until getting caught in 1941, and shut down in 1942.

Martin Bormann, having risen to a position of great power in the Nazi Party by 1933, established and administered the "Adolph Hitler Endowment Fund of German Industry," supported by "donations" from successful German entrepreneurs. Bormann also managed all of Hitler's business affairs and personal finances after gaining a reputation as an assassin and intimidator of trade union organizers. He was one of the most powerful leaders of the Third Reich.

Joseph Mengele, the infamous "Angel of Death," was known for killing of thousands of those imprisoned at Auschwitz, for performing sadistic biological experiments upon the prisoners in the death camps and for having a penchant for "studying" twins.

Having studied biology at the University of Munich, then working as a research assistant at Frankfurt University Institute for Hereditary Biology and Racial Hygiene, Mengele joined the Sturmabteilung, or "Stormtroopers" - a paramilitary organization for the Nazi Party. His role equally complemented that of Bormann and Skorzeny.

It is apparent from **GHSI/PSB**'s association with the above men that he was trained by the "best".

14.0 Conclusions

Based upon the "deathbed confession" of Hitler's bodyguard and master spy/assassin Otto Skorzeny, **we were given a clue that George Herbert Walker Bush and his father Prescott Sheldon Bush were not who they pretended to be.** By following the clue, we found other clues that began to support the claims of Skorzeny:

That PSB is really GHSI and GHWB is really GHSII.

The result of this connect-the-dots research campaign is that the "master plan" for world domination has been exposed beyond a reasonable doubt. Much more can now be researched and written since the master planners are no longer able to hide in the fictitious realms of their propagandized history books and family biographies.

When will those who are "sworn to uphold the law" do so? When will our so-called American patriots finally find the backbone to confront these realities and demand an end to this madness?

Whether we realize it or not, the world is watching, America. What we decide to do about these issues will not only determine our fate, but the fate of the rest of the world. Are we to be led, like sheep, to our slaughter? Or will we finally wake up, get mad, and say, "*Enough is enough!*"

A Few Inconvenient Truths About The 'British Royal Family': The Queen's Speech - Decyphered

January 25 2015 | From: [ChristopherEverard](#)

What's behind all of the tradition, pomp and circumstance? Another Christmas under our belts and with that, another Queen's address to her British subjects, and to the peoples of world at large.

It's a hard knock life: The Royal Family enjoy an exquisite day of champagne and presents at one of many royal digs

Who are the Royal Family? We see the royals constantly in the media, yet very rarely in public. Where do they come from? How, and why did they acquire the name "Windsor"?

Also see these videos: [What the 'Royal Family' Doesn't Want You to See](#)

The Queen's Speech is usually recorded about four weeks before Christmas. Because the Queen is married to a German family, and her ancestor, Prince Albert of Saxe Coburg spoke German, wrote all letters of state in German and that her own nephew was a spy selling British secrets to the Germans, the Queen uses the Christmas Day broadcast to make us think she is wholly British and a Christian.

Her actual family come from Saxony and Bavaria – more of her ancestors are German than British.

Her Christmas Day speech usually includes references to British religious landmarks, such as this year when her speech stated "In the ruins of the old Coventry Cathedral is a sculpture of a man and a woman reaching out to embrace each other. The sculptor was inspired by the story of a woman who crossed Europe on foot after the war to find her husband. Casts of the same sculpture can be found in Belfast and Berlin, and it is simply called Reconciliation".

The Queen is not just the Queen of Britain, she is the queen of a vast empire called the Commonwealth.

Her name is not '**Windsor**' – on 18th of July 1917, the Times newspaper carried a royal proclamation introducing the name "Windsor" and dropping "all German titles" held by the royal family at Buckingham Palace. Britain's royal family were known as the Dukes, Kings and Queens of "**Saxe-Coburg-Gotha**". In a time of brutal war with Germany, a more German family name would be hard to find.

By 1915, with the first world war almost a year old, the horrific sinking of the cruise-ship Lusitania by a German submarine – with the loss of almost 1,200 lives – a fresh wave of anti-German outrage emerged in Britain and in the USA. The consequences for Germans in Britain were grave – and so, being German, the queen's grand-parents and great-grandparents created a fake name which they use to this day; 'WINDSOR'.

Today, our present queen is the queen to peoples on all corners of planet earth – and she earns TAXES from far a field, such as sheep farm workers in Australia and tourism businesses in the many [Caribbean islands](#) which the queen owns as part of the 'commonwealth'.

Her close relatives control the thrones of Spain, Netherlands and her brother-in-law's family controlled the intelligence/spy

networks of the NAZI Third Reich. She is married to her own cousin, and he owns an enormous private estate in the [Holstein-Schleisweg](#) district on the border between northern Germany and Scandinavia. The queen hires and fires the head of the BBC and several other prominent jobs in Britain. Her family's financial affairs are forbidden from public discussion and she can recall and dissolve parliament whenever she likes. [Her cousin is DAVID CAMERON](#), and there are strong Germanic-Jewish ties to our 'British' royal family.

Where does her money come from? It comes in the form of TAXES which are earned from millions of people's wage-packets. The Queen also earns millions each year from her private estate which is centred on the county of Lancaster.

The Duchy Of Lancaster

In addition to the total monarchical control of the Inland Revenue, Royal Mint and Crown Estates, the British monarchy have their own personal land estates – these are properties which at no time can be claimed by the British People and are always, under rule of law, considered to be private estates. One such estate is the vast [Duchy of Lancaster](#) which consists of 46,200 acres (18,700 hectares) which includes hamlets, villages, towns, historic buildings, and farm land right across England and Wales.

As of fiscal year 2007, the Duchy of Lancaster is valued at £397 million, earning Queen Elizabeth an officially stated net profit of £11.9 million – or, put another way, she has a private income from this Duchy equivalent to nearly £33,000 per day. Income tax is paid voluntarily on all profits from the Duchy of Lancaster.

The duchy is not the property of 'The Crown' (which is a label used to perpetuate the pretence that British People own the property) but is instead the personal property of the monarch and has been since 1399, when the Dukedom of Lancaster, held by Henry of Bolingbroke merged with the crown on his appropriation of the throne (after the dispossession from Richard II).

This area of Britain is populated by some of the poorest families in Europe, with disgusting living conditions. Elevators full of piss are a common sight, and vandalism and graffiti is, perhaps, a subconscious reaction to the immense inequality witnessed in this region.

I have written this article so that the next time a politician tells you that there will be 'tough decisions' to be made – which is political double-speak for cutting wages and wheeling in another slab of taxes which fire off yet another recession – you can refer to this article and confidently quote the immense amount of TAX which we all pay each year and how our tax money has created a vast fortune for the Royals.

The Royal Trillions

Taxes on Customs & Excise are collected worldwide and funneled into Buckingham Palace – it is a matter of fact that revenues flow into the coffers from the USA and especially the 'common wealth' nations.

BP shareholdings by the British royals and indeed the Dutch royals (who are closely related) are extensive – to say the least – and the crude oil extracted from the Americas by BP, which is then refined into consumer products, marine diesel and automobile fuels, accrues vast revenues for the royal family members in Europe...

First of all, exactly how much tax do British people pay every year? Taxation in the United Kingdom earned Her Majesty's Revenue and Customs £660 billion pounds last year – that is the sum which is commonly quoted by MPs and newspapers. Much of that tax comes from *the People* – not Corporations – who are often able to shutdown their parent company after three years, and start trading under a slightly different name, thus avoiding capital gains tax in perpetuity.

This, of course, makes a mockery of the unwritten law that the wealthier of people in society contribute tax revenue in order to help the disabled & elderly. Workers, however, on the P.A.Y.E system cannot take legal advantage of tax havens, and have the indignation of a large portion of their salary being taxed/stolen at source, with not a jot of thanks from the Inland Revenue – nor, more importantly, is there any explanation as to why they have been taxed and what exactly the tax will be spent on.

Of course, the Queen would be horrified if the British public realised that her own brother-in-law through marriage was a senior NAZI who funded and helped stage-manage the murder, torture, rape, killing and bombing of many hundreds of thousands of British troops and their allies.

The [queen's husband has close former Nazi relatives](#) – and this fact was raised by Mohamed Al Fayed during his evidence at the inquest into the killing of his son Dodi and Princess Diana in 1997. Mr Al Fayed believes Prince Philip personally orchestrated their deaths and, while being questioned, demanded that the coroner Mr Justice Scott Baker investigate the "Prince's Nazi past".

The sinister Nazi connections come from three of the Duke of Edinburgh's four sisters – Sophie, Cecile and Margarita. All had married German princes, three of whom became leading Nazis – and that means that they were financing the killing machine which bred a 'master race'.

Prince Philip, whose family name is Schleswig-Holstein-Sonderburg-Glücksburg, [attended the funeral in Nazi Germany](#) of his elder sister Cecile as a 16-year-old schoolboy in 1937. He was pictured flanked by other relatives who were dressed in NAZI and Brownshirt uniforms.

Philip (marked) at his sister's funeral in 1937 in Germany flanked by relatives in Nazi uniforms

This, then, is the queen's immediate inter-married family – headed by two princes in particular – Philipp of Hesse and his brother Christoph, who were great-grandsons of Queen Victoria – they had been central architects of a plan which was designed to bomb and crush the national governments of all Europe's nations, and bring the colonies of Portugal, Spain, Belgium, Austria, Hungary, Britain, Ireland, Scandinavia and Greece under one centralised super-government which is exactly what we have today – it is called the EUROPEAN UNION – and it is secretly controlled by Buckingham Palace.

The queen's immediate relatives plotted and conducted bombing raids and reduced the areas of all Europe's cities where poor people lived into rubble and wasteland. It was the queen's relatives who waged war on the People – the POOR PEOPLE.

No wonder then, as this information seeps out onto the world wide web, that she announced in her Christmas broadcast "Reconciliation is the peaceful end to conflict, and we were reminded of this in August when countries on both sides of the first world war came together to remember in peace..."

The queen then said;

"The ceramic poppies at the Tower of London drew millions, and the only possible reaction to seeing them and walking among them was silence. For every poppy a life; and a reminder of the grief of loved ones left behind".

In fact, those poppies displayed at the Tower of London were deliberately made to look like blood gushing from a window and pooling around the Tower which is where many royal members of the queen's family had been murdered, or ordered the torture and execution of the innocent.

The queen's speech is definitely an 'olive branch' being offered to authors like myself who have made films that expose the carnage and blood on royal hands. She said;

"In 1914, many people thought the war would be over by Christmas, but sadly by then the trenches were dug and the future shape of the war in Europe was set. But, as we know, something remarkable did happen that Christmas, exactly a hundred years ago today. Without any instruction or command, the shooting stopped and German and British soldiers met in no man's land. Photographs were taken and gifts exchanged. It was a Christmas truce. Truces are not a new idea. In the ancient world a truce was declared for the duration of the Olympic Games and wars and battles were put on hold..."

Well Ma'am, I am sorry to say this, but the only way we can have any kind of truce is by way of equalising British society, handing back lands stolen from commonwealth aboriginal tribal people, and making sure that you STOP TAXING US.

The queen then attempted to ingratiate herself with the millions of brain dead TV addicts who sit through hours of meaningless televised SPORT – she said;

"Sport has a wonderful way of bringing together people and nations, as we saw this year in Glasgow when over 70 countries took part in the Commonwealth Games. It is no accident that they are known as the Friendly Games. As well as promoting dialogue between nations, the Commonwealth Games pioneered the inclusion of para-sports within each day's events. As with the Invictus Games that followed, the courage, determination and talent of the athletes captured our imagination as well as breaking down divisions..."

The queen thinks that giving 'circuses' to the nations, just as the Roman Emperors did, that we would all forget about her family's heinous war crimes. We don't and will not.

Her Majesty then attempted to make some kind of apology for the thousands of families who were marred and bereaved through her civil warfare operation in Northern Ireland which lasted from the early 1960s through to the end of the 1990s; She said

"The benefits of reconciliation were clear to see when I visited Belfast in June. While my tour of the set of [Game Of Thrones](#) may have gained most attention, my visit to the [Crumlin Road Gaol](#) will remain vividly in my mind".

It was, actually, this prison where agents, double agents and triple agents tortured, beat and were themselves incarcerated as the wicked civil warfare bloomed in Ireland – this war was about TAXATION and the need-for-greed which assimilates all royal family members – it is the wage packets of the Northern Irish people closest to her heart – not their feelings, or remorse for the people killed under orders of the 'loyalists' and the [MI5 death squads in Ireland](#).

She even had the audacity to say;

"What was once a prison during the Troubles is now a place of hope and fresh purpose; a reminder of what is possible when people reach out to one another, rather like the couple in the sculpture".

Of course, the real reason why there is now a truce in northern Ireland is that bombs were planted in the City of London which hit Buckingham Palace and all their stockbroker yes-men very hard indeed.

Perhaps the biggest insult was a total lack of recognition of the blatant [VOTE RIGGING](#) in the Scottish Referendum, which I predicted two months before it would take place, would result in an outcome in favour of Buckingham Palace – on this point, the queen said;

"Of course, reconciliation takes different forms. In Scotland after the referendum many felt great disappointment, while others felt great relief; and bridging these differences will take time".

(...) the Saxe-Coburg Gotha royal clan up-booted from Germany and took over control of the throne of Britain. The name Saxe-Coburg-Gotha came to the British Royal Family in 1840 with the marriage of Queen Victoria to Prince Albert, son of Ernst, Duke of Saxe-Coburg and Gotha. Members of this 'British' royal family had been involved in the [BAVARIAN ILLUMINATI](#) which had been stage-managed from behind the scenes by [Adam Weishaupt](#), who on 18th November 1830 (aged 82) died in the queen's family duchy of Saxe-Coburg-Gotha.

Of course, the Bavarian Illuminati was a Judaic and 'illuminised' form of freemasonry – its rituals were based on jewish magic and Chaldean pageantry. Adam Weishaupt was a closet jewish lawyer specialising in the law of the Vatican, and he received regular wages from the queen's ancestor, Duke Ernest II of Saxe-Gotha-Altenburg (1745–1804).

"Adam Weishaupt was born in Ingolstadt, Bavaria on February 6, 1748. His father died when he was seven and his godfather, Baron Ickstatt, entrusted his early education to the most powerful group of the time: the Jesuits. Known for its subversive methods and conspiratorial tendencies, the Society of Jesus had a stronghold on Bavaria's politics and educational system.

"The degree of power to which the representatives of the Society of Jesus had been able to attain in Bavaria was all but absolute. Members of the order were the confessors and preceptors of the electors; hence they had a direct influence upon the policies of government. The censorship of religion had fallen into their eager hands, to the extent that some of the parishes even were compelled to recognize their authority and power. To exterminate all Protestant influence and to render the Catholic establishment complete, they had taken possession of the instruments of public education. It was by Jesuits that the majority of the Bavarian colleges were founded, and by them they were controlled. By them also the secondary schools of the country were conducted."

Weishaupt lived in a house on the Gotha Duchy writing a series of works on [illuminism](#) [ie; planning the New World Order], his books include gems such as A Complete History of the Persecutions of the Illuminati in Bavaria (1785), A Picture of Illuminism (1786), An Apology for the Illuminati (1786), and An Improved System of Illuminism (1787).

Considering the devilish antics of Bavarian secret societies and the inter-generational masonic mind-programming which has gone on amongst the royal family, one can see very well that they are far from being 'good christians'...

The likelihood of the queen being christian is doubtful at best, and a farce at worst - her ancestors have been brown-nosing with satanically-inspired diabolical secret societies, and her own great grand-parents designed [or I should say re-designed] Europe using the help of a jewish-catholic lawyer - Weishaupt - who preached that all religions were 'tools' and that Illuminati

brethren should conceal their true religious allegiance.

Prince Albert's mother was dismissed from the court of Saxe-Coburg-Gotha for having an affair with the Jewish chamberlain, the Baron von Mayern - and in fact queen Victoria's husband, Prince Albert, may have been illegitimate. Albert's father may have been Jewish... And this would explain the very un-Britishness of the facial features we see in today's royal family. Another reason may be due to Albert's father, the Duke of Saxe-Coburg, had hereditary syphilis - but that's another story!

Understanding The Thinking Of The Globalist Cabal: An Analysis Of Conscience, Morality, Ethics And Psychopathy

In order to understand how the ruling class (elite, Illuminati - there are many names) are able to conceive of and implement plans that are unthinkable to the rest of us who are sane - we need some insight as to how they think and operate.

The following article is an excerpt from the book on Agenda 21 by [Stephen Blackheath](#) - "[What Sustainable Development really means for you](#)". The Sustainability / Agenda 21 material from his book are on this website here.

1.0 Conscience

1.1 The Golden Goose

In the Brother's Grimm story "The Golden Goose," Simpleton is a bit of an idiot, compared with his sensible elder brothers who go out to cut wood one day. They each meet a starving old man, and say,

"If I give you my cake and wine, I shall have none for myself; be off with you."

But there's something a bit odd about Simpleton. When he goes out, and meets the same old man, he says,

"I have only cinder-cake and sour beer; if that pleases you, we will sit down and eat."

1.2 Moral Dilemmas

Conscience, empathy or compassion – is that thing that stays our hand – that prevents us causing suffering to another sentient being.

You may be familiar with moral dilemmas like this "footbridge dilemma":

"In the path of a runaway train car are five railway workmen who will surely be killed unless you, a bystander, do something. You are standing on a pedestrian walkway that arches over the tracks next to a large stranger. Your body would be too light to stop the train, but if you push the stranger onto the tracks, killing him, his large body will stop the train. In this situation, would you push him?"

90% of respondents said "no." Only 10% chose the answer that would have saved the most lives – the optimal or "utilitarian" answer. Psychologists have argued therefore that lay moral judgements lead to pervasive and dangerous moral errors. [4]

Bartels and Pizarro [5] pointed to studies showing that rational individuals, those with higher memory capacity, and deliberative thinkers were more likely to give utilitarian answers. But there is another "psychological route" to utilitarianism: those whose emotional reaction towards causing harm is inhibited.

Their study showed that:

"participants who indicated greater endorsement of utilitarian solutions had higher scores on measures of psychopathy, machiavellianism, and life meaninglessness."

Think about that for a moment.

The very act or ability of reasoning about morals is associated with an ability to suppress one's conscience, or even with individuals whose conscience is lacking.

I did a 5-minute online psychopathy test and I got nearly the lowest possible score, meaning that I am the opposite of a psychopath (an empath?). According to what Bartels and Pizarro said, I may be an anomaly, because I am a very analytical person with a strong conscience. When people pose moral dilemmas to me, I always find myself saying,

"That situation is not real so I don't have to answer it. God forbid it should happen for real, but I will make a judgement then."

This is anecdotal but I am an example who supports the idea that reasoning about morals is difficult in a person with a strong empathy emotions.

Philosophers debate these points endlessly, but here are some briefly stated categories of views on morality:

1. Moral relativism: Actions are not objectively right or wrong. Their moral qualities depend entirely on the rules of the observer's cultural, religious or personal ethics.

2. Moral absolutism: The belief that there exists a set of moral laws that apply to all situations.

3. Moral universalism: Morality is objective and independent of culture.

Western society tends to promote **moral relativism**, which I think is mistaken. I believe in **moral universalism**, and I would like to put the case for it here:

An evil act can be simply defined as one that causes harm or suffering to a sentient being. For example, stealing from a poor person is wrong, while stealing from a rich person is less so. Of course the world is not black and white, but it seems to me to be a pretty clear definition.

1.3 When Conscience is Lacking

When a World War I soldier had to bayonet someone, and look into their eyes, it was difficult to do. Warfare is much easier today. A drone pilot has breakfast with her or his children, then goes to work at the local military facility to play a "video game" where he or she drops bombs on a vehicle driving along a road, and watches the vehicle blow up. The real vehicle and its occupants are on the other side of the world.

When an American plantation owner from the 19th Century had to whip a slave from time to time to compel his servitude, it was difficult to do. It's much easier today. You can achieve the same effect by emailing a purchase order to Malaysia.

This sort of compartmentalisation – where a person is shielded physically from the emotional consequences of their actions – is a feature of modern life, and makes evil much easier to perform. By this and other techniques – by the promise of gain and the mutual reassurance of the necessity of the action by others also gaining – it is possible for a person to suppress their conscience and undertake evil actions. But they can't escape their conscience forever, right?

Wrong. Researchers including Robert Hare [6] , Andrew M. Lobaczewski [7] , Thomas Sheridan [8] and Michael Cross [9] have shown that (according to Robert Hare) **a little less than one percent of the general population are psychopaths, people who typically have the following attributes:**

- ▶ No conscience – no sense of guilt or remorse
- ▶ Charming, self-assured, and cool under pressure
- ▶ Attractive
- ▶ Rational and aware of what they are doing – generally judged sane by current legal and psychiatric standards
- ▶ Narcissistic and inflated view of their own self-worth
- ▶ No ability to love
- ▶ No feelings of doubt, anxiety or worry
- ▶ Easily bored / need excitement
- ▶ Hedonistic – Motivated by the next high or thrill
- ▶ Inability to take responsibility for their actions
- ▶ Deceitful and manipulative
- ▶ Ruthlessly exploitative. They see "empaths" as a source of material gain

In the laboratory, psychopaths respond to words like DEATH, CANCER, DISEASE, as if they were DAY, CREAM, or PAPER. They lack the ability to comprehend the emotional "punch" that certain words contain.

Psychopaths should not be confused with psychotics – a completely different condition.

The popular perception sees psychopaths as murderers, but they are generally not. The less intelligent ones are the ones that get into trouble. Psychopaths are capable of murder without guilt, but the ones with higher IQs realise that there is far more to be gained by resisting their impulses.

Robert Hare developed the PCL-R checklist which is now used by the psychiatric profession as a diagnostic tool, but for day-to-day purposes, there is no way to prove someone is a psychopath, so the only way to deal with them is not to be

In popular fiction, vampires represent the psychopath, but there's usually a spark of conscience deep down – they just need to be shown love. But that's the Pollyanna view given to us by Hollywood. The facts are that psychopaths cannot be "cured," because they lack the "hardware" for certain emotions.

In the psychopaths, the researchers observed deformations in another part of the brain called the amygdala, with the psychopaths showing a thinning of the outer layer of that region called the cortex and, on average, an 18-percent volume reduction in this part of brain. [10]

Psychopaths can mimic the behaviours associated with empathy, however, and that is precisely what they learn to do from a very early age. They practice them in front of a mirror. [11]

The consequences of this psychopath theory of evil are far-reaching, because psychopaths gravitate towards positions of power. We tend to project our own nature onto our "leaders". They look and act like us, so they must be like us. But what we are dealing with is a level of ruthlessness that we are not naturally equipped to grasp. Psychopaths hide their true nature from the rest of us, but they know how to recognise each other.

We finally have a theory that makes sense out of the actions of the Stalins, the Hitlers and the Pol Pots.

For a great documentary film on this subject, see I am Fishead at www.fisheadmovie.com

1.4 Psychopaths in Positions of Power

If we don't purge ourselves of the fallacy that our leaders are normal people – if, as a society, we don't throw out everything we thought we knew about politics and start again – then the consequences for us are fatal: We are ruled by a group of people who have the power of life and death over us, and the only thing that stops them using it are these questions:

- ▶ Is it a net gain for me in both the short term and long term?
- ▶ Will I get away with it?

"Will I get away with it" depends largely on how powerful the mass of the people are. Here's a question for you to ponder: We are fairly powerful now, but what would happen if the people were made truly powerless?

The American comedian George Carlin put it this way:

"Sooner or later, the people in this country are going to realise the government doesn't give a fuck about them. The government doesn't care about you, or your children, or your rights, or your welfare or your safety. It simply doesn't give a fuck about you. It's interested in its own power. That's the only thing. Keeping it, and expanding it wherever possible."

This is the red pill [12], and it's a very, very difficult pill to swallow. Without the pain of facing this reality, social justice can only ever remain "but a fleeting illusion, to be pursued, but never attained". [13]

1.5 But they Wouldn't do That!

I hear this all the time from people, and I find it frustrating, but I understand. I used to think that way, too. But is it rational?

Why wouldn't they? What exactly is it that would stop "them" from doing "that"?

- ▶ Psychopaths will kill, maim or steal or they will not – whichever provides the greatest net gain.
- ▶ They are 1% of the population.
- ▶ To us they look like normal people, but they can recognise each other.
- ▶ They have the natural ability to deceive people.
- ▶ They benefit from organising.

1.6 Your Amygdala and You

I want the conscience to be the theme for this book. With that in mind, please indulge me by reading the following sections, firstly to remind you of what tyrannical regimes – run by psychopaths – are capable of, but if you are a “neurotypical” then you can use it as an exercise to observe the action of your amygdala – the part of the brain that is triggered when you experience the emotions of empathy.

1.7 Soviet Gulags under Stalin

“The night search, the most degrading procedure, was frequently repeated. “Get up! Get undressed! Hands up! Out into the hall! Line up against the wall.” Naked we were especially frightened.”

- Evfrosiniia Kersnovskaia

“Each time they brought in the soup... it made us all want to cry. We were ready to cry for fear that the soup would be thin. And when a miracle occurred and the soup was thick we couldn't believe it and ate it as slowly as possible. But even with thick soup in a warm stomach there remained a sucking pain; we'd been hungry for too long. All human emotions—love, friendship, envy, concern for one's fellow man, compassion, longing for fame, honesty - had left us with the flesh that had melted from our bodies...”

- V.T. Shalamov, “Dry Rations,” from Kolyma Tales

Maria Tchebotareva

Trying to feed her four hungry children during the massive 1932-1933 famine, the peasant mother allegedly stole three pounds of rye from her former field - confiscated by the state as part of collectivisation.

Soviet authorities sentenced her to ten years in the Gulag. When her sentence expired in 1943, it was arbitrarily extended until the end of the war in 1945.

After her release, she was required to live in exile near her Gulag camp north of the Arctic Circle, and she was not able to return home until 1956, after the death of Stalin.

Maria Tchebotareva never found her children after her release. [14]

2.0 Ethics

A true psychopath has no conscience whatsoever. However, normal "empaths" can take on psychopathic, often called "sociopathic," traits.

Part of the process that leads to a stress breakdown involves a learned ability to ignore the feelings of anxiety that act as a warning sign of over-stress. That allows the person to override this natural protection, eventually allowing the mind to become overloaded to the point where it breaks down completely.

In a similar way, it is possible for a person to train themselves to suppress their conscience. It is even possible for a society to train its members to suppress their conscience.

The psychopaths are in control, and they want us to be like them.

Masterchef New Zealand

"Rochelle presents her beans on toast and no one is impressed, sadly she won't get a chance to compete in the next challenge and is going home. Jampa's overloaded dish apparently could scare away vampires with all the garlic, I hope it wipes out all that stupid Twilight nonsense, but it is good enough to keep him in.

More make it through, more go home, Carmen sadly doesn't make it through as her dish resulted in a corn fritter which wasn't eggcellent. Nadia Lim is in tears with her two dishes as she awaits the verdict, Simon teases her, telling her to untie her apron...and tie it up tighter because she is safe.

The Judges single out the worst of the day and let everyone else know that they only just made it."

Every TV show these days has to follow the American Idol format, eliminating someone in a Darwinian fashion at the end of each programme. We occupy our time watching rituals where people are systematically traumatised, judged according to their ability to serve their masters, and the unfit are symbolically sacrificed. Subtle and pervasive, this is psychopath conditioning.

I said earlier that "success" in moral dilemmas was associated with psychopathic ways of thinking. Could ethics classes in schools also be used to train children to be more sociopathic?

2.1 Ethics Classes

Sydney Morning Herald, 19 April 2010 [15]:

You have already accepted an invitation to a birthday party from a classmate when your best friend hands you an invitation to their party, to be held on the same day. What do you do?

This will be the introductory scenario faced by year 5 and 6 students electing to do a 10-week ethics class trial in 10 state primary schools, scheduled to start this week.

The pilot will test the concept of offering an ethics-based alternative for students in NSW whose parents choose not to send them to scripture classes.

20 October 2010 [16]:

The NSW government is set to push ahead with the introduction of ethics classes in public schools next year, promising they are not intended to push out religious education.

Education Minister Verity Firth on Wednesday released a positive evaluation of the trial ethics classes, run over 10 weeks in 10 schools this year.

The government would seek public consultation before taking any decision to cabinet, but "for all intents and purposes" the classes would be introduced next year, she said.

...

St James Ethics Centre, which helped organise the ethics pilot and would run the new ethics program, welcomed news the classes could become a permanent feature of the state school system.

And, 26 November 2010 [17]:

THE right to teach ethics classes as an alternative to scripture in NSW schools will be enshrined in law by the state government in a bid to prevent the Coalition removing the classes if it wins power next year.

The St James Ethics Centre set up an organisation called Primary Ethics to implement this programme, funded by The Vincent Fairfax Family Foundation and Janison – an e-learning software company. The big controversy was – so St James claimed – that the churches didn't like competition for ethics teaching from a secular group. From my point of view this "controversy" is a distraction from the real issues.

The Primary Ethics website [18] has a video showing an ethics course and emphasising that they are not there to teach a moral code, rather they encourage discussion of issues, with the video showing a discussion about the rights of children.

Even though the St James Ethics Centre was originally set up by the Anglican church, they claim to be non-religious and non-political. Primary Ethics teachers are volunteers. They must attend a two- day training course, and they are given a curriculum to work from.

The Primary Ethics website says:

"Evidence shows that well-reasoned moral judgement does not come automatically as young people mature and that these skills are best developed by engaging children in collaborative dialogue about a wide range of issues that matter to them. That's what our Primary Ethics' curriculum does."

I have already discussed the potential for "reasoned moral judgement" to function as conditioning towards psychopathic thought processes. We would certainly hope that Primary Ethics is non- political, as they claim.

2.2 The Non-Politics of Primary Ethics

The St James Internet domain, ethics.com.au also hosts "'the Hub' of responsible business practice in Australia" - an initiative of St James, funded by the Australian Government. Primary Ethics may be officially funded by a family foundation and a software company, but their parent organisation (St James) handles government money.

The NSW government, at least, likes Primary Ethics so much, that they felt it necessary to actually legislate to prevent their course being dislodged from its position in schools by jealous Christians.

'The Hub' prominently advertise the GRI – the Global Reporting Initiative. On the board of GRI, you'll find a Dr. Simon Longstaff, who also happens to be the head of the St. James Ethics Centre. [19]

The Global Reporting Initiative is a global organisation fiercely supported by Ernst & Young and other very, very large businesses. Its task is to "make sustainability reporting standard practice for all organisations." It provides a comprehensive framework for monitoring the compliance of businesses with sustainability-related goals, including environment, labour practices, human rights and anti-corruption.

Their "Information" video says

"The change to a sustainable economy requires organisational change. To drive change, you need to set goals, and measure how you are progressing towards them. Sustainability reporting is a key tool ..."

Sounds great, right? Perhaps. But non-political it is not.

3.0 Psychopathic Writings

Here are some excerpts from "Psychopathic Writings" - the blog of a psychopath. I'm giving you these quotes because that's what made it really sink in for me. Robert Hare may be an "ivory tower" academic, but what he's describing is absolutely real.

3.1 Sense of Belonging Among Psychopaths

A reader writes:

"I have a question about self-awareness: you can easily spot fellow psychopaths, but for a long time you didn't know you were a psychopath. Before you became self-aware, did you sense that you were part of a minority, and that other people whom you know know are psychopaths had something in common with you?"

My immediate reply to this question from a Reader was: Yes... and No! A little more explanation is in order:

I can see in hindsight why I sometimes felt "I'm like you!" about someone else who was also a psychopath, and though I never could confirm it, I just knew. Often I could tell that the other guy knew as well. Especially when I was younger I hoped to find out what it was that made me and those few other individuals different from everybody else, but I had no word for it. Now I have words for it, and they confirm what I felt back then and still feel when I meet another psychopath.

Since psychopaths rarely are attracted to each other and feel no reason to interact unless we have a common goal and can benefit from cooperating, it would mostly happen in that I knew exactly what the other person's motives were and could foresee his next moves. It's an unspoken recognition that "I understand this guy", whereas with normal people I may be able to foretell their behavior and motives, but I will never really, truly understand them.
[20]

3.2 The Nature of Proof and Belief

But psychopaths aren't the only ones who manipulate. Everybody manipulates! Some are better at it than others, and many psychopaths are masters. I will be frank and say that I myself am a master at manipulation and gaslighting [21] and everything in between, and I could make most of my readers believe any fancy lie if I wanted to.

The irony is that I have chosen, for the first time in my life, to not manipulate, but instead to be honest... completely honest!... and it's possible for me to stay with and fulfill my decision, because I am anonymous.

This to me is a thrill unlike any other, I am learning things and having exciting experiences I never dreamed of because I remain honest within the project of Psychopathic Writings, and I have no intention of stopping.

I know what I do is useful to a lot of people, and I like to know that I have the power to operate constructively - not just destructively as has been my habit in the past. I've said it before:

I love diversity and extremes, and complete honesty to me is an extreme I never indulged in before, which makes it fascinating and opens up for unknown new experiences and possibilities. I also know this is the attraction for those who tried to discredit me, but I cannot be worried, for you can't discredit someone who is honest under anonymity.
[22]

3.3 Psychopathic vs. Normal Perspectives

The truth about psychopaths is not so black and white as many people believe. Let me illustrate how easy it is, without having to lie or manipulate the truth, to turn tables about what we think we know:

Normal People's Truth

- ▶ Psychopaths are supposed to feel less strongly than normal people. They have a shallow emotional life.
- ▶ Psychopaths have a short range of emotions. They are in this way somewhat emotionally primitive.
- ▶ Psychopaths do not really Love others. Their emotions are often only sexual in nature. They are in a way like animals who only are driven by instinct.
- ▶ Psychopaths are supposed to be strongly attracted to excitement, extreme experiences - they use the phrasing thrill seeking.
- ▶ Psychopaths are also supposed to have low tolerance for lack of stimulation - they use the word boredom.
- ▶ Psychopaths have no emotions, which can be observed in various tests - their physical functions don't change under emotionally triggering stimuli (and everybody know that it is the physical responses, and not the psychological perception or interpretation, that matters! (Right?))

Let's see what happens if we interpret this differently...

The Psychopath's Truth

- ▶ Psychopaths feel just as strongly as normal people, but we feel strongly about other things.
- ▶ Psychopaths have just as many and varied emotions as normal people, but their emotions are not always the same as normal people's. We are aware that normal people have emotions we do not have, but they seem to completely overlook the emotions we have and which they do not have. When they notice such emotions, they dismiss them as less worthy or good.
- ▶ Psychopaths do not build mythical emotions over sexuality, they do not have the moral basis to feel such a need. To psychopaths normal people seem like animals, easily controllable because they're driven by instinct.
- ▶ Psychopaths have an unusual emotional depth which makes basis for a much stronger need to experience all life's extremes. Because psychopaths need stronger stimulation they are dependent upon much more inspiring input than are normal people.
- ▶ Psychopaths suffer far more if their emotional depth is not stimulated and inspired.
- ▶ Psychopaths can tolerate far more stress than normal people, which can be observed in various tests - blood pressure/flow, startle response, sweat, etc.

How We use Remorse

I have had experienced where I acknowledged I had wronged another person, that I had caused them pain or even suffering. If I have had any contact with these individuals, I have had no problems with giving them a sincere apology. I really do mean it when I apologise for having done something I wish I'd have done differently, or not at all.

But never once did I feel remorse.

The main thing that makes me wonder about it all, is that I can't see why feeling remorse is of any consequence, of any importance, whatsoever.

Isn't the fact that I acknowledge I have done something wrong, or done something I shouldn't have done at all, and apologising for it - thereby showing that I appreciate it is meaningful to those I wronged to hear me admit this - isn't this what is important?

Isn't it what those I wronged feel, and not what I feel, that is important? Why do I have to feel bad also?...

It is as if there is a silent understanding saying it isn't enough to acknowledge a wrong and give an apology. If you want agreement, then you have to do more than apologise. It doesn't matter how sincere your apology is, you must do more than that: You must suffer also!

This I find unnecessary, unreasonable, and maybe even insincere on part of those who claim to want an apology but say they don't want revenge. If you're supposed to feel bad even if you give an apology, what is that if not revenge? It certainly does not have a logical purpose in and on itself in my understanding.

Or maybe I'm missing something? [24]

How Psychopaths Understand Remorse

An argument would be: If you know how remorse feels the notion that you may feel it if you perform a certain activity can deter you from doing so. Yes, that makes sense. And yet it does not, because it lacks reason and makes you susceptible to manipulation.

Feeling bad because of an action should be based in the effect the action has, not in how you feel about the action itself, because in that case there should be no such action to begin with. Why do something you feel bad about? Why ask the question at all?

Maybe you had no choice! Well in that case there's nothing to feel bad about, is there? If you truly didn't have a choice it wasn't your fault!

I love my brother and will miss him and not have the fun times we had together if I kill him, therefore I will not kill him. Everybody have a better time if everybody in the family are happy and content. My family will be discontent, sad and moody if my brother suddenly dies a violent death, therefore I will not kill my brother. [25]

3.4 True Blood

Assuming the author is for real, Psychopathic Writings is a psychopath promoting awareness for the greater good:

My answer is likely to disappoint once again, because the truth has already been stated on several occasions. I say it on a regular basis: My motive for keeping this website is to provide information to the best of my ability and to hopefully play a role in making a difference... some kind of difference, any kind of difference, really. I have a need to be at the center of where things happen, it's in my nature and I do not claim otherwise. Never did.

I do not claim to reach for the stars like a saint, or to have all psychopaths' best at heart. As is true for all the psychopaths that I have met, I only really have my own best at heart. But having my own best at heart can

sometimes mean to have others' best at heart too, because having others' best at heart will help me in the long run.

And this is what I often have found especially sociopaths do not seem to understand: That someone like me can think beyond my own nose and still put myself at the center of things, all while I am "fighting for some greater good", seems to be beyond - beside, or below - the perimeter of how their minds work. This is the dual nature of being selfish, but being so in a larger or - in my opinion - smarter way... or just different way, if you will. [26]

Are his motivations altruistic? Probably not. He's trying to persuade a research board to give him his freedom, after all.

It has long been in the interests of the psychopaths among us to keep quiet about themselves, but people are awakening to their existence. This state of affairs depicted pretty accurately in the TV series True Blood, in which a faction of the vampires want to promote "mainstreaming" where they come out of the shadows to become useful members of society. This is possible because they've invented "True Blood" a synthetic blood substitute that comes in bottles.

Like real life, vampires hold high positions in Fox News and other organisations. And they can manipulate people by "glamouring" (hypnotising/gaslighting) them, then they "drink their blood" (exploit them). [23]

13 Bloodlines Of The Illuminati

February 17 2015 | From: [FritzSpringmeier](#)

Following is the introduction from 'Bloodlines of the Illuminati' with links to all of the chapters in an online version of the same book. Who really *controls world events* from behind-the-scenes? I am pleased & honored to present this book to those in the world who love the truth. This is a book for lovers of the Truth.

Related / Updated: [The Actual Leadership Structure And Surames Of The Leading Illuminati Families](#)

An Illuminati Grand Master once said that the world is a stage and we are all actors. Of course this was not an original thought, but it certainly is a way of describing the Illuminati view of how the world works.

Comment: There are a few pieces of work presented here. The basis of this article is the introduction written by Fritz Springmeier to his work published in 1995 entitled "13 Bloodlines of the Illuminati."

The chapters of this book are linked to for you to read online below. Added to this article is some equally important information on some of the families and entities which actually exist higher up in the 'ranks' than those that have been identified by Springmeier.

The rulership of the Illuminati goes much higher than the 13 bloodlines identified by Fritz, and they are essentially what are termed as the Venetian Black Nobility (see also: [The Venetian Black Nobility And The Concept Of Oligarchy](#)), the ancient Italian families that control the Jesuits, The Vatican, and the entity known as "The Crown" which is mistakenly identified as the British Royal family, the City of London or the UK Government.

See also: [The Jesuits Rule](#), [The Most Powerful Illuminati Families](#), [Black and Grey Popes](#)

The people of the world are an audience to which the Illuminati entertain with propaganda. Just one of the thousands of recent examples of this type of acting done for the public was President Bill Clinton's 1995 State of the Union address. The speech was designed to push all of the warm fuzzy buttons of his listening audience that he could.

All the green lights for acceptance were systematically pushed by the President's speech with the help of a controlled congressional audience. The truth on the other hand doesn't always tickle the ear and warm the ego of its listeners. The light of truth in this book will be too bright for some people who will want to return to the safe comfort of their darkness.

I am not a conspiracy theorist. I deal with real facts, not theory. Some of the people I write about, I have met. Some of the people I expose are alive and very dangerous. The darkness has never liked the light. Yet, many of the secrets of the Illuminati are locked up tightly simply because secrecy is a way of life.

It is such a way of life, that they resent the Carroll Quigleys and the James H. Billingtons who want to tell real historical facts rather than doctored up stories and myths. I have been an intense student of history since I could read, and I am deeply committed to the facts of history rather than the cover stories the public is fed to manipulate them.

I do not fear the Illuminati taking over this country [USA] and doing away with the Constitution, because they took over this country long ago, and the Constitution has not technically been in effect due to Presidential emergency decrees since V.W. II. Being a follower of Christ does not mean we should fear. Perfect love for Almighty God casts out our fear for the situation He has place us in. Don't think for a moment you are going to vote the Illuminati out of office. They control the major and minor political parties.

They control the process of government, they control the process of information flow, they control the process of creating money and finally they control Christendom.

I have provided information on how to respond in some of my other writings. This book will not tell you how to deal with the Illuminati families. This volume is simply the first of two volumes which is published to give an overview of what the Illuminati is. In short the Illuminati are generational Satanic bloodlines which have gained the most power. A generational Satanist described the Illuminati as "Satan's elite."

This book is not written to cause fear. It is not written to provide names for a witch hunt. It is not written to provide another theory. This book is not about a theory. It is about the secret occult oligarchies which rule the world. When brought together, the facts of this book will begin to speak for themselves without me. I don't ask that you take my word. Investigate for yourself.

Finally, after a number of requests that I assemble my writings exposing the top 13 Illuminati bloodlines, I have taken the time to put it all together in a book with a comprehensive index. History is important. In order to know where we are going, we need to know where we have been.

To control the past is to control the present. The Illuminati's control over the entire learning process from cradle to grave gives them great ability to shape our frames of references.

Years of extensive research and investigation have gone into this massively documented work. In this 624 page, large format book, **Fritz Springmeier** discloses mind-boggling facts and never before revealed truths about *the top Illuminati dynasties*.

You'll learn of the secretive, Chinese Li family, which operates with impunity in the U.S.A. and around the world.

Along the way you'll find out:

- ▶ Why President John F. Kennedy and actress Grace Kelly were killed
- ▶ Who created the United Nations
- ▶ Who controls the two major U.S. political parties
- ▶ How the Rothschilds invented and control modern-day Israel
- ▶ Who secretly founded false religions such as the Jehovah's Witnesses,

Introduction (Continued):

Long ago in the dark unwritten pages of human history, powerful kings discovered how they could control other men by torture, magical practices, wars, politics, religion and interest taking.

These elite families designed strategies and tactics to perpetuate their occult practices. Layers upon layers of secrecy have hidden these families from the profane masses, but many an author has touched upon their existence. I began my research when I began to get first hand reports from very informed people that an elite group did rule the world.

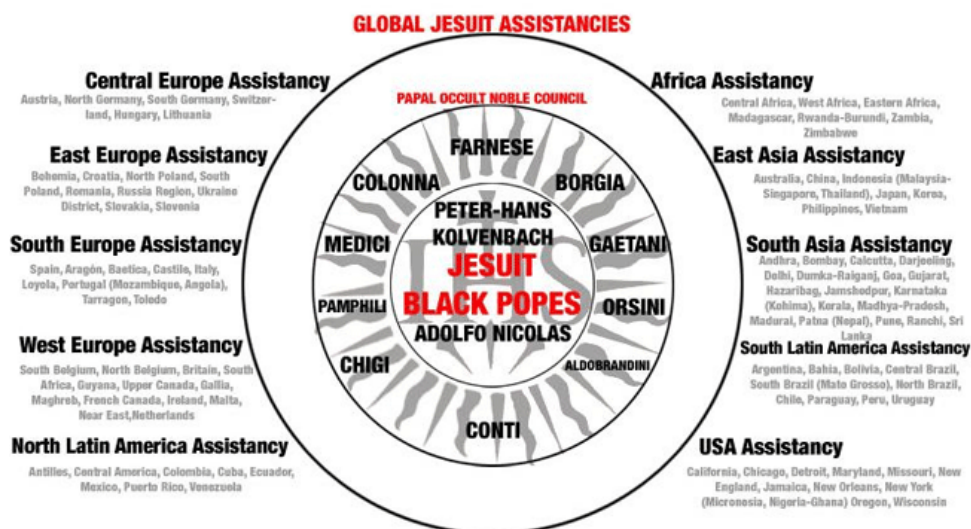

My research into Satan's hierarchy went fast because of my skills as a researcher and because I knew from the beginning from my informants about the reality of what I was investigating. My investigation into the Illuminati, led me to read and pray about thousands of books. The quantity of books, newspapers, magazines and manuscripts and papers which were read to get me to where I am today numbers in the many thousands. I do not know how many nights I stayed up studying and finally collapsed into sleep with blurred red eyes.

I do know that I was driven enough in my study that I often would not stop until my eyes and mind could go no further. Men and women with sharp intellects like Edith Star Miller (author of Occult Theocracy) and Alexander Hislop (author of The Two Babylons) have tried to research the occult world and the connections between the different groups. I first read Hislop's book in 1981. His book shows that there is a continuity between the ancient occultism of the Mystery Religions and modern day religion.

Edith Star Miller's Occult Theocracy was very helpful for me to rapidly see some of the many hidden historical and operational connections between occult groups today. Finally, the book Holy Blood. Holy Grail and its first sequel The Messianic Legacy gave me a deep insightful look into the 13th bloodline. But my understanding has been lifted by countless other investigators, who are worthy of praise because they dared to challenge the power structure to get to the real facts.

THE JESUITS RULE

In mockery and imitation of God's 12 tribes, Satan blessed 12 bloodlines. One of these bloodlines was the Ishmaeli bloodline from which a special elite line developed alchemy, assassination techniques, and other occult practices. One bloodline was Egyptian / Celtic / Druidic from which Druidism was developed. One bloodline was in the orient and developed oriental magic. One lineage was from Canaan and the Canaanites.

It had the name Astarte, then Astorga, then Ashdor, and then Astor. The tribe of Dan was used as a Judas Iscariot type seed. The royalty of the tribe of Dan have descended down through history as a powerful Satanic bloodline. The 13th or final blood line was copied after God's royal lineage of Jesus.

This was the Satanic House of David with their blood which they believe is not only from the House of David but also from the lineage of Jesus, who they claim had a wife and children. The 13th Satanic bloodline was instilled with the direct seed of Satan so that they would not only carry Christ's blood—but also the blood of his "brother" Lucifer.

The European Union Parliament and the Tower of Babel have some eerie architectural similarities

One of the bloodlines goes back to Babylon and are descendent from Nimrod. Down through the years the occult world has remained hidden from the history books. (Publishing and education have been controlled privileges.) They have ruled behind the scenes. The Mystery Religions each had their secret councils which ruled them, and these councils themselves came under the guidance of a secret supreme Grand Council or Governing Body.

The Mystery Religions in turn ruled the masses and the political leaders. When I first began investigating the Illuminati a clear picture developed that the history books were doctored, and that great power was concentrated in the hands of oligarchies around the world.

But who were these powerful people? I have been repeatedly asked, "If there is a conspiracy who are the conspirators?" That is what this book is about. The history books are full of information about the elites and the masses. Interestingly, upon very close scrutiny and examination the investigator finds that the elite have perpetuated their power for centuries, and have worked hand in glove with other elites to control the masses.

When seen in better light, wars between kings no longer appear as wars between elite factions, but contrived wars to control the masses by their greedy elite masters. But who are these people? The answer may not be the answer some might expect, because power comes in many shapes and sizes.

Power doesn't have to have high visibility to be active. In fact, due to the evil dark nature of these evil bloodlines they have traditionally tried to remain secret. I am indebted to people who have stepped out of the generational Satanic bloodlines of the Illuminati and who have given their lives to Christ for many of the tips which got my investigations on the right track.

This book tells what many witnesses of generational Satanism would like to tell, but are too intimidated to tell. Witnesses like Tom Collins, and John Todd, and David Hill have tried to testify what they themselves saw - they each were destroyed. But the truth will not die with Tom Collins or David Hill.

The truth did not go out of fashion just because John Todd (the Todd family has long been associated with Satanism) was framed and dishonored by the Illuminati's henchmen. Several people from different places have confirmed that there are 13 Illuminati bloodlines. Further, several ex-Illuminati people have confirmed my list of 13 families.

It is possible that my list is off on a name or two, but if it might be off, it can not be off much, if any. I believe the facts speak for themselves. As you study these bloodlines you will also see how powerful they are. David Hill, who was investigating the Illuminati, lost his life because he had been close to the inside as a high ranking Freemason who worked for the Mafia.

I received David Hill's research manuscript two years after I had begun reporting on the 13 families. David Hill had done what I had originally done. He had asked questions and began to dig into who pulled the strings in this country. Both David and I discovered the names of some of the more obvious powerful families.

For instance, in David's notes he writes, "Yes, it is a fact: the Mellons, Carnegies, Rothschilds, Rockefellers, Dukes, Astors, Dorrances, Reynolds, Stilimans, Bakers, Pynes, Cuilmans, Watsons, Tukes, Kleinworts, DuPonts, Warburgs, Phippses, Graces, Guggenheims, Milners, Drexels, Winthrops, Vanderbilts, Whitneys, Harknesses and other super rich Illuminated families generally get along quite well with Communists, who supposedly want to take away the wealth of these men and give it to the people.

It is not widely known that the famous cartoon banker of the 'Monopoly' board game was based upon John Peirpont "J.P." Morgan himself.

However, this is only double talk designed to bolster the superstructure of delusion that Communists are the enemies of all

Capitalists. But Communists, like the super rich families, are not the enemies of MONOPOLY CAPITALISM: they are the foes of FREE ENTERPRISE." (Untitled manuscript of David Hill, p. 215.)

My research had already entered another dimension beyond David Hill's, because people trying to escape being part of the Illuminati had given me the 13 family names. But each round of validation I have received is a pleasant encouragement that others have seen the same things. It was a pleasant surprise to see that this researcher had singled out some of the same families as I had. Some of the allied families if not all of them probably have intermarried somewhere with one of these bloodlines.

Because this book is a collection of things which I have written over the years allow me to review what was written. In 1991, I first self-published my Be Wise As Serpents manuscript which exposed the top 13 families. In 1992, I began my newsletter to continue exposing the Illuminati, and came out with some monographs exposing the Monarch Mind Control program and the Illuminati

Plans/methods to create earthquakes. From the mid-Dec. '92 newsletter up to the most recent ones in 1995, I have ran feature articles exposing the different top 13 families. This book is a collection of things, I, Fritz Springmeier, wrote between 1991 and 1995 about the top 13 families.

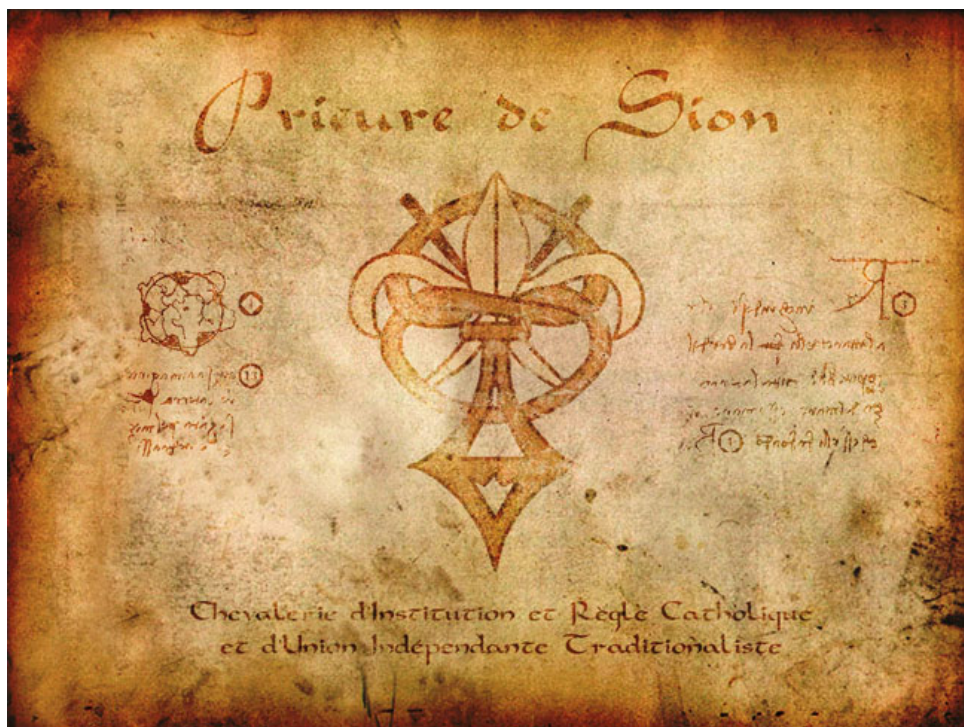

Besides feature articles about the top 13 families, I have also written articles about the Illuminati in general. When I went to assemble what I had written on the 13 families, I realized that much of what I'd said was in the content of articles about the Illuminati in general.

I made the decision to use the approximately 250 pages I'd written specifically about the 13 families as Book #1, and what I had written in general about the families, which was also 200 plus pages as Book #2. Volume two will explain how the Illuminati control the world, and what some of their beliefs are, and about their secret and semi-secret organizations.

The two books will provide perhaps the most indepth complete picture of the 13 top Illuminati families that has been done to date.

In fact, I know of no other book which is devoted to exposing the top 13 Illuminati families. In Volume two, you will read about Illuminati life, Illuminati control, and Illuminati organizations including the ACL, the Bohemian Grove, the Cosmos Club, the CFR, the Club of Rome, the Council of 9, the Council of 13 which is the Grand Druid Council, the Jason Society, the Jason Group, the Ordo Satoris, the OTO groups, MI-6, MJ-12, the Mothers of Darkness, the Pilgrim Society, the Priore de Sion, the Process Church, the Sanhedrin, the Temple of Power, and other groups.

These two books will give the details behind what was written, "the whole world lieth in wickedness" and that the god of this world is in its full reality Satan. Grace and peace be with you.

The Hidden History Of The Incredibly Evil Khazarian Mafia [Illuminati Cabal Zionists...]

March 11 2015 | From: VeteransToday

The curtain is now being pulled back to fully expose the Khazarian Mafia and it's evil plan to infiltrate, tyrannize the whole World and eradicate all Abrahamic Religions and allow only their Babylonian Talmudism also known as Luciferianism, Satanism or ancient Baal worship.

From David Icke's website www.davidicke.com. David Icke was the first ever to courageously expose the Rothschilds publicly in front of hundreds. This of course makes him an international hero and we need more with his kind of courage to break open the coverup hiding the Khazarian Mafia and bring an end to their worldwide illegitimate power.

Note: The history of the [Zionist] Khazarians, specifically the Khazarian Mafia (KM), the World's largest Organized Crime Syndicate that the Khazarian oligarchy morphed into by their deployment of Babylonian Money-Magick, has been nearly completely excised from the history books.

The present day KM knows that it cannot operate or exist without abject secrecy, and therefore has spent a lot of money having its history excised from the history books in order to prevent citizens of the World from learning about its "Evil beyond imagination", that empowers this World's largest Organized Crime Cabal.

The authors of this article have done their best to resurrect this lost, secret history of the Khazarians and their large International Organized Crime Syndicate, best referred to as the Khazarian Mafia (KM) and make this history available to the World via the Internet, which is the new Gutenberg Press.

It has been exceedingly difficult to reconstruct this hidden secret history of the KM, so please excuse any minor inaccuracies or errors which are unintentional and are due to the difficulty in digging out the true history of Khazaria and its mafia. We have done the best we can to reconstruct it.

It was Mike Harris that connected the dots and made the actual discovery of the presence of the Khazarian Mafia's secret history and blood oath to take revenge on Russia for helping Americans win the Revolutionary War and the Civil War, and their blood oath of revenge against America and Americans for winning these wars and sustaining the Union.

At the Syrian Conference on Combating Terrorism and Religious Extremism December 1, 2014 — in his [Keynote address, Veterans Today Senior Editor and Director Gordon Duff disclosed publicly](#) for the first time ever that World Terrorism is actually due to a large International Organized Crime Syndicate associated with Israel.

This [disclosure sent shock-waves](#) at the Conference and almost instantly around the world, as almost every world leader received reports of Gordon Duff's historical disclosure that same day, some within minutes. And the shockwaves from his historic speech in Damascus continue to reverberate around the world even to this very day.

We now know that the KM is waging a secret war against America and Americans by the use of false-flag Gladio-style terrorism, and via the illegal and Unconstitutional Federal Reserve System, the IRS, the FBI, FEMA, Homeland Security and the TSA. We know for certain that the KM was responsible for deploying an inside-job, Gladio-style false-flag attack on America on 9-11-01, as well as the Murrah Building Bombing on April 19, 1995.

1.0 The Hidden History of the Incredibly Evil Khazarian Mafia

1.2 100-600 AD – An incredibly Evil Society Emerges in Khazaria:

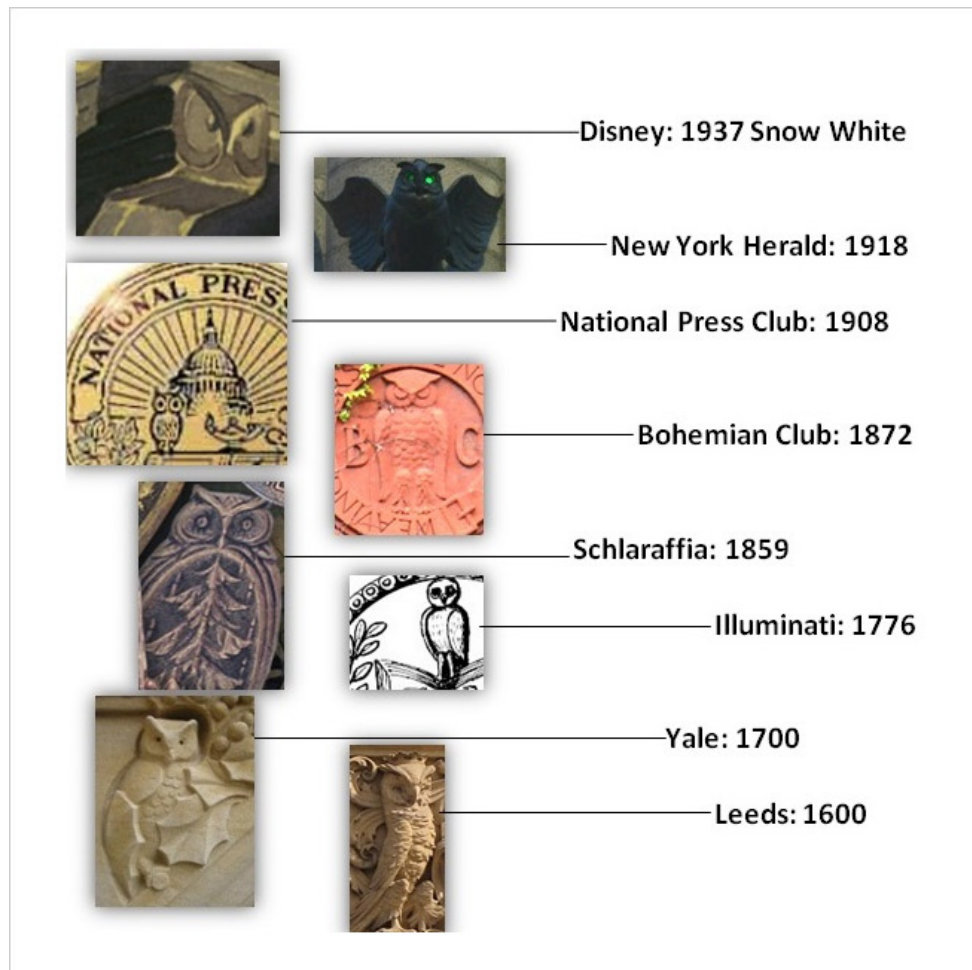

Khazarians develop into a nation ruled by an evil king, who had ancient Babylonian black arts, occult oligarchs serving as his court. During this time, Khazarians become known to surrounding countries as thieves, murderers, road bandits, and for assuming the identities of those travelers they murdered as a normal occupational practice and way of life.

1.3 600 AD – The Ultimatum is delivered by Russia and other surrounding nations:

The leaders of the surrounding nations, especially Russia, have had so many years of complaints by their citizens that, as a group, they deliver an ultimatum to the Khazarian king. They send a communique to the Khazarian king that he must choose one of the three Abrahamic religions for his people, and make it his official state religion and require all Khazarian citizens to practice it, and socialize all Khazarian children to practice that faith.

The Khazarian king was given a choice between Islam, Christianity and Judaism. The Khazarian king chose Judaism, and promised to stay within the requirements laid out by the surrounding confederacy of nations led by the Russian czar.

Despite his agreement and promise, the Khazarian king and his inner circle of oligarchs kept practicing ancient Babylonian black-magic, also known as Secret Satanism. This Secret Satanism involved occult ceremonies featuring child sacrifice, after "bleeding them out", drinking their blood and eating their hearts.

► For an in-depth article on the secrets of the owl see: [Exposing The "Secret Owl Society" Soaring Through History](#)

The deep dark secret of the occult ceremonies was that they were all based on ancient Baal Worship, also known as worship of the Owl (the symbol of the Owl is used because Owls can see in darkness). In order to fool the confederacy of nations led by Russia that were watching Khazaria, the Khazarian king melded these Luciferian black-magick practices with Judaism and created a secret Satanic-hybrid religion, known as Babylonian Talmudism. This was made the national religion of Khazaria, and nurtured the same evil that Khazaria was known for before.

Sadly, the Khazarians continued their evil ways, robbing and murdering those from surrounding countries who traveled through Khazaria. Khazarian robbers often attempted to assume their identities after they murdered these visitors, and became masters of disguises and false identities — a practice they have continued even to this very day, along with their child-sacrifice occult ceremonies, which are actually ancient Baal Worship.

1.4 1,000 AD – Russia and the surrounding nations have had enough and take action:

About 1,000 AD, the Russians led a group of nations surrounding Khazaria and invaded it, in order to stop the Khazarian crimes against their people, which included kidnapping of their young children and infants for their blood sacrifice ceremonies to Baal. The Khazarian king and his inner court of criminals and murderers came to be known as the Khazarian Mafia (KM) by neighboring countries.

The Khazarian leaders had a well-developed spy network through which they obtained prior warning and escaped from Khazaria to European nations to the west, taking their vast fortune with them in gold and silver. They laid low and regrouped, while assuming new identities.

In secret, they continued their Satanic child blood and sacrifice rituals, and trusted Baal to give them the whole world and all its riches, as they claimed he had promised them, as long as they kept bleeding out and sacrificing children and infants for him.

The Khazarian king and his court Mafia plotted eternal revenge against the Russians and the surrounding nations that invaded Khazaria and drove them from power.

1.5 The Khazarian Mafia invades England after being expelled for hundreds of years:

To accomplish their invasion, they hired Oliver Cromwell to murder King Charles 1, and make England safe for banking again. This began the English Civil Wars which raged for nearly a decade, resulting in regicide of the royal family and hundreds of the genuine English nobility.

This is how the City of London was set up as the banking capital of Europe and launched the beginning of the British Empire.

1.6 The Khazarian Mafia (KM) decides to infiltrate and hijack all World Banking using Babylonian Black-Magick, also known as Babylonian Money-Magick or the secret art of making money from nothing also using the power of pernicious usury to accumulate interest:

The KM used their vast fortune to enter into a new system of banking, based on secret Babylonian black-magic money-magic that they claimed to have learned from the evil spirits of Baal, in return for their many child sacrifices to him.

This Babylonian money-magick involved the substation of paper credit certificates for gold and silver deposits, which allowed travelers to travel with their money in a form that offered easy replacement should they lose the certificates or have them stolen.

Interesting how the very problem that was started by the Khazarians also had a solution provided by them. Eventually the Khazarian king and his small surrounding court infiltrated Germany with a group that chose the name "the Bauers" of Germany to represent them and carry on their Baal-powered system of evil.

The Bauers of the Red Shield, which represented their secret blood-based child sacrifices, [changed their name to Rothschild](#) (aka "child of the rock, Satan").

The Rothschild coat of arms contains a clenched fist with five arrows symbolizing the five dynasties established by the five sons of Mayer Rothschild, in a reference to Psalm 127: "Like arrows in the hands of a warrior, so are the children of one's youth." The family motto appears below the shield: Concordia, Integritas, Industria (Unity, Integrity, Industry)

1.7 The Rothschilds as the front Men for the Khazarian Mafia (KM) infiltrate and Hijack British Banking and then hijack the whole nation of England:

Bauer/Rothschild had five sons who infiltrated and took over European banking and the City of London Central Banking System through various crafty covert operations, including a false report of Napoleon winning against the British, when actually he lost.

This allowed the Rothschilds to use fraud and deception to steal the wealth of the English nobility and the landed gentry, who had made business investments with the City of London Banking institutions.

"Lord" Jacob Rothschild - some speculate that the character Montgomery Burns of "The Simpsons" fame was based upon Jacob

The Rothschilds set up a private Fiat banking system that specialized in making counterfeit money from nothing — charging pernicious usury for the British people, using what should have been their own money.

This was the black art of Babylonian money-magick; they claimed to insiders that such technology and secret money power was provided to them by Baal, because of their frequent child bleeding-out and sacrifices rituals to Baal.

Once they had infiltrated and hijacked the British banking system, they interbred with the British Royals and infiltrated and completely hijacked all of England and all its major institutions.

Some experts believe that the Rothschilds genocided the Royal Family members by staging secretly-managed illicit and adulterous breedings with their own Khazarian men in order to replace the Royals with their own pretenders to the throne.

1.8 The Khazarian Mafia (KM) wages an international effort to eradicate Kings who rule by the Divine Right of God Almighty:

Because the KM claims to have a personal partnership with Baal (aka the Devil, Lucifer, Satan) because of their sacrifices to him. They detest any kings who rule under the authority of God Almighty because most feel a responsibility to make sure their own people are protected from infiltrators and treasonous "Enemies within the Gates."

On Sunday, 28 June 1914, at approximately 10:45 am, Franz Ferdinand and his wife were killed in Sarajevo, the capital of the Austro-Hungarian province of Bosnia and Herzegovina, by Gavrilo Princip, 19 at the time, a member of Young Bosnia and one of a group of assassins organized and armed by the Black Hand.[4] The event led to a chain of events that eventually triggered World War I

In the 1600's, the KM murder the British Royals and substitute their own fakes. In the 1700's, they murder the French Royals.

Right before WWI they murder, Austrian Archduke Ferdinand to start WW1.

In 1917 they assembled their KM army, the Bolsheviks, and infiltrate and hijack Russia, murder the Czar and his family in cold blood, bayonet his favorite daughter through the chest and steal all the Russian gold, silver and art treasures.

Right before WW2, they murder the Austrian and German Royals. Then they get rid of the Chinese Royals and disempower the Japanese ruler.

The Khazarian Mafia's intense hatred of anyone who professed faith in any God but their god Baal has motivated them to murder kings and royalty, and make sure they can never rule. They have done the same with American presidents — running sophisticated covert operations to disempower them.

If that doesn't work the KM assassinates them, like they did to McKinley, Lincoln and JFK. The KM wants to eliminate any strong rulers or elected officials who dare to resist their Babylonian money-magick power or their covert power gained from their deployment of their human compromise network.

1.9 The Rothschilds create international narcotics trafficking on behalf of the KM:

The Rothschilds then covertly ran the British Empire and crafted an evil plan to recover the vast amounts of gold and silver the British had been paying to China for its high-quality silk and spices that were unavailable anywhere else.

The Rothschilds, through their international spy network, had heard of Turkish opium and its habit-forming characteristics. They deployed a covert operation to buy Turkish opium and sell it in China, infecting millions with a bad opium habit that brought back gold and silver into the Rothschild coffers, but not to the British People.

The opium addictions created by Rothschild opium sales to China harmed China so much that China went to war on two occasions to stop it. These

wars were known as the Boxer Rebellions or the Opium Wars.

The money the Rothschilds gained from the sale of opium was so vast that they became even more addicted to the easy money than the opiate addicts were to the opium.

The Rothschilds were the funding source behind the establishment of the American Colonies, by incorporating the Hudson Bay Company and other trading companies to exploit the New World of the Americas. It was the Rothschild's who ordered the mass extermination and genocide of the indigenous people of North America to allow for exploitation of the vast natural resources of the continent.

The Rothschild's also followed the same business template in the Caribbean and in the Asian sub-continent of India, resulting in the murder of millions of innocent people.

1.10 The Rothschilds start the international slave trade, an enterprise that viewed these kidnapped humans as mere animals — a view that the Khazarians would impose on all the people of the world who were not part of their evil circle, which some called the “[Old Black Nobility](#)”:

The Rothschild's next big project was to start the worldwide slave trade, buying slaves from crooked tribal chiefs in Africa who worked with them to kidnap members of competing tribes for sale as slaves.

Click the image above to view a larger version in a new window

The Rothschild slave traders then took these kidnapped slaves on their ships in cramped cells to America and the Caribbean where they were sold. Many died at sea due to bad conditions.

The Rothschild bankers learned early on that war was a great way to double their money in a short time by lending money to both warring sides. But in order to be guaranteed collections, they had to get taxation laws passed, which could be used to force payment.

1.11 The KM Rothschild private Fiat Counterfeit Banksters plot eternal revenge against the American Colonists and Russia who assisted them for losing the Revolutionary War:

When the Rothschilds lost the American Revolution, they blamed the Russian czar and the Russians for assisting the colonists by blockading British Ships. They swore eternal revenge on the American colonists, just as they had when the Russians and their allies crushed Khazaria in 1,000 AD.

The Rothschilds and their English oligarchy that surrounded them plotted ways to retake America, and this became their main obsession.

Their favored plan is to set up an American central bank, featuring Babylonian money magic and secret counterfeiting.

1.12 The Rothschild KM attempts to retake America in 1812 on behalf of the Khazarian Mafia but fails, once again because of Russian interference:

This failure enraged the Rothschild KM, and they once again plot eternal revenge against both the Russians and the American colonists and plan to infiltrate and hijack both nations and asset strip, tyrannize and then mass-murder both nations and their populace.

The KM's attempts to set up a private American central bank are blocked by President Andrew Jackson, who called them Satanic and vowed to route them out by the grace and power of Almighty God.

The Rothschild banksters regroup and continue their covert attempts to install their own Babylonian money-magick bank inside America.

1.13 Finally in 1913, the Rothschild KM succeeds in establishing a major beachhead inside America — and an evil enemy of all American enter the gates of America:

In 1913, the Rothschild KM was able to establish a beachhead by bribing crooked, treasonous members of Congress to pass the illegal, Unconstitutional Federal Reserve Act on Christmas Eve without a required quorum.

The Act was then signed by a crooked, bought off President, who was a traitor to America, like the members of Congress who voted for it.

1.14 The Rothschild KM then create an illegal taxation System in America:

The KM put an illegal, Unconstitutional tax system in place, in order to make sure that Americans would have to pay for high-level USG spending, approved by a bought-off, crooked Congress and Presidential puppets, put in place by corrupt KM campaign finance.

► **Related:** [Aaron Russo's Documentary "America Freedom To Fascism"](#) which shows that there is no law in the United States that requires people to pay tax on their income.

It is easy for the KM to garner enough money to elect anyone they want, because when you control a bank that is a secret major counterfeiter, you have all the money made for you that you desire. At about the same time that they created their illegal tax system in America, they also bribed members of Congress to approve the Internal Revenue Service, which is their private collection agency incorporated in Puerto Rico.

Soon afterwards, they set up the Federal Bureau of Investigation to protect their banksters, to serve their cover-up needs and prevent them from ever being prosecuted for their child sacrifice rituals, pedophile networks; and to also serve as a covert Intel operation on their behalf.

Note that the FBI has no official charter, according to the Library of Congress, and has no right to exist or issue paychecks.

1.15 The Rothschild KM deployed the Bolshevik Revolution in Russia to extract incredibly savage, bloody revenge on innocent Russians, which they had plotted for many years, ever since Khazaria was destroyed:

The Rothschild KM pre-staged and engineered the Russian Revolution by using its central banks to pay for the Bolshevik infiltration of Russia and their Revolution on behalf of the Khazarian Mafia (KM).

"You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. The October Revolution was not what you call in America the "Russian Revolution." It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated. Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators."

- Alexandr Solzhenitsyn

The Bolsheviks were actually created and deployed by the Khazarian Mafia (KM) as the essential part of their long planned revenge on the Russian Czar and the innocent Russian people for breaking up Khazaria in about 1,000 AD for its repeated robbery, murder and identity theft of travelers from countries surrounding Khazaria. This little known fact explains the extreme violence taken out on Russia as long standing revenge by the Rothschild controlled Khazarian Mafia (KM).

In a well-planned savage and inhuman bloodletting that stunned the world, the Bolsheviks were unleashed in full fury on behalf of the KM to gain revenge on the Russians. This had been planned since the destruction of Khazaria.

The Bolsheviks, at the direction of the Rothschild KM, raped, tortured and mass-murdered approximately 100 million Russians, including women, children and infants. Some of the torture and bloodletting was so extreme, we are not going to mention it here in this article.

But readers who want to know can do some in depth internet research on the "Red Terror" or the "Bolshevik Cheka" or watch the classic movie "The Checkist" which is available on www.youtube.com.

1.16 The Rothschild Khazarian Mafia (KM) once again decided to sheep-dip themselves and infiltrated and hijacked all Judaism:

The Rothschild KM created a master plan to control all of Judaism and mind-control Judaics.

The Rothschild KM has hijacked Judaism, patterned it off of Babylonian Talmudism (Luciferianism or Satanism), and gained control over the banking and Wall Street professions in general, Congress, the major mass media; along with most wealth and economic means of success.

Thus, the Rothschild KM could pass out wealth and success to those Judaics who drank their Kool-aide and use them as cutouts, assets and Sayanims. In this manner, the Rothschilds hijacked Judaism.

Their financing of the Israeli Knesset and construction of it using Freemason occult architecture displayed their commitment to the occult and Babylonian Talmudism and all the evil accompanying it, including child sacrifice to their secret god Baal.

They set up a NWO system called World Zionism which taught and inculcated susceptible Judaics with a paranoid group delusion of racial superiority, which assumed that all Gentiles were intent on mass-murdering all Judaics.

Freemasonry architecture was used in the building of the Knesset and the Israeli Supreme Court, viewed through windows.

They called this racially-paranoid mass Judaic delusion of world conquest, "World Zionism", which is really a form of covert Babylonian Talmudism or Luciferianism that had been unknown to mainstream Judaics.

The system was designed to use Judaics as cover, but also to anoint them with Babylonian money-power, in order to use them as cutouts, and to later be sacrificed to Lucifer in two stages.

► The first stage would be a their planned WWII in Nazi work camps, cut off from supplies, resulting in the deaths of about

200,000 Jews from starvation and disease, along with about 90,000 non-Jewish inmates from the same causes, according to respected Red Cross official figures. This number is 5% of what the Khazarian Mafia (aka the World Zionists) claim.

- ▶ The second great sacrifice would be a final one, when their New World Order Luciferian King would be placed into power, and when all three Abrahamic religions would be eradicated — especially Judaism, which would be blamed for all the wars and destruction of the world.
- ▶ By then, the Rothschilds would once again morph themselves into a complete new identity not associated with Judaism in any form, not even World Zionism.
- ▶ It is important to realize that the Rothschild KM took Germany down to nothing after WWI, created a vacuum for Fascism, and then rebuilt it, creating Nazism and installing Hitler as a counter-force to their Russian Bolshevism.
- ▶ Hitler became a problem for the KM when he broke free and began acting in the interests of the German people and the free people of the world, and developed his own banking system free of the Rothschilds.

- ▶ Hitler introduced a financial system that was free of usury and beneficial to the working class. This mandated the utter destruction of Germany and the German people, because the Rothschilds and the Khazarians could never allow an economic system that did not depend upon usury to exist.
- ▶ We see the same thing today with the Khazarian war against Islam, because Islam forbids usury. That is why Israel is so vocal and aggressive about destroying the Islamic people of the world.
- ▶ The KM expected this to be a large WWII and when they supported both sides, this could be used to industrialize the whole world and maximize their banker money-power.

1.17 The Rothschild KM then bribed and induced Members of Congress to send American Soldiers to their pre-stage and engineered WWI:

As a continuance of their well-proven pattern of financing both sides in any war to maximize profits, the acquisition of more federal tax monies and increased international power, the Rothschild Khazarians once again bribed, blackmailed and induced members of Congress to declare war against Germany in 1917.

This was facilitated by a KM false-flag attack with the sinking of the Lusitania.

The Rothschild KM has since developed the usual pattern of covertly staging false-flag attacks as a standard operating procedure for inducing Americans to fighting wars for the Khazarian Mafia.

After WWII was finished, the Rothschild KM deployed the Cold War, and used this as an excuse to bring Nazi scientists and mind-kontrol experts to America under Operation Paperclip.

This allowed them to set up a worldwide spying and espionage system that far exceeded any of their prior efforts.

Under this new system, they continue to infiltrate and hijack all American institutions, including the various American church systems, Freemasonry (especially the Scottish Rite and York Rite), the US military, US Intel, and most private defense contractors, the Judiciary and most agencies of the USG, including most State governments, and both major political parties as well.

1.18 The Rothschild KM sets up Nazi Work Camps as a pretext to later manipulate the Allies into granting them their own private colony in Palestine, using land stolen from the Palestinians:

The Rothschild KM was able to use their self mis-labelled, so-called "holocaust" to serve as a mind-control trigger to thwart and resist any criticism of their Zionist ways.

The truth of the matter was that the Rothschild KM set up the Nazi work camps to make huge profits for their corporations that ran their work camps and supplied their Nazi war machine.

Once the Rothschild KM gained their own private homeland in Israel in 1947 through their covert political manipulations, they began to secretly view all of Palestine as their New Khazaria, and began plotting how to genocide all the Palestinians and steal all of Palestine for themselves.

Their plans include their fantasy of constructing a "greater Israel" by taking over the whole Middle East and manipulating dumb American Goyim to fight and die on their behalf, taking all the Arab lands for Israel and the Khazarian Mafia (KM), so they can asset strip their wealth and natural resources, especially their crude oil.

Recent peer-reviewed Johns Hopkins genetic research by a respected Judaic MD shows that 97.5% of Judaics living in Israel have absolutely no ancient Hebrew DNA, are therefore not Semites, and have no ancient blood ties to the land of Palestine at all.

By contrast, 80% of Palestinians carry ancient Hebrew DNA and thus are real Semites, and have ancient blood ties to Palestinian Land.

This means that the real anti-Semites are the Israelis who are stealing Palestinian lands in order to build Israeli settlements, and it is the Israelis who are the ones tyrannizing and mass-murdering innocent Palestinians.

1.19 The Rothschild KM decides to morph again and expand their ranks:

In the meantime the Rothschild KM realized that they could not stay hidden much longer from the public unless they morphed again and expanded their secret leadership.

So they worked hard to further infiltrate and hijack Freemasonry and its secret offshoots, and inducted top members into their pedophile network and child sacrifice rituals.

Also, key members of Congress were inducted into their secret satanic network by giving them special power, high USG, military and Intel positions, accompanied by great monetary rewards and high status.

Massive KM espionage fronts using Israeli-American "Israeli-first" dual citizens as cutouts were set up inside America to funnel the Khazarian bankers' counterfeit money to politicians for their election campaigns, in order to own and control them when elected.

1.20 The Rothschild KM decides to Mind-control the American masses to make it much easier to manipulate them into approving their illegal, Unconstitutional unprovoked, undeclared, unwinnable, perpetual wars needed to make huge profits and gain more world power:

The Rothschild KM decided to gain complete control over all public education by setting up the Department of Education and creating globalist and socialist curriculums based on political correctness, diversity and "perversion is normal" teachings.

Fluoride is added to the public water and toothpaste, and dentists are mind-controlled to believe that fluoride prevents cavities, and is not harmful to brain function or thyroid function, which it is.

The addition of fluoride to the public water supply and to toothpaste is to dumb-down Americans by on average lowering the operational IQ and making folks much more docile than they would normally be.

Programs to develop and deploy vaccinations to dumb-down children and create huge numbers of future chronic health problems were initiated.

Doctors have been mind-controlled and misled by biased research that was cherry-picked, ignoring any studies that were negative — and that included most of them. **All vaccine cell lines are contaminated with SV-40, a known carcinogenic slow-acting virus.**

The KM used its monetary power to gain control over all of the allopathic medical schools, and set up and controlled the American Medical Association and other medical societies, in order to make sure their agenda based on lies and deceit was continued.

Part of this massive plan to dumb-down and mind-control the American masses was the KM's buying up and consolidating all the American mass media into six controlled major mass media (CMMM), owned and controlled by their cutouts on their behalf.

The CMMM functions as an illegal news cartel, and it should be broken up under antitrust laws and for inflicting espionage and illegal propaganda as a weapon of war against the American people.

1.21 The Rothschild KM Chieftains decide that it is time to use America to complete their final take-down and occupation of the Whole World by instituting a major False-Flag attack inside America to blame on the Islamics whom they want America to wrongly attack on their behalf:

So the KM Chieftains use their top Israeli-American "Israeli-first" dual citizens living in America (aka, the PNACers and top NeoCon Cutouts) to plan a major nuclear attack on America on 9-11-01.

Bibi Netanyahu, the operational head of the KM, [deployed the Mossad and these Dual Citizens to set up and institute this attack on America](#) which was to be blamed by the CMMM on Muslims.

They informed their top Rabbis and "Friends of World Zionism" not to fly on that day and to stay out of NYC, as did "Larry Silverfish", one of the primary men involved in the operation.

They used their main cutout in the DOD to lure the Able Danger investigators to the Pentagon Naval Intel meeting room, where they would be assassinated by a Tomahawk cruise missile that was fired from an Israeli Dolphin class Diesel submarine bought from Germany.

Thirty-five of the Able Danger investigators who were investigating and tracking the Israeli theft of 350 decommissioned W-54 Davy Crockett nuclear pits out of the backdoor at Pantex in Texas were murdered by this Tomahawk hit, which was timed with the detonation of bombs pre-planted in the Naval Intel wing, which was newly hardened to no avail.

The Israeli Mossad front company, Urban Moving Systems, was used to transport the mini-nukes made from the stolen W-54 nuclear pits from Pantex (and originally made at the Hanford processing plant), where they were stored in the Israeli Embassy in NYC and transported to the Twin Towers for detonation on 9-11-01.

1.22 The Rothschild KM planted 25 nukes in major American cities and other major cities in Europe in order to blackmail them. This is referred to as their Samson Option, and was first discovered and disclosed by Seymour Hersh:

The Rothschild KM also gained some S-19 and S-20 Warheads from a corrupt Member of Congress assigned the task to buy up Ukrainian Mirvs on behalf of the USG in order to decommission them. Instead, he sold them to the Israelis and split the money with other key Congressmen involved.

This is high treason and a capital offense punishable by execution. Right after their attack on America, the Rothschild KM told the US Administration that they would detonate city-buster sized nukes in some American cities, including DC, if the Administration refused to allow Israel to create their own large police state occupation force inside America, based on the consolidation of all American Law Enforcement and alphabets under one central Israeli control.

This new Israeli occupation force called Homeland Security (DHS) was initially run by dual citizens and perverts.

Former DHS Director Janet Napolitano is being sued for sexual harassment of men working at DHS whom she ordered to move their offices into the men's lavatory.

Dual Citizen traitor Michael Chertoff, (a name translated from Russian as "son of the devil"), was the criminal mastermind that set up DHS, along with former head of the East German Stasi, Marcus Wolfe, who was hired as a special consultant and died mysteriously as soon as his mission was completed.

The Rothschild KM never thought they would get exposed for their nuclear attack on America on 9-11-11, but they made one of the biggest tactical mistakes in history and overplayed their hand from excess hubris, based on too much easy success due to their extreme money power in the past.

1.23 Soon mainstream America will know that Bibi Netanyahu and his Likudist Party deployed the attack on America on 9-11-01 on behalf of the Rothschild KM:

They thought that they had complete control over the CMMM and could prevent any of the secret IAEA and Sandia Labs investigation from ever being released to the American public.

They made a serious tactical error, because now [the truth about their role in the 9-11-01 attack on America is being published on the worldwide Internet](#), the world's new Gutenberg Press.

What the Rothschild KM did not understand was the power of the Internet and how truth-nuggets published and broadcast on it resonate with the people of the world and spread like wildfire, at the speed of light. Truth is being diffused to the masses everywhere.

This incredible tactical error by the KM is so great that it will actually doom them to the complete exposure and eventual complete destruction they deserve.

Bibi Netanyahu's order to proceed and deliver the nuclear attack on America on 9-11-01 will go down in history as one of the KM's biggest mistakes, and the one that will be blamed for their exposure and destruction by the world that is now ganging up against them.

The Russians have now leaked the IAEA and Sandia Labs and Able Danger files given to them by Edward Snowden. Soon all of these files will be provided to all Americans and the world via the Internet, and this cannot be stopped.

A number of Russians in the High Military Command in Russia, and in the highest positions of leadership in the Russian government realize that it was the same Organized Crime Cabal that organized the Khazarians into Bolsheviks to mass-murder 100 million innocent Russians — **and these men want payback.**

That is why they are making sure that the Rothschild banksters will be put out of business, which will decapitate the Khazarian Mafia from its endless, elastic counterfeit money supply.

This is why the BRICS Development Bank was created — to replace the US Petro Dollar as the world's reserve currency, but this one, unlike the US Petro Dollar is backed by gold, silver and real commodities, with NO counterfeiting allowed.

The CMMM is failing, and most Americans no longer believe any of their prime-time national stories, especially the under-thirty crowd, who cherry pick facts from the Internet and construct their own beliefs.

So many Internet users now reject the CMMM that the truth about the Israelis attacking America on 9-11-01 is becoming easier each day to believe. Soon all of mainstream America will know that Bibi Netanyahu and his Mossad and dual citizens did the 9-11-01 attack on America.

1.24 The American Military High Command knows that Bibi Netanyahu ordered his Mossad and stateside Dual Citizens to attack America using nukes on 9-11-01 on behalf of the Rothschild Khazarian Mafia (KM):

Various deep cover covert operations are now being deployed globally to expose and decapitate the Rothschild KM from their endless, elastic money supply.

Their days of anti-human power are now limited. The secret, incredibly well-trained US team called the "Nuclear Snake-Eaters" is now hard at work searching all incoming Israeli diplomatic pouches and shipments; driving by and flying over synagogues and Israeli embassies and Mossad safe-houses with high tech gamma ray and helium-3 neutron detectors; and using ultra high-tech custom-tuned and-focused satellites to search for any stored nuclear pits, as well as working hard to recover all stolen nuclear pits by the Israelis anywhere in the world outside of Israel.

This super-elite team was alerted by Michael Shrimpton's phone call to MI-6 notifying them that an Israeli "City Buster" was planted near the Olympic stadium. This call wrongly has landed him in jail. The City Buster was recovered by the "Nuclear Snake-eaters", who entered England and recovered and disarmed a large city buster. Sadly MI-6, wanted this nuke detonated in order to gain more power for the Khazarian Mafia in England — their home base inside the City of London Financial District — since it has been losing power fast.

A secret name for these KM Chieftains which run much of the world out of the City of London is Gog and Magog, despite what so many historians believe is the secret name of Russia which it is not. It is the secret name of the top KM, and apparently represents where they originally came from.

The secret team of super-elite "Nuclear Snake-eaters" is ready to be deployed to Israel anytime, should the nation collapse after most European corporations divest from Israel, and the US cuts off all aid, in order to comply with American law.

It is illegal to give aid to a nation that has nukes, and which has not signed the Nuclear Non-proliferation Agreement. Israel has nukes detectable from satellite-based Helium-3 sensors and has never admitted it, nor has it signed the Nuclear Non-

proliferation Agreement.

We must all demand that our Congress and Administration obey the law and immediately cut off all aid monetary and military aid to Israel, and arrest all Israeli espionage front directors of AIPAC, JINSA, the Defense Policy Board, the "Joint" in NYC, and the ADL, etc.

It is unknown but suspected that a significant number of these stolen nukes have been already recovered. It has been reported by insiders that a very solemn message was communicated to Bibi Netanyahu and his Likudists, as well as all top members of Israeli espionage fronts in America, like AIPAC, JINSA, the Defense Policy Board, the ADL and the like.

What was this serious warning? If insider reports are accurate, these folks were told that if there is one more Israeli based false-flag attack, those who ordered it or were involved will be hunted down under American National Security and eliminated, and the Israeli defense structures associated with such will be turned to dust.

2.0 The rest of Rothschild KM history will likely be determined by YOU:

The future of the Rothschild KM will likely be determined by Veterans Today readers and We The People who learn the secret, forbidden history of the Khazarian Mafia that was excised from the history books and libraries by the KM to protect their evil history that no one would accept if it was known.

So share this story with your family, friends and associates and take it viral. Be clear about this — unless the KM is able to operate in abject secrecy, it will be attacked from all sides and destroyed forever. So take away their secrecy by exposing their hidden history for all Americans to know and understand.

That is why they have worked so hard to buy up and control the CMMM and public mass education including colleges and universities, to make sure the people of the world would never find out about their secret evil, which is so inhuman, so homicidal that the whole world would gang up on them and attack them from all sides at every level they exist at.

The big question remains: Was the true cause of leaders of the Khazarian Mafia's incredible evil and savagery toward the human race a byproduct or nature or nurture?

Some believe that this gross parasitism and inclination to mass-murder, engage in pedophilia and child bloodletting and child sacrifice is due to a toxic culture, best described as malignant Tribalism, characterized by a paranoid group racial superiority delusion.

Others think the leaders of the KM are the bloodline of Cain, that is, "children of Cain", that are the Devil's own and have absolutely no soul or human conscience, but are pure predators like a wild beast — while at the same time being [incredibly two-faced](#), that is able to put on [a good con and a nice face](#) on the outside.

Perhaps it could be both factors. In any case, it is time to expose this evil, the greatest evil the world has ever experienced. It is time for the world to work together to eradicate this problem now and forever, by whatever means necessary.

Monarch Mind Control & The MK-Ultra Program

March 9 2015 | From: [ConspiracyWiki](#) / [StangerDimensions](#) / Various Sources

Warning: This is a subject which many find to be extremely confronting. The methods of mind control described in this article - and the ends to which said are implemented; are simply incomprehensible to most people. To a large degree, the fact that most of 'us' would never be able to accept that what is detailed in the following could be true, an extremely dark reality has remained relatively well hidden.

This image shows the use of two Mind Control references in one picture, the reference to the all seeing eye and also the Monarch butterfly

Once, however one has the eyes to see, the references to Mind Control can be seen hidden in plain sight - especially in the entertainment world.

Monarch Mind Control is a form of mind control which creates a mind control slave by utilizing the human brain's trauma response of dissociation to create a form of Multiple Personality Disorder (MPD) wherein various triggers can cause the slave personality to surface and respond to commands given by the master ("Handler" in Monarch parlance).

1.0 Introduction

The Monarch Mind Control designation was originally applied by the US Department of Defense to a sub-program under the CIA's [MK-Ultra](#) Program. However, the techniques employed in the Monarch programming system extend back further under various names, such as the Nazi marionette programming.

Even further back, the techniques used in Monarch programming can be traced to various generational [Satanist](#) families among European royalty.

The MPD state created by the Monarch programming techniques were used to isolate the personality involved in Satanic rituals from a public face. Without this alternate personality, the nobles practicing Satanism inevitably went insane, so it's practice spread rapidly through the occult community.

It is unclear who first started practicing the MPD techniques as a way of creating mind control slaves rather than as a defense mechanism, but it is clear that the [Nazis](#) were using Electro-shock and binding to create slaves in the 1940s. After [World War II](#), some German and Italian psychologists who were working on Marionette programming were brought to the United States to continue working on their research.

After the original development of the Monarch program inside of [MK-Ultra](#), it has been adopted by other groups such as the [Illuminati](#) and the American entertainment industry. Very notably, since the 1970's the [Disney](#) corporation has been involved heavily in Monarch programming, and several of their films (especially Alice in Wonderland) are used as a base for Monarch programming.

Monarch programming is achieved through repeated abuse and torture, until the victim dissociates from reality into a fantasy world in their head. When that happens somehow an alternate personality is created, and the handler (abuser) can trigger this personality at any time.

Beta programming is sex kitten programming, used to create "ultimate prostitutes" as well as celebrities used to sell sex in the media to the masses. Making it look cool and awesome to be sexually abused and over used. They are made to be devoid of all sexual inhibitions. Take a look at Courtney Stodden (she's like super hot but her lack of sexual inhibitions is totally not).

Delta programming is used to program soldiers and patsys to carry out ritualistic murders.

Monarch programming is applied when a drone is needed to carry out commands which are of a morally questionable nature. Monarch victims are used for assassinations and murders which must be carried out for political purposes.

It is used heavily within the entertainment industry to create easily manipulated music stars. One variation of the process, known as "Kitten" or "Sex Kitten" programming is used to create willing sexual body slaves.

Many modern female musicians have performed in videos that contain Monarch mind control symbols including Miss Monroe, Madonna, Miley Cyrus, Rihanna, Beyonce, Lady Gaga, Jessie J. [2], Britney Spears [3], Christina Aguilera, Katy Perry [4], Hillary Scott of Lady Antebellum [5][6], Taylor Swift [7], the Japanese Idol Group AKB-48, and other artists...

Sex kitten programming, aka referred to as "BETA" programming utilizes incest and sexual abuse to program a woman or man as a willing sexual slave. Often the handler is referred to in this context as "Daddy" or "Auntie".

2.0 Monarch Programming and Mind Control

The Monarch Butterfly.

Every year, millions of these golden-winged insects migrate south to a small area of pine groves in central Mexico, which consists of only about 70 square miles. The process of this journey has amazed scientists for years, because the time it takes for the migration to occur is actually longer than the lifespan of a Monarch butterfly (which is [about 6 to 8 weeks](#)).

This means their offspring, born during the migration, simply *knows* where to go, and carries on from there.

Call it instinct. In fact, many wonder if there isn't a kind of "genetic memory" at work, something hardwired or programmed within them that guides their actions toward their goal. This is something that exists in many animals, possibly even humans, like the bird's ability to build a nest, or the turtle's compulsion to bask on a sunny day.

But the Monarch butterfly is a symbol of something else, a different kind of programming that is said to permeate our modern society and control millions of people throughout the world.

3.0 Project Monarch

As the story goes, Project Monarch was part of a covert CIA operation known as MKUltra, which began in 1953. It would also later be attributed to the Illuminati, and is allegedly still in use today.

Under Project Monarch, victims, usually young children, are subjected to intense trauma, inflicted to the point at which their minds dissociate from the experience.

This causes a form of multiple-personality disorder, allowing the "programmer" (or "handler") to **mold these dissociated minds into new, controllable personalities.**

From there, triggers (or "alters") are put in place within popular media and other sources that "trigger" and cause these mind-controlled "slaves" to perform [whatever actions they have been programmed to do](#).

"Another way of examining this convoluted victimization of body and soul is by looking at it as a complex computer program: A file (alter) is created through trauma, repetition and reinforcement. In order to activate (trigger) the file,

a specific access code or password (cue or command) is required.

*The victim/survivor is called a "slave" by the programmer/handler, who in turn is perceived as "master" or "god."
About 75% are female, since they possess a higher tolerance for pain and tend to dissociate easier than males."*

There are also various "stages" or types of programming, listed below:

ALPHA: Regarded as "general" or regular programming within the base control personality; characterized by extremely pronounced memory retention, along with substantially increased physical strength and visual acuity. Alpha programming is accomplished through deliberately subdividing the victims personality which, in essence, causes a left brain-right brain division, allowing for a programmed union of L and R through neuron pathway stimulation.

BETA: Referred to as "sexual" programming. This programming eliminates all learned moral convictions and stimulates the primitive sexual instinct, devoid of inhibitions. "Cat" alters may come out at this level.

DELTA: This is known as "killer" programming, originally developed for training special agents or elite soldiers (i.e. Delta Force, First Earth Battalion, Mossad, etc.) in covert operations. Optimal adrenal output and controlled aggression is evident. Subjects are devoid of fear; very systematic in carrying out their assignment. Self-destruct or suicide instructions are layered in at this level.

THETA: Considered to be the "psychic" programming. Bloodliners (those coming from multi-generational Satanic families) were determined to exhibit a greater propensity for having telepathic abilities than did non-bloodliners. Due to its evident limitations, however, various forms of electronic mind control systems were developed and introduced, namely, bio-medical human telemetry devices (brain implants), directed-energy lasers using microwaves and/or electromagnetics. It is reported these are used in conjunction with highly-advanced computers and sophisticated satellite tracking systems.

OMEGA: A "self-destruct" form of programming, also known as "Code Green." The corresponding behaviors include suicidal tendencies and/or self-mutilation. This program is generally activated when the victim/survivor begins therapy or interrogation and too much memory is being recovered.

GAMMA: Another form of system protection is through "deception" programming, which elicits misinformation and misdirection. This level is intertwined with demonology and tends to regenerate itself at a later time if inappropriately deactivated.

What's the end goal of all this? *Control*, of course.

4.0 Butterfly Symbolism

Project Monarch is so named because of the specific traits of the Monarch Butterfly: the traumatization (typically electroshock therapy) causes a feeling of light-headedness, or "fluttering like a butterfly."

But even beyond that, there is the metamorphosis from caterpillar to butterfly, as well as the aforementioned theorized "genetic memory" or instinct, passed down through bloodlines that bring the Monarchs back to the same habitat year after year.

The butterfly has therefore become the symbol of this covert mind control operation.

Britney Spears (along with Justin Timberlake and many others) was once a Disney Mouseketeer. Disney has a very dark history and is involved in mind control of both it's stars and audience. Apparently mind-controlled celebrities can start to become unstable in their late twenties. Some rebel, some flip-out and others are killed off ([see the 27 club](#)) and the likes of Elvis Presley and Marilyn Monroe.

Often stars will wind up in "Rehab" which is merely a cover for hospitalisation for re-programming.

While these types of mind control conspiracies aren't necessarily unique (there's also the NAZI Marionette programming, which we might look at later), **the MKUltra program, as well as its precursors Project ARTICHOKE and Project BLUE BIRD, actually existed.**

These CIA operations sought to understand hypnosis, new interrogation methods, forced addictions, behavioral engineering, and yes, mind control, among other things. A plethora of strange and, let's face it, shady undertakings.

What's most compelling (perhaps even iconic) about Monarch mind control, however, are these triggers and patterns that can allegedly be found in much of popular media.

In the video below you can see Britney slip out of one alter and into another after she is inadvertently triggered in an interview with Diane Sawyer.

Britney Spears - Victim of Monarch Mind Control

5.0 Examples Of Monarch Programming In Media

I've written about Illuminati imagery, the [Eye of Providence](#) and its place in popular culture.

But Monarch mind control is a bit different; these aren't icons and images placed around just to say, "Aha! We're right here and you don't even know it!"

No, these triggers are put in place, allegedly, to **control the minds of their pre-programmed slaves and initiate a response**. In fact, those who have been programmed likely don't even know they are under control at all.

Once triggered, their programmed personalities will surface and they'll be like [dancers on a string](#).

Here are just a few of the supposed examples of Monarch programming in popular media, most commonly music and movies. Who knows; you may even find yourself suddenly triggered, unable to resist the compulsion to do...*something*.

5.1 The Wizard of Oz

It's said that *The Wizard of Oz* is actually used during Monarch programming to plant triggers into the minds of subjects. Certain symbols within the movie are later used to activate them (such as rainbows).

5.2 Alice In Wonderland

Several Disney movies are said to hold Monarch programming triggers, as well, including (well, especially) *Alice In Wonderland*. Note the transformation of the caterpillar, as well as other butterfly symbolism.

5.3 Paramore's Brick By Boring Brick

Some say Paramore's song Brick By Boring Brick, as well as its [music video](#), tell the story of breaking free of Monarch programming. Of course, it could also just be a metaphor for breaking free of failed dreams and childhood fantasies, but the symbolism is there.

Paramore: Brick By Boring Brick [OFFICIAL VIDEO]

5.4 Lady Gaga's Paparazzi

There are practically dissertations written about Lady Gaga's possible connection to the Illuminati and Project Monarch. You can [check one of those out here](#), but let's take a quick look at one of the stand-out examples: her Paparazzi music video.

You can almost look at it as a narrative of the victimization and transformation of Lady Gaga as she undergoes the Project Monarch programming. At the end of the video, she completes her programmed "mission," and is rewarded with fame.

"After carrying out her murderous mission, Lady Gaga is more popular than ever and reaps the rewards of being an Illuminati slave."

Lady Gaga - Paparazzi

5.5 Bioshock 1 & 2

I'm not necessarily implicating Bioshock 2 in the whole Project Monarch conspiracy, but it's interesting to note that both Bioshock 1 & 2 deal heavily with themes of mind control.

In Bioshock 2, the symbol of the game's antagonist, Sophia Lamb, is the blue morpho butterfly. In short, she wanted to use mind control, under a process very similar to Project Monarch, to create an altruistic Utopian society.

5.6 Ladytron's White Elephant

In Ladytron's music video for [White Elephant](#), note the butterfly masks, and the shattering mirrors, which are said to symbolize the split personalities of programmed victims.

Mirrors are also said to be [used as tools](#) to create the split multiple personalities.

5.7 Photographic Examples

There are limitless examples of Illuminati symbolism in TV shows, movies, music videos and fashion shoots that once you are familiar with the most common symbolism (one eye covered / highlighted, the pyramid handsign, the "horns" handsign and the a-ok handsign) you will begin to see them hidden in plain sight **everywhere**.

Some of the more blatant examples follow - the first one includes the whole set so you know what to look for:

Adam Levine (Maroon 5)

Michael Jackson

Uma Thurman

Rihanna

Madonna

Ke\$ha

Katy Perry

Marilyn Monroe

Daniel Radcliffe

If you don't get it by now, you are never going to.

6.0 Conclusion

You might be wondering why these people go to all of this effort to put sych symbolism into their work. The reality is that occult symbolism is of fundamental importance to the [Illuminati](#). Symbols actually have an energetic significance and they understand this and manipulte it with their satanic rituals. This sort of knowledge is restricted to the "illuminated ones" and that is why most people do not understand the symbolisms nor their true meanings.

Those in the limelight - and those who wish to stay in the limelight - must continually show their allegiance to their masters. Some are born into the Illuminati and carefully psitioned into place, others 'convert' because of their desire for fame and fortune and "sell their souls to the devil" and yet others become entrapped.

This explains why you see what you see in the above examples, and if you have just had your eyes opened to this now then you will never be able to sop seeing them again - forever will they jump out at you. Unless of course you go back to sleep.

If you really want to knock yourself out by seeing literally hundreds more examples, [VigilantCitizen](#) has a great ongoing monthly roundup of such symbolism material archived from all around the world.

Aside from this, one of the fundamental beliefs that the Illuminati have is that they must announce their plans and agenda before they implement it. They have been doing this for hundreds of years and they hide it in plain sight - while for the most part the "sheeple" or "worthless eaters" are too stupid to see what is staring them in the face.

As always, conspiracies exist in strange mires and foggy evidence. You can find hidden "symbols" and secret messages

anywhere, if you look hard enough.

The real conspiracy, to tell you the truth, is the one you don't know the name of, the one you don't know exists.

You can imagine what goes on in *those* shadows...

And in case you still don't get it, see this: [How The Illuminati uses media to Control Your Mind](#)

7.0 The Illuminati Formula Used to Create a Total Mind Controlled Slave

If you would like to know exactly how the Illuminati go about creating their mind controlled minions then the penultimate reference is the book:

The Illuminati Formula Used to Create a Total Mind Controlled Slave by Fritz Springmeier & Cisco Wheeler

Extremely well researched and co-written by an ex-Illuminati mind control programmer. You can download a PDF copy of this book [here](#). Please be warned that it covers the subject in extreme detail and may not be suitable for sensitive readers.

The Peace Sign And Satanism

July 30 2015 | From: [FalseReligions](#)

The signal "actually began as a symbol of Satanic benediction during the rituals." This sign has been used by Yasser Arafat, Richard Nixon, Winston Churchill, and Stewart Meacham, Co-Chairman of Reds' New Mobilisation Committee."

Churchill said that the sign stood for victory but remember that Churchill was one of the insider "elite" and a Mason. He most likely knew the evil significance of this symbol but tried to give it a facelift.

The "v sign" has a colourful history. "V" is the Roman sign for the number five and Adam Weishaupt used it in the Illuminati to symbolise the "Law of Fives," but there's more. In the Cabala:

"The meaning for the Hebrew letter for V (Van) is 'Nail.' Now, 'The Nail' is one of the secret titles of Satan within the Brotherhood of Satanism. Satan is letting us know that this is one of his favourite signs. Why else does he like the PENTA-gram (Penta = five!) and the FIVE-fold salute used in Masonry and Witchcraft?"

Furthermore:

"The Leftists, radicals, and Satanists who have popularised that sign...know its ancient significance very well. In fact, that 'V' sign is now used extensively by such Communist organisations as the Young Socialist Alliance, Vets for Peace in Vietnam, and the Students for a Democratic Society."

Although not a hand sign, the peace symbol itself needs to be examined.

Known as the 'peace sign' throughout the 1960's and into the present day, this symbol is the Teutonic rune of death. 1950's peace advocate Gerald Holtom may have been commissioned by communist sympathiser Bertrand Russell to design a symbol to unite leftist peace marchers in 1958.

It is clear that either Holtom or Russell deemed the Teutonic (Neronic) cross as the appropriate symbol for their cause.

Throughout the last 2,000 years this symbol has designated hatred of Christians. Nero, who despised Christians, crucified the Apostle Peter on a cross head downward. This hideous event resembled the Teutonic cross and became a popular pagan insignia of the day. Thereafter, this sign became known as the 'Neronic cross.'

The symbol's origin in history proves it to be the visual mystic character for 'Aum' (the split 'Y'). This is the sacred word to the Hindu. Chanting 'Aum' is supposed to help awaken 'the serpent power of Brahma' at the base of the human spine. Occultist Albert Pike also identifies this symbol as mystical in his book on Freemasonry Morals and Dogma.

The peace symbol (also called the "broken cross," "crow's foot," "witch's foot" "Nero Cross," "sign of the 'broken Jew,'" and the "symbol of the 'anti-Christ'") is actually a cross with the arms broken. It also signifies the "gesture of despair," and the "death of man".

"The Germanic tribes who used it attributed strange and mystical properties to the sign. Such a 'rune' is said to have been used by 'black magicians' in pagan incantations and condemnations...."

To this very day the inverted broken cross - identical to the socialists' 'peace' symbol - is known in Germany as a 'toderrune,' or death rune.

Not only was it ordered by Hitler's National Socialists that it must appear on German death notices, but it was part of the official inscription prescribed for the gravestones of Nazi officers of the dread SS. The symbol suited Nazi emphasis on pagan mysticism."

With the arms of the cross raised in an upright position, it is "a Pythagorean emblem of the course of life, in the form of a rising path with fork roads to Good and Evil." It also signifies fertility, but with the arms pointing downward, it denotes evil and death.

"In fact, the inverted 'Man-rune'-the figure encircled in the common sign which the Communists tell us means 'peace' - has for centuries been a favourite sign of Satanists."

Anton LaVey, the founder of the Church of Satan, used the peace symbol as the backdrop for his altar.

One former witch makes the following comment about the peace symbol:

"It is an ancient and powerful symbol of Antichrist. During the dark ages it was used in Druid Witchcraft and by Satanists of all sorts during the initiation of a new member to their order. They would draw the magic circle and give the initiate a cross.

The initiate would then lift the cross and turn it upside down. He would then renounce Christianity in all three dimensions (sic) of time (past, present and future) and break the horizontal pieces downward forming the design of the 'Raven's Foot.'

This ugly symbol is nothing short of blasphemy against the Holy Ghost. For one to wear or display this symbol is to announce either knowingly or unknowingly that you have rejected Christ. Remember, symbolism is a picture language, and a picture is worth a thousand words."

Another hand signal is the Vulcan peace sign. It is supposed to mean "Live Long and Prosper," and can be seen in Star Trek.

Vulcan was a sun deity who was associated with fire, thunderbolts, and light. The festival in honour of him was called the Vulcania in which human sacrifices were offered.

"According to Diel, he bears a family relationship to the Christian devil.' It is fascinating to know that he married Venus, another name for Lucifer or the devil.

What is even more interesting is that Vulcan is adored in Masonry under the name of Tubal Cain. In the Masonic Quiz Book the question is asked: "Who was Tubal Cain?" The answer is: "He is the Vulcan of the pagans."

In Masonry, Tubal Cain is the name of the password for the Master Mason (or third) degree.

Listen to what occultist and Mason, Manly Palmer Hall, has to say:

"When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mastery of his craft."

The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly apply energy. He must follow in the footsteps of his forefather, Tubal-Cain, who with the mighty strength of the war god hammered his sword into a ploughshare."

There is also a sexual connotation associated with Vulcan and Tubal Cain.

Former Mason, Bill Schnoebelen, explains:

"For Masons who wish to conceal their membership from non-Masons, but still advertise it to their Lodge brothers, there is a special pin (or tie tack) they can wear. It looks like an upside down golf club with two balls near the top....Many people assume the person is a golfing enthusiast, but it is actually a visual Masonic pun."

"This is called the 'Two Ball Cane,' and is a pun on the secret password of a Master Mason, 'Tubalcain (sic)'....It is also an all-too-obvious pun on the 'god' of Masonry, the male reproductive organ. Nice, eh?...especially when many men wear these wretched things to church on Sunday!"
